Damaged, but Still Good Ramona Rodgers, 2019-12-02 Damaged but Still Good is a book that is revelatory in exemplifying that many of us as individuals whether good bad ugly or indifferent are shaped by our experiences as early as childhood Dexter Howard 2014 states That s what s missing as I look at the landscape of our society identity and much needed affirmation Mothers are designed to nurture but fathers provide identity and affirmation Without those things it leaves a hole in the heart of a child Parents don t realize that broken relationships not only affect the couple involved but it affects and shapes their children We are the sum total of our experiences And like a

flowing river those same experiences and those yet to come continue to influence and reshape the person we are and the person we become None of us are the same as we were yesterday nor will be tomorrow B J Neblett Oftentimes we ask the question Why do bad things happen to good people However we learn the best lessons and gain wisdom in the worst circumstances It is amid life challenges catastrophes and calamities that we understand that even when you have experienced great loss God can still use what you have left Life has taught me it s not what we go through that damages us but an unwillingness to forgive the process designed to work for our greater good The Bible says in Psalms 37 23 that the steps of a good man are ordered by the Lord Most of us believe that God is a God that only orders blessings However life has shown me that God does not just order blessings but God orders trials He orders setbacks and he orders challenges but in God s ordering he will never put on us more than what we can bear Three Wishes Beth Jones,Pamela Ferdinand,Carey Goldberg,2010-04-06 Carey Beth and Pam had succeeded at work but failed at romance and each resolved to have a baby before time ran out Just one problem no men Carey took the first bold step towards single motherhood searching anonymous donor banks until she found the perfect match What she found was not a father in a vial but a sort of magic potion She met a man fell in love and got pregnant the old fashioned way She passed the vials to Beth and it happened again Beth met man Beth got pregnant Beth passed the vials to Pam and the magic struck again There were setbacks and disappointments but three women became three families reveling in the shared joy of love friendship and never losing hope **More than a Miracle** Susan Smith,2020-09-10 More Than a Miracle is one woman s journey through life challenges such as being a divorced single working mother of three young boys surviving and coping with violent rape and facing life death struggles with major illnesses Susan Smith experienced a true miracle that would shape her determination to survive chemotherapy radiation a stem cell transplant for non Hodgkin s lymphoma major heart failure kidney failure and complicated back surgery This book is her story of survival and inspiration One night a voice resounded through her saying You have work to do She didn t know what it meant except it had delivered her from a death sentence As Susan s life continued she wondered if the work was simply to survive But as time went on she realized that her story inspired many people who told her she should write a book This book would be the catalyst for the work she needed to do to give people hope and inspiration Throughout the book Susan describes many things she relied on for survival Things like positive attitude common sense humor and developing creativity contributed to her determination to survive and tell her story **New York Magazine** ,1986-05-19 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
