Raising The Standard reclaiming Your World For God:

Raising the Standard Carman Walker, Carman, Walter Walker, 1994-03 Today whole ranks of everyday Christians are becoming heroes of the faith by standing against godlessness and winning in the fight against spiritual darkness *Raise Your Voice* Myles A. Rutherford, 2023-09-19 The Lord is calling His people to break their silence and proclaim the Gospel to everyone right now The Spirit of God is moving in people's hearts prompting them to speak out against the sins and atrocities in our world Speaking out comes with a cost It can be challenging unpopular and downright lonely You will be misunderstood But those who speak in God's voice find peace for being faithful to his call God has always looked for people who are willing to do what He needs done He takes those imperfect people and baptizes them with passion to do His will They cannot escape its clutches God wants to say something to you and through you He is looking for a trumpet the raised voices of His remnant are the sounds of revival Revival happens when repentance happens Repentance happens when people speak the heart of God God has voices ready to speak and bring revival to earth Are you one of them If you are looking for a way to unlock the words of God from deep in your soul this book is for you **Whitaker's Books in Print**, 1998 **Ancestral Whispers** Ben Stimpson, 2025-08-05 An Invaluable Resource for Connecting to Your Ancestors Presenting historical and cultural examples of ancestral veneration from around the world Ben Stimpson shows you how to build a strong healthy relationship with your ancestors He teaches the concepts and considerations of this important practice walks you through the ins and outs of ritual and shares profound insight on building community Ancestral Whispers provides exercises and journal prompts specially designed to help you develop an authentic living practice Stimpson reveals the various types of ancestors and discusses the physical elements of practice including sacred space objects of power and offerings He also encourages you to explore the elements of pilgrimage and reflect deeply on your own beliefs With this book you can create a legacy for current and future generations **American Standard**, 1924 **God's Vibes Matter** Juliana Page, 2017-04-07 Godly living demands spiritual maturity eliminating the static from your heart and obeying the voice of God But how do we overcome our erratic feelings and save our valuable energy How do we avoid the readily available senseless and harmful desires that so cleverly snare us into destruction Thankfully we have a fighting chance if we run after the faith we somehow wandered away from In **God's Vibes Matter** Reclaiming Your Spiritual Authority author and life coach Juliana Page shows how to have a heart fully surrendered to the transformative power of God's Spirit Juliana shares lessons about the everyday miracles that illuminate God's Spirit and she shows how these lessons along with insightful journal prompts will inspire Spirit seekers to look deeper into their own stories empowering them to prosper through Spirit led living For both spiritual seekers and on the fence believers the first step is to learn how to stop striving in their worldly searches and instead be guided by the one true source Jesus Christ This good fight of faith demands a different pursuit a pursuit of righteousness godliness faith love steadfastness and gentleness And while it may be a fight that Christians are unaccustomed to it can serve as the basis to connect with God and reveal his
