Portraits Of American Women From Settlement To The Present:

Portraits of American Women: From settlement to the present G. J. Barker-Benfield,1991 *Portraits of American Women* G. J. Barker-Benfield,Catherine Clinton,1998 Portraits of American Women G. J. Barker-Benfield,Catherine Clinton,1998 Until recently a womanless American history was the norm But without a history of women we neglect gender dynamics sex roles and family relations the very fundamentals of human interaction Here 24 short essays locate the histories of women from Pocahontas to Betty Friedan and men together by period and provide a sense of their continuities through the whole gallery of the American past 26 photos *Portraits of American Women: From the Civil War to the present* G. J. Barker-Benfield,Catherine Clinton,1991 , *Women's Roles in Eighteenth-Century America* Merril D. Smith,2010-02-26 This book offers a look at how the lives of women changed in the era when the United States emerged Spanning the broad spectrum of Colonial era life *Women's Roles in Eighteenth Century America* is a revealing exploration of how 18 century American women of various races classes and religions were affected by conditions of the times war slavery religious awakenings political change perceptions about gender as well as how they influenced the world around them *Women's Roles in Eighteenth Century America* covers the area of North America that became the United States and follows the transformation of the British colonies into a new nation The book is organized thematically to examine marriage and the family the law work travel war religion and education and the arts Each chapter combines current research and primary sources to offer authoritative portraits of real lives of the everyday women during this pivotal early era in our history

Women Writers in the Romantic Age John Claiborne Isbell,2025-04-17 This groundbreaking book offers a comprehensive review of six hundred and fifty women writers from over fifty national traditions spanning Europe and the Americas during the transformative years of 1776 to 1848 Framed by revolutionary upheavals the book explores how women writers shaped and reflected Romanticism's global currents It fills a critical scholarly gap connecting disparate traditions and uncovering voices often overlooked in male dominated literary histories Through concise entries the book names every woman writer identified in its vast research from celebrated figures like Phillis Wheatley to lesser known authors whose manuscripts lay buried in archives Each entry provides essential biographical details while select excerpts in seventeen languages bring these voices to life revealing how women navigated the era's revolutionary ideals and patriarchal barriers Structured democratically the volume treats all writers equally whether anonymous pseudonymous or celebrated in their time It highlights their diverse experiences poets and novelists abolitionists and suffragists mothers and mill workers From memoirs to political tracts their works testify to the rich tapestry of women's contributions to Romanticism By illuminating these stories this book challenges national silos offering a panoramic view of Romanticism as a truly transnational female inclusive phenomenon It represents a go to resource for students and interested readers while setting the ground for future scholars to expand this vital field of study **Reader's Guide to American History** Peter J. Parish,2013-06-17 There are so many

books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history

Women's Political and Social Thought Hilda L. Smith, Berenice A. Carroll, 2000 a wide array of time periods cultures and formats Library Journal The first collection of source readings of women s important writings in political and social theory from ancient times to the twentieth century From Sappho of Lesbos to Mary Wollstonecraft and from Jane Addams to Simone Weil these works fill a major gap in materials available for teaching the history of political thought and opens paths for exploring the rich and diverse contributions of women as creators of theory

Memorials of Harriet Martineau by Maria Weston Chapman Deborah Anna Logan, 2015-11-25 Memorials of Harriet Martineau by Maria Weston Chapman was published in 1877 as volume three of Harriet Martineau s Autobiography While the triple decker was a popular format of the era the configuration of a two volume autobiography authored by one and a one volume biography written by another is unusual Indeed the work s publishing history reveals that in reissues of the Autobiography the Memorials volume was not reproduced while some might claim that the problem is with the editor American abolitionist Chapman rather than the contents the fact remains that the bulk of the volume consists of primary materials written by Martineau that are available nowhere else published or archival Chapman s participation in the project was originally conceived as supplemental in the event that the ailing Martineau did not live long enough to complete her memoirs as it happened Martineau who finished the two volumes and had them privately printed in 1855 lived another twenty one years Whereas the Autobiography records what Martineau called the interior life or subjective perspective on her career Chapman s volume addressed the exterior by offering a biographical overview of her friend s life and work a record of her last decades and a collection of posthumous memorials by those with whom her private and public lives intersected Chapman s role was to take up the parallel thread of her exterior life to gather up and co ordinate from the materials placed in my hands the illustrative facts and fragments by her omitted or forgotten and to show what no mind can see for itself the effect of its own personality on the world This volume is the first scholarly edition of the Memorials a biography of one of the foremost intellectual women of the nineteenth century told primarily in her own words

Routledge International Encyclopedia of Women Cheris Kramarae, Dale Spender, 2004-04-16 For a full list of entries and contributors sample entries and more visit the Routledge International Encyclopedia of Women website Featuring comprehensive global coverage of women s issues and concerns from violence and sexuality to feminist theory the Routledge International Encyclopedia of

Women brings the field into the new millennium In over 900 signed A Z entries from US and Europe Asia the Americas Oceania and the Middle East the women who pioneered the field from its inception collaborate with the new scholars who are shaping the future of women s studies to create the new standard work for anyone who needs information on women related subjects

Daughters Of Canaan Margaret Ripley Wolfe,2014-10-17 From *Gone with the Wind* to *Designing Women* images of southern females that emerge from fiction and film tend to obscure the diversity of American women from below the Mason Dixon line In a work that deftly lays bare a myriad of myths and stereotypes while presenting true stories of ambition grit and endurance Margaret Ripley Wolfe offers the first professional historical synthesis of southern women s experiences across the centuries In telling their story she considers many ordinary lives those of Native American African American and white women from the Tidewater region and Appalachia to the Mississippi Delta to the Gulf Coastal Plain women whose varied economic and social circumstances resist simple explanations Wolfe examines critical eras outstanding personalities and groups wives mothers pioneers soldiers suffragists politicians and civil rights activists and the impact of the passage of time and the pressure of historical forces on the region s females The historical southern woman argues Wolfe has operated under a number of handicaps bearing the full weight of southern history mythology and legend Added to these have been the limitations of being female in a patriarchal society and the constraining images of the southern belle and her mentor the southern lady In addition the specter of race has haunted all southern women Gender is a common denominator but according to Wolfe it does not transcend race class point of view or a host of other factors Intrigued by the imagery as well as the irony of biblical stories and southern history Wolfe titles her work *Daughters of Canaan* Canaan symbolizes promise and for activist women in particular the South has been about promise as much as fulfillment General readers and students of southern and women s history will be drawn to Wolfe s engrossing chronicle

Women During the Civil War Judith E. Harper,2004 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company

Women's Rights in the United States Tiffany K. Wayne,2014-12-09 A comprehensive encyclopedia tracing the history of the women s rights movement in the United States from the American Revolution to the present day Few realize that the origin of the discussion on women s rights emerged out of the anti slavery movement of the 19th century and that suffragists were active in the peace and labor movements long after the right to vote was granted Thus began the confluence of activism in our country where the rights of women both followed and led the social and political discourse in America Through 4 volumes and more than 800 entries editor Tiffany K Wayne with advising editor Lois Banner examine the issues people and events of women s activism from the early period of American history to the present time This comprehensive reference not only traces the historical evolution of the movement but also covers current issues affecting women such as reproductive freedom political participation pay equity violence against women and gay civil rights

American Characters Richard Warrington Baldwin Lewis,Nancy Lewis,National Portrait Gallery (Smithsonian Institution),1999-01-01 Presents a visual and literary review of

famous Americans *A Bibliography of Tennessee History, 1973-1996* W. Calvin Dickinson, Eloise R. Hitchcock, 1999 With some 6 000 entries *A Bibliography of Tennessee History* will prove to be an invaluable resource for anyone students historians librarians genealogists engaged in researching Tennessee s rich and colorful past A sequel to Sam B Smith s invaluable 1973 work *Tennessee History A Bibliography* this book follows a similar format and includes published books and essays as well as many unpublished theses and dissertations that have become available during the intervening years The volume begins with sections on Reference Natural History and Native Americans Its divisions then follow the major periods of the state s history Before Statehood State Development Civil War Late Nineteenth Century Early Twentieth Century and Late Twentieth Century Sections on Literature and County Histories round out the book Included is a helpful subject index that points the reader to particular persons places incidents or topics Substantial sections in this index highlight women s history and African American history two areas in which scholarship has proliferated during the past two decades The history of entertainment in Tennessee is also well represented in this volume including for example hundreds of citations for writings about Elvis Presley and for works that treat Nashville and Memphis as major show business centers The Literature section meanwhile includes citations for fiction and poetry relating to Tennessee history as well as for critical works about Tennessee writers Throughout the editors have strived to achieve a balance between comprehensive coverage and the need to be selective The result is a volume that will benefit researchers for years to come The Editors W Calvin Dickinson is professor of history at Tennessee Technological University Eloise R Hitchcock is head reference librarian at the University of the South

Fallen Forests Karen L. Kilcup, 2013-05-01 In 1844 Lydia Sigourney asserted Man s warfare on the trees is terrible Like Sigourney many American women of her day engaged with such issues as sustainability resource wars globalization voluntary simplicity Christian ecology and environmental justice Illuminating the foundations for contemporary women s environmental writing *Fallen Forests* shows how their nineteenth century predecessors marshaled powerful affective ethical and spiritual resources to chastise educate and motivate readers to engage in positive social change *Fallen Forests* contributes to scholarship in American women s writing ecofeminism ecocriticism and feminist rhetoric expanding the literary historical and theoretical grounds for some of today s most pressing environmental debates Karen L Kilcup rejects prior critical emphases on sentimentalism to show how women writers have drawn on their literary emotional intelligence to raise readers consciousness about social and environmental issues She also critiques ecocriticism s idealizing tendency which has elided women s complicity in agendas that depart from today s environmental orthodoxies Unlike previous ecocritical works *Fallen Forests* includes marginalized texts by African American Native American Mexican American working class and non Protestant women Kilcup also enlarges ecocriticism s genre foundations showing how Cherokee oratory travel writing slave narrative diary polemic sketches novels poetry and expos intervene in important environmental debates **Illinois Historical Journal** , 1998 Abolitionist Cosmopolitanism: Reconfiguring Gender, Race, and Nation in

American Antislavery Literature Pia Wiegink, 2022-09-19 Abolitionist Cosmopolitanism redefines the potential of American antislavery literature as a cultural and political imaginary by situating antislavery literature in specific transnational contexts and highlighting the role of women as producers subjects and audiences of antislavery literature Pia Wiegink draws attention to locales authors and webs of entanglement between texts ideas and people Perceived through the lens of gender and transnationalism American antislavery literature emerges as a body of writing that presents profoundly reconfigured literary imaginations of freedom and equality in the United States prior to the Civil War Fight for Women's Suffrage Marcia Amidon Lusted, 2011-08-01 This title examines an important historic event the women s suffrage movement Easy to read compelling text explores the history of women s rights and the League of Women Voters the roles the antislavery movement the Fourteenth and Fifteenth Amendments and literature played in the movement well known figures such as Mary Wollstonecraft Lucy Stone Susan B Anthony and Alice Paul and the effects of this event on society Features include a table of contents a timeline facts additional resources Web sites a glossary a bibliography and an index Essential Events is a series in Essential Library an imprint of ABDO Publishing Company
