Raising Caine The Authorized Biography:

Raising Caine William Hall, 1981 **Behaving Badly: Richard Harris** Cliff Goodwin, 2011-05-31 Richard Harris was never an easy person to get along with. He was a difficult schoolboy and was later disowned by his Limerick teachers. Then he went to work in the family flour and milling business where he organised a strike against his father. It was as a gifted and compelling actor that Richard Harris dominated stage and screen for more than four decades. He was nominated for an Oscar twice for his earthy portrayal of a rugby player in *This Sporting Life* and as a dominant and bullish Irish farmer in *The Field*. More recently he delivered gripping screen performances in *Gladiator* and two Harry Potter films. But it was his violent drunken womanising private life that fed the public myth and made Harris one of a new breed of rogue male actors: an international celebrity. Married and divorced twice with three sons, two actors, one a film director, he claimed the only time he had been miscast was as a husband. His lovers included legends such as Merle Oberon, Sophia Loren, Ava Gardner and Vanessa Redgrave.

British Stars and Stardom Bruce Babington, 2001 British film stars, even the most famous ones such as James Mason, Sean Connery and Julie Andrews, are a neglected subject in film history. This interesting collection looks at the whole of British stardom from circa 1910 onwards and the many types of British stars who gained worldwide fame through national and international cinema.

Ready, Steady, Go! Shawn Levy, 2003-07-08 It's the summer of 1966. The fundamental old ways: chastity, rationality, harmony, sobriety, even democracy, blasted to nothing or crumbling under siege. The city glows. It echoes. It pulses. It bleeds pastel and fuzzy, spicy paisley and soft. This is how it's always going to be: smashing clothes, brilliant music, easy sex, eternal youth, the eyes of everybody, everyone's first thought, the top of the world, right here, right now. Swinging London. Shawn Levy has a genius for unearthing the secret history of popular culture. The *Los Angeles Times* called King of Comedy his biography of Jerry Lewis, a model of what a celebrity bio ought to be: smart, knowing, insightful, often funny, full of fascinating insiders' stories. And the *Boston Globe* declared that *Rat Pack Confidential* evokes the time in question with the power of a novel as well as James Ellroy's *American Tabloid* and better by far than Don DeLillo's *Underworld*. In *Ready Steady Go*, Levy captures the spirit of the sixties in all its exuberance. A portrait of London from roughly 1961 to 1969, it chronicles the explosion of creativity in art, music and fashion, and the revolutions sexual, social and political that reshaped the world. Levy deftly blends the enthusiasm of a fan, the discerning eye of a social critic and a historian's objectivity as he recreates the hectic pace and daring experimentation of the times, from the utter transformation of rock n' roll by the Beatles and the Rolling Stones to the new aesthetics introduced by fashion designers like Mary Quant, haircutters like Vidal Sassoon, photographers like David Bailey, actors like Michael Caine and Terence Stamp, and filmmakers like Richard Lester and Nicolas Roeg, to the wild clothing shops and cutting edge clubs that made Carnaby Street and King's Road the hippest thoroughfares in the world. Spiced with the reminiscences of some of the leading icons of that period, their fans and followers, and featuring a photographic gallery of well-known faces and far-out fashions, *Ready Steady Go* is an irresistible re-creation of

T. Lhamon, 1998 Cain made the first blackface turn blackface minstrels liked to say of the first man forced to wander the world acting out his low place in life It wasn't the approved reading but then blackface wasn't the approved culture either yet somehow we're still dancing to its renegade tune The story of an insubordinate rebellious truly popular culture stretching from Jim Crow to hip hop is told for the first time in Raising Cain a provocative look at how the outcasts of official culture have made their own place in the world Unearthing a wealth of long buried plays and songs rethinking materials often deemed too troubling or lowly to handle and overturning cherished ideas about classics from Uncle Tom's Cabin to Benito Cereno to The Jazz Singer W T Lhamon Jr sets out a startlingly original history of blackface as a cultural ritual that for all its racist elements was ultimately liberating He shows that early blackface dating back to the 1830s put forward an interpretation of blackness as that which endured a commonly felt scorn and often outwitted it To follow the subsequent turns taken by the many forms of blackface is to pursue the way modern social shifts produce and disperse culture Raising Cain follows these forms as they prolong and adapt folk performance and popular rites for industrial commerce then project themselves into the rougher modes of postmodern life through such heirs of blackface as stand up comedy rock n roll talk TV and hip hop Formally raising Cain in its myriad variants blackface appears here as a racial project more radical even than
