Prospects For Eastwest Relations A Task Force Report To The Trilateral Commission:

The Palgrave Handbook of Non-State Actors in East-West Relations Péter Marton, Gry Thomasen, Csaba Békés, András Rácz, 2024-09-28 The Handbook introduces to readers accessibly for specialist and non specialist scholars students and layman audiences the diverse universe of non state actors NSAs that have played or are currently playing a significant role in the context of East West relations from 1945 to the present With a view to the oft seen political debates about which non state actors may be independent or controlled by particular states and in what ways they may be useful or harmful to the interests of particular actors this volume is interested in analysing and assessing the relationship of NSAs to key state actors in the context of the politics of East West relations Key state actors in this context include more than just the United States on the one hand and the Soviet Union or Russia on the other hand To offer a structured overview the volume explores possible typologies of the relationships conceivable between NSAs and states New concepts and organising principles are presented to support a process tracing analysis of the evolution of proxy ships partnerships and other types of connections between states and non state actors Degrees sources and types of control and influence are considered Further the Handbook s chapters also examine NSAs impact on the dynamics of interstate conflict and cooperation in the East West dimension The systematic examination of the relationship between states and NSAs in East West relations proposed here is the first undertaking of its kind International scholarship in political science and strategic analyses have so far neglected to develop an analytical framework and a truly nuanced understanding that could capture the intricate and multilevel relationships that exists between NSAs and states in this context
