Breathing Spaces Nancy N. Chen,2003-06-04 The charismatic form of healing called qigong based on meditative breathing exercises has achieved enormous popularity in China during the last two decades Qigong served a critical social organizational function as practitioners formed new informal networks sometimes on an international scale at a time when China was shifting from state subsidized medical care to for profit market medicine The emergence of new psychological states deemed to be deviant led the Chinese state to medicalize certain forms while championing scientific versions of qigong By contrast qigong continues to be promoted outside China as a traditional healing practice Breathing Spaces brings to life the narratives of numerous practitioners healers psychiatric patients doctors and bureaucrats revealing the varied and often dramatic ways they cope with market reform and social changes in China
