

If I get one thing right in this parenting gig, I want my children to understand how their actions impact others. I want them to always think about what they can offer the world instead of what they can get from it. And I hope they always remember they are a part of something bigger than themselves.

The Porcelain Rose Patty Scott, 2016-07-30 Over the past few years we have come to broaden our definition of who can make up a couple It wasn't that long ago that mixed race couples were illegal in some states Today most people accept that love comes in many forms In her book *Porcelain Rose* author Patty Scott tells

Kiras story A difficult childhood led to marriage to Nevan She couldnt love him the way she felt she should and he couldnt love her as she wanted and expected There was something off but in the early 1970s some things just werent talked about Kiras reflection on her past adds insight to what could be wrong in her marriageand her life She had a difficult childhood with a father who was often absent And now in some ways she seemed to be reliving her mothers marriage Porcelain Rose is a reminder that sometimes there are no perfect solutions to difficult situations but God is always there for you He loves you completely Porcelain Rose is a story of a love that never dies Like the porcelain rose the love survived the social taboos and turmoil of the early 1970s Despite time so long apart and the social stigmas of the era the love survived the dark secret and it became an undefined love that defies definition Rockney Van Forsberg aka Rock aka Rocky **Working Mother** ,1994-01 The magazine that helps career moms balance their personal and professional lives Congressional Record United States. Congress,1999 *What Are You Living For?* Pat Williams,Jim Denney,2011-08-31 After speaking on teaching and influencing young people at a student gathering in Texas Pat Williams received an email from a high school coach who had heard his talk Coach McCall s email stated that every kid who s growing up is dying to live his life But as people get older instead of dying to live they start living to die His closing thought is What are you dying for Unable to escape this question Pat invites readers to ask themselves When my days on earth are over will I discover that I have wasted my life on meaningless things that have no lasting and eternal value Most people are living for four things fortune status power or pleasure But there are four far more meaningful and satisfying reasons for living and for dying These give purpose and value to our lives so that we can know our lives have eternal significance If you died tomorrow what would people say Starting with Jesus s statement that whoever wants to save his life will lose it but whoever loses his life for the gospel will save it Pat gives a powerful practical and encouraging plan for how to live a life that truly matters and to leave a legacy that never dies

The Human Being Hans Schwarz,2013-12-20 This overview of Christian anthropology by Hans Schwarz uniquely emphasizes three things 1 the biblical testimony 2 the historical unfolding of Christian anthropology through the centuries and 3 the present affirmation of Christian anthropology in view of rival options and current scientific evidence Schwarz begins by elucidating the special place occupied by human beings in the world then ponders the complex issue of human freedom and concludes by investigating humanity as a community of men and women in this world and in the world beyond While maintaining a strong biblical orientation Schwarz draws on a wide range of resources including philosophy and the natural sciences in order to map out what it means to be human Schwarz s Human Being will interest anyone who is concerned with how in the face of fascinating scientific insights we can intelligently talk today about human sinfulness human freedom and human beings as children of the God who created us
