Raising A Spiritual Child A Jewish Perspective:

Raising a Spiritual Child Stephanie Hubert Schneider, 2000 Parents and grandparents have the important task of giving their children a spiritual foundation for life Raising a Spiritual Child A Jewish Perspective gives parents the tools they need to guide their children along this path to a personal faith Based on five years of research with hundreds of adults and young people Dr Schneider shows parents of preschoolers through teens how to match a child's interests to one of four personal approaches to faith An easy to use questionnaire and numerous examples provide step by step guidance to parents while hundreds of resources give concrete ideas for each age group Parents get help too included are tools to help parents fortify their own spirituality even as they nurture their children's faith Book jacket **Jewish Spiritual Parenting** Rabbi Paul J. Kipnes, Michelle November, MSSW, 2015-08-21 Spiritually nourishing approaches to help you become more insightful inspired parents and raise soulfully engaged children Kipnes and November share their hard won parenting techniques and spirit filled activities rituals and prayers to help you cultivate strong Jewish values and cherished spiritual memories in your own family Raising a Child with Soul Slovie Jungreis-Wolff, 2025-08-22 With the seemingly insurmountable pressures placed on families today many parents lack the spiritual foundation and practical knowledge to chart a clear cut course in child rearing Parents question whether nurturing their children's souls is even possible in the fast paced materialistic culture in which we live Utilizing the insight that springs from her knowledge of Torah wisdom her personal experiences and the experiences of those she has counseled Slovie Jungreis Wolff a longtime parenting coach and advisor to young couples and families teaches in detail how to approach the entire gamut of issues with a special emphasis on strengthening the child's morality and character Parents will learn how to Instill simchas hachayim true joy in their children Value chessed kindness in a self absorbed world Create a mikdash me at a home filled with calm and reflection Teach children gratitude and appreciation And much more From discipline to sibling rivalry to effective communication skills Raising a Child with Soul offers unique concepts and pragmatic ideas that can be understood and applied to both Jewish and non Jewish households Jewish-gentile Couples Enoch Yee-nock Wan, Tuvia Zaretsky, 2004 *The Oxford Handbook of Religious Perspectives on Reproductive Ethics* Davis, 2023 As I write this introduction the third season of the Israeli series Schtisel has arrived on Netflix eagerly awaited by viewers around the world who would never have imagined how caught up they would get by this family drama of four generations of ultra Orthodox Jews living in Jerusalem One episode focuses on Ruchami and Hanina a young couple who have been married for five years but without children It turns out that pregnancy and childbirth would threaten Ruchami's life She is using an IUD but she keeps threatening to have it removed risking her life to become a mother Finally with great reluctance Hanina visits the rebbe the spiritual authority in their community to discuss the possibility of using a surrogate They are says the rebbe caught between two non ideal situations surrogacy normally forbidden is non ideal but so is Ruchami's unhappiness and the possibility that she might go ahead and take the risk which is also forbidden

Jewish on Their Own Terms Jennifer A. Thompson, 2013-12-19 Over half of all American Jewish children are being raised by intermarried parents This demographic group will have a tremendous impact on American Judaism as it is lived and practiced in the coming decades To date however in both academic studies about Judaism and in the popular imagination such children and their parents remain marginal Jennifer A Thompson takes a different approach In *Jewish on Their Own Terms* she tells the stories of intermarried couples the rabbis and other Jewish educators who work with them and the conflicting public conversations about intermarriage among American Jews Thompson notes that in the dominant Jewish cultural narrative intermarriage symbolizes individualism and assimilation Talking about intermarriage allows American Jews to discuss their anxieties about remaining distinctively Jewish despite their success in assimilating into American culture In contrast Thompson uses ethnography to describe the compelling concerns of all of these parties and places their anxieties firmly within the context of American religious culture and morality She explains how American and traditional Jewish gender roles converge to put non Jewish women in charge of raising Jewish children Interfaith couples are like other Americans in often harboring contradictory notions of individual autonomy universal religious truths and obligations to family and history Focusing on the lived experiences of these families *Jewish on Their Own Terms* provides a complex and insightful portrait of intermarried couples and the new forms of American Judaism that they are constructing

American Jewish Year Book 2017 Arnold Dashefsky, Ira M. Sheskin, 2018-01-31 The American Jewish Year Book now in its 117th year is the annual record of the North American Jewish communities and provides insight into their major trends The first chapter of Part I is an examination of how American Jews fit into the US religious landscape based on Pew Research Center studies The second chapter examines intermarriage Chapters on The Domestic Arena and The International Arena analyze the year's events as they affect American Jewish communal and political affairs Three chapters analyze the demography and geography of the US Canada and world Jewish populations Part II provides lists of Jewish institutions including federations community centers social service agencies national organizations synagogues Hillels day schools camps museums and Israeli consulates The final chapters present national and local Jewish periodicals and broadcast media academic resources including Jewish Studies programs books journals articles websites and research libraries and lists of major events in the past year Jewish honorees and obituaries

The Jgirl's Guide Penina Villenchik Adelman, Ali Feldman, Shulamit Reinharz, 2005 The JGirls Guide is an inspirational interactive book designed to help pre teen Jewish girls address the spiritual educational and psychological issues surrounding coming of age in today's society Topics include Ideals of beauty Friendship Sexuality Dealing with parents Attitudes toward eating Coping with stress and identity

The New Jewish Baby Book Anita Diamant, 2005 The practical inspiring guide for all Jewish people expecting a baby Expanded updated and revised A complete resource to the traditions and rituals for welcoming a new child to the world and into the Jewish community and for commemorating this joyous event in family life whatever your family constellation Provides ceremonies you can copy for

handouts so that guests are an even greater part of the experience Special section for interfaith families helps make the celebrations inclusive comfortable and joyous for all Ceremonies for girls as well as for boys Drawn from the wealth of mythic historic religious culinary and literary traditions that surround the arrival of a new Jewish baby and informed by contemporary insight and practice The New Jewish Baby Book describes the many ways that new parents can celebrate the arrival of a child the newest member of your extended families and a unique and precious chapter in the on going saga of the Jewish people from the Introduction

Jews and Judaism in The New York Times Christopher Vecsey,2013-07-18 In a recent book Following 9 11 Religion Coverage in the New York Times Christopher Vecsey examines journalistic definitions of religion before and especially after the terrible events of September 11 2001 Here he explores Times portrayals of the cumulative religious tradition called Judaism embodied by peoples who have called themselves Jews from antiquity to modernity throughout the world and especially in the United States where a plurality of Jews live today and where the Times is published To understand Judaism today is to fathom its diverse texts beliefs rituals ethics and institutions the contemporary concerns of Jews and the relationships not only among Jews but also between Jews and gentiles and the continuing impact of anti Semitism upon Jewish life Since the 1940s Jews and Judaism have been profoundly affected by the horrific course of the Holocaust and by the formation of Israel as a Jewish nation state These have been the major themes in the Times treatment of Judaism chronicled in thousands of articles Like an insider to Jewish tradition the paper recounts favorite holy day recipes and tales of survival and travail in a multi national and assimilative world In so doing however the paper probes not only concurrence within Judaism but more tellingly a complex multi cultural at odds with itself Jewishness Rather than thinking of the Times as a mouthpiece for Jewish interests it is far more accurate to say that the Times has analyzed like an outsider the paradoxes the tensions and the culture wars in contemporary Jewish existence in order to define pluralistic Judaism as a political cultural religious entity The Times treats Judaism humanistically showing that it is the Jewish people who are most important to Judaism not merely the texts the theology or the institutions The paper works from perspectival Talmudic principles reporting multiple viewpoints in the circle of Jewish faith observance contestation and disbelief constantly questioning all sources as an observant instrument of inquiry into Jewish existence to expose Judaism s points of conflict as well as its areas of consensus

Shiksa Christine Benvenuto,2004-03-18 She is feared and desired She is the symbol of a family s failure and a culture s dissolution She is a courageous ally a loyal fellow traveler and a mother struggling for the survival of the same family and culture whose destruction she supposedly seeks The gentile woman has been all these things and more to the Jewish people Her almost mythic status has its roots in the dawn of Jewish history and repercussions that extend beyond our own time to shape the Jewish future It also entails more baggage than any woman could possibly hope to carry Shiksa The Gentile Woman in the Jewish World unpacks that baggage Shiksa tells the stories of gentile women and women converts living in the Jewish community today sharing insights from rabbis Jewish feminists

educators and therapists The book explores relationships between Jewish and gentile women particularly Jewish mothers and their gentile daughters in law as well as those between Jewish men and gentile women And it looks at some of the fascinating Biblical figures whose stories startle with their relevance to today s most intimate issues of Jewish identity At a time when the Jewish community is rife with concern over intermarriage Shiksa offers a fearless examination of the gentile and converted women residing within its gates occupying embattled yet permanent places as partners daughters sisters mothers friends

Better Health through Spiritual Practices Dean D. VonDras Ph.D.,2017-08-18 An in depth examination of religious practices around the world and the fascinating science behind how they make us healthier Many religious and spiritual beliefs promote wellness through their practices or stated objectives for example focusing on simple living having compassion for others vegetarianism or meditation and mindfulness This refreshing work provides a review of the world s spiritual perspectives and traditions and explores how their guiding principles encourage healthy lifestyle choices An examination of religious and nonreligious perspectives from around the world from atheism Confucianism and Christianity to Islam Judaism Shamanism and Zoroastrianism reveals how faith beliefs and values influence behavior and inspire healthy living With contributions from leading international scholars the chapters include a discussion of Eastern and Western world religions and their practices such as fasting or the avoidance of alcohol and tobacco and how they may foster healthfulness A contemporary analysis of current research findings suggests possible interventions that individuals and health providers may utilize to enhance healthfulness A final chapter explores the connection between health illness and religious and nonreligious perspectives

Gates of Mitzvah Simeon J. Maslin,1979 This comprehensive guide to Jewish observance throughout the life cycle is the best introduction to Reform Jewish practice available

Jews and Judaism in the 21st Century Edward Feinstein,2007 Celebrate the prospects for Judaism in a new century Join in as five celebrated thinkers reset the Jewish clock for a renewed Jewish future As communal leaders and rabbinic teachers these five rabbis are witnesses to the cataclysmic history of twentieth century Jewrythe experience of a community split and torn the internal brokenness of Jewish community life and the narrowness of Jewish vision In this inspiring book they present their ideas for repairing this breach in Jewish time and for shaping Jewish life in the coming century Together they reflect on pluralism in the Jewish community the new spirituality the meaning of the Holocaust and the State of Israel and their hope for the revival of Jewish life

B'nai B'rith Magazine ,1925

Putting God on the Guest List, Third Edition Jeffrey K. Salkin,2005 PMA Best Religion Book of the Year The inspiring guide to spiritual celebration used in hundreds of congregations Reform Conservative Reconstructionist revised and expanded Parents and their children acutely feel the social pressures that surround bar and bat mitzvah But they want to feel the spiritual promise of the event the pull of the divine and the knowledge that they are participating in an event that has meaning both in the ancient past and in the very immediate present They want to know that the steep incline before them is their family s own version of Sinai the summit where in every generation Jews meet God individually and as a people

They want to know that bar and bat mitzvah can be a path to that summit And they want to know how to get there This book can be their guide from Why This Book Was Born Helps people find core spiritual values in American Jewry s most misunderstood ceremony bar and bat mitzvah In a joining of explanation instruction and inspiration Rabbi Salkin helps both parent and child truly be there when the moment of Sinai is recreated in their lives Rabbi Salkin asks and answers questions that make parents and children more comfortable with the event and able to experience it more joyfully How did bar and bat mitzvah originate What is the lasting significance of the event What are the ethics of celebration What specific things can you do to reclaim the spiritual meaning of the event How to further develop spirituality What spiritual values can parents and young people build together To help guide friends and family who are not Jewish through this important Jewish life cycle event Rabbi Salkin provides a brief welcoming overview What Non Jews Should Know About the Bar and Bat Mitzvah Service

Renewing the Process of Creation Bradley Shavit Artson,2015-09-21 In this daring blend of Jewish theology science and Process Thought theologian Rabbi Bradley Shavit Artson explores our actions through Judaism and the sciences as dynamically interactive and mutually informative

Applied Jewish Values in Social Sciences and Psychology Michael Ben-Avie,Yossi Ives,Kate Loewenthal,2015-12-01 This volume interweaves concepts and methods from psychology and other social sciences with Jewish ideas and practices in order to address contemporary social issues This volume brings together pioneering research from scholars in such fields as psychology education and religious studies The authors integrate insights from Jewish texts and practices with the methods and concepts of the social sciences to create interventions that promote the well being of children adults families communities and society Divided into three sections Education Psychological Well Being Society and Beyond this book shows how this integrationist approach can deepen our understanding and generate new insights around pressing social challenges to impact positive change in the lives of people and communities

Feminist Perspectives on Jewish Studies Shelly Tenenbaum,1994-01-01 This work evaluates the development of feminist scholarship within Jewish studies Scholars in biblical studies rabbinics theology history anthropology philosophy and film studies assess the state of knowledge about women in these fields and how they have affected the mainstream

[The SAGE Encyclopedia of Trans Studies](#) Abbie E. Goldberg,Genny Beemyn,2021-02-26 Transgender studies broadly defined has become increasingly prominent as a field of study over the past several decades particularly in the last ten years The experiences and rights of trans people have also increasingly become the subject of news coverage such as the ability of trans people to access restrooms their participation in the military the issuing of driver s licenses that allow a third gender option the growing visibility of nonbinary trans teens the denial of gender affirming health care to trans youth and the media s misgendering of trans actors With more and more trans people being open about their gender identities doctors nurses psychologists social workers counselors educators higher education administrators student affairs personnel and others are increasingly working with trans individuals who are out But many professionals have little formal training or awareness of

the life experiences and needs of the trans population This can seriously interfere with open communications between trans people and service providers and can negatively impact trans people s health outcomes and well being as well as interfere with their educational and career success and advancement Having an authoritative academic resource like The SAGE Encyclopedia of Trans Studies can go a long way toward correcting misconceptions and providing information that is otherwise not readily available This encyclopedia featuring more than 300 well researched articles takes an interdisciplinary and intersectional approach to trans studies Entries address a wide range of topics from broad concepts e g the criminal justice system activism mental health to specific subjects e g the trans pride flag the Informed Consent Model voice therapy to key historical figures events and organizations e g Lili Elbe the Stonewall Riots Black Lives Matter Entries focus on diverse lives identities and contexts including the experiences of trans people in different racial religious and sexual communities in the United States and the variety of ways that gender is expressed in other countries Among the fields of studies covered are psychology sociology history family studies K 12 and higher education law political science medicine economics literature popular culture the media and sports
