

How Are You Feeling?

0

We have lots of different feelings every day. We feel different things at different times. Sometimes the feelings feel good and sometimes they feel bad.

When you get a feeling, it can be helpful to try to name it and then decide what you can do with that feeling.

Feeling Proud

When you are feeling proud, you are feeling good and pleased about something special you have done.

We all feel proud sometimes.

When you are feeling proud, there are many ways that you might show it. It might look like you smile and feel confident that you want to be good and do more things.

I am feeling...

including sympathy the point of view from which we make moral judgements the practical nature of ethics and the role that reflection plays in it and the definition of perfect character Finally the author maintains that Humean virtue ethics so understood has the individual at its core representing a secular and pluralist alternative to neo Aristotelian versions discussed today The Proud Self will appeal to scholars and graduate students working on Hume 18th century philosophy virtue ethics and moral psychology *Journal of the Institute of Bankers* Institute of Bankers (Great Britain),1914
