Lennox, 1998 The original roadmap to a fulfilling productive and godly life Proverbs will guide you toward your goal of holy living An excellent resource for personal study and especially helpful for those involved in the teaching ministries of the church the Wesley Bible Commentary series will encourage and promote life change in believers by applying God's authoritative truth in relevant practical ways Written in an easy to follow format you will enjoy studying Scripture insights that are faithful to the Wesleyan Armenian perspective *Restore Such a One* Lance M. Bacon, 2024-08-01 Widespread deficiencies in spiritual formation see an increasing number of ministers buckle under the significant burdens common to the task There are seasons when a powerful triad of the flesh the world and the devil converge Eph 2:2-3 cf Jas 3:15 and 1 John 2:16 Misdirected attempts to fulfill emptiness find worth or heal longstanding wounds ensue Widespread instances of sexual immorality result Sound exegesis and analysis of theological doctrine presents an allowance in certain cases for ministerial restoration However this necessitates an intimate and intricate approach that differs significantly from the varied solutions churches and

denominations offer Few restoration programs bring a biblical response to bear Remarkably rare are restoration programs that look to correct causal factors and commit to congregational care This program orients itself on an understanding of brokenness and the need for holistic re formation The latter requires fallen ministers to progress beyond biblical confession and repentance to partner with the Holy Spirit and key authorities such as an overseer mentors Christian mental health professionals and a designated congregation The unitive goal is a sanctifying psychopathology that properly diagnoses spiritual and emotional health eradicates the adverse influences of emotional cultural and spiritual factors and redirects self oriented patterns of thought and behavior **Listen, Understand, Obey** Caleb T. Friedeman, 2017-05-17 This volume brings together a diverse group of scholars including biblical systematic and historical theologians to honor Gareth Lee Cockerill longtime professor of New Testament at Wesley Biblical Seminary Jackson MS and distinguished scholar of the book of Hebrews The essays focus on various aspects of Hebrews theology ranging from the nature of rest in Hebrews to the interpretation of Hebrews in early Methodism Readers will find resources to hear and comprehend Hebrews afresh and will be challenged to draw near to the throne of grace with confidence Heb 4 16 **Essays and Questions on Catholic Theology** Albert Ayers Forrester, 2003-07-29 The Church teaches that man as the image of God was created for holiness Holiness is not then reserved for the few but rather it is the destiny of all The message is consequently one of hope that change is possible that growth in holiness is possible We do not have to continue in a downward spiral of brokenness We are called to be liberated from sin and God has provided us with the power to change This power can be found in the free gift of grace given by the Holy Spirit through His Church and her Sacraments In essence this book is concerned with transformational theology It is about how the grace of God expressed through the Sacraments is effective and able to transform us From the beginning it should be explained that there are two important philosophical principles at work within the sacramental economy of the Church The first is *operatio sequitur esse* action follows upon being Causes have effects and in this case the cause is God's transforming love and the effect is the change within us brought about by this love We are changed by the Cause and we become like the Cause Therefore we act in a manner consistent with our new nature But we must be open to change This leads to the second principle which is that which is received is received according to the mode of the receiver There is an obstacle that can prevent the grace of God from being effective in our lives The obstacle is our will As the image of God we are given freedom the ultimate freedom the freedom to accept or reject God The mode of the receiver must be open to the grace of God by faith Our will must be surrendered to His will or we will remain unchanged The choice is ours *Psalms 101-150 (Brazos Theological Commentary on the Bible)* Jason Byassee, 2018-07-31 Explore how the roots of the ancient Christian tradition inform and shape faithfulness today The Brazos Theological Commentary on the Bible enlists leading theologians to read and interpret scripture creedally for the twenty first century just as the church fathers the Reformers and other orthodox Christians did for their times and places A rich resource for preachers teachers students and

study groups the BTC provides guidance for reading the Bible under the rule of faith Each volume in the series includes a Christological focus and framework grounded in the Nicene Creed connections between biblical interpretation and today's social issues applications for contemporary faith and life devotional depth for meditation and reflection insights from literature philosophy culture and more In this addition to the series a well known pastoral theologian offers a theological reading of Psalms 101-150 Ultimately the Brazos Theological Commentary on the Bible demonstrates the continuing intellectual and practical viability of theological interpretation of the Bible

### The Genre of Biblical Commentary Timothy D. Finlay, William

Yarchin,2015-10-16 The genre of biblical commentary is as old as the Bible itself and remains very much alive as a point of illuminating contact between the ancient text and its modern readers In this volume fourteen international Old Testament experts reflect upon multiple challenges of contemporary biblical commentary as a scholarly endeavor How does a commentator strike a balance between engagement with the biblical text and the commentary tradition that the text has generated over the centuries How does academically rigorous commentary writing remain relevant for pastoral and lay readers of the Bible Ancient biblical writers are notoriously diverse in their theological and literary nuances Modern readers approach the Bible from an equally wide spectrum of interests How does today's commentator act responsibly for all the text's stakeholders John E Hartley is widely respected for the multiple volumes he has produced with these questions in mind This collection of essays appears in celebration of his accomplishments in the genre of Old Testament biblical commentary

**The Shape of the Writings** Julius Steinberg, Timothy J. Stone, 2015-09-09 Are the Writings a miscellaneous collection of books as is so often asserted or do they have a purposeful design or arrangement Over the past 35 years there has been a significant amount of scholarly interest in the shape of the Law Former Prophets Twelve Minor Prophets and the Psalms while examinations of the shape of the Writings were almost nonexistent until very recently The 11 essays in this volume explore this often neglected issue from a variety of critical perspectives reader centered approaches canonical structural

canonical and redactional made more robust by the mix of German and English language scholarship on this question including 4 articles translated from German into English Essays range from the historical development of the collection to analysis of the collection s different arrangements to the relationship of books and subcollections within the Writings to the reception of the collection in Jewish and Christian sources Every book in the Writings is discussed with particular attention given to Job Ruth and 1 and 2 Chronicles The volume closes with 3 critical responses from John Barton Tamara Cohn Eskenazi and Christopher Seitz      **American Book Publishing Record** ,2006      **Pentecostal Hermeneutics** Lee Roy Martin,2013-09-19 In Pentecostal Hermeneutics A Reader Lee Roy Martin brings together fourteen significant publications on biblical interpretation along with a new introduction to Pentecostal hermeneutics and an extensive up to date bibliography on the topic Organized chronologically these essays trace the development of Pentecostal hermeneutics as an academic discipline The concerns of modern historical criticism have often stood at odds with Pentecostalism s use of Scripture Therefore over the last three decades Pentecostal scholars have attempted to identify the unique characteristics and interpretive practices of their tradition and to offer constructive proposals for a Pentecostal hermeneutic that would be critically valid and at the same time be consistent with the Pentecostal ethos and conducive for the continued development of the global Pentecostal movement Contributors include Rickie D Moore John Christopher Thomas Jackie David Johns Cheryl Bridges Johns John W McKay Robert O Baker Scott A Ellington Kenneth J Archer Robby Waddell Andrew Davies Clark H Pinnock and Lee Roy Martin      **Philippians** Gordon Zerbe,2016-11-01 What if rather than only reading Philippians we allowed Philippians to read us In this 31st volume in the Believers Church Bible Commentary series New Testament scholar Gordon Zerbe challenges readers to allow Paul s prison letter to interpret our own lives not by extracting lessons out of historical and cultural context but by imagining ourselves into the ancient Roman world and back again      Jeremiah and Lamentations (Teach the Text Commentary Series) J. Daniel Hays,2016-03-29 The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text      **Acts: An Exegetical Commentary : Volume 2** Craig S. **The biblical concept of the 'Davidic Covenant' in 2 Samuel and Ezekiel and its implications for African leadership** Victor Lonu Budha, 2023-10-30

Scholars have offered insight into the Davidic Covenant and the future hope for Israel However their works up to this point have overlooked a detailed influence of 2 Samuel 7 on Ezekiel 34 and 37 Therefore reading the text of Ezekiel in relation to the original form of the Davidic Covenant may reveal further indications of the literary theological and conceptual influence of 2 Samuel 7 and the help it provides in understanding the function of the promised ruler in Ezekiel 34 and 37 An intertextual approach proves to be relevant to establishing this influence The intertextual approach used for the exegesis in this book establishes how biblical books are connected and proves the influence of the text of 2 Samuel on that of Ezekiel 34 and 37 The study of 2 Samuel 7 in relation to the Davidic Covenant underscores God s faithfulness and concern for his people Godly leadership is the kind of leadership that God desires for his people Looking closely at the Davidic Covenant and God s promises in Ezekiel s text we can see that they encompass important implications for African leadership
