Decoding Boys Cara Natterson, 2021-02-09 If you're raising a boy, you need this brilliant book. It is clear, wise, and eye-opening. Lisa Damour, Ph.D., author of *Untangled*. When boys enter puberty, they tend to get quiet or at least quieter than before, and parents often misread their signals. Here's how to navigate their retreat and steer them through this confusing passage. By the bestselling author of *The Care and Keeping of You* series and *Guy Stuff: The Body Book for Boys*. What is my son doing behind his constantly closed door? What's with his curt responses, impulsiveness, newfound obsession with gaming, and that funky smell? As pediatrician and mother of two teenagers, Cara Natterson explains puberty starts in boys long before any visible signs appear, and that causes confusion about their changing temperaments for boys and parents alike. Often they also grow quieter as they grow taller, which leads to less parent-child communication. But as Natterson warns in *Decoding Boys*, we respect their increasing need for privacy, monosyllabic conversations, and alone time at their peril. Explaining how modern culture mixes badly with male adolescent biology, Natterson offers science, strategies, scripts, and tips for getting it right: recognizing the first signs of puberty and talking to our sons about the wide range of normal through the whole developmental process, why teenagers make irrational decisions even though they look mature, and how to steer them toward

better choices managing video game and screen time including discussing the unrealistic and dangerous nature of pornography why boys need emotional and physical contact with parents and how to give it in ways they'll accept how to prepare boys to resist both old and new social pressures drugs alcohol vaping and sexting teaching consent and sensitivity in the MeToo culture *Decoding Boys* is a powerful and validating lifeline a book that will help today's parents keep their sons safe healthy and resilient as well as ensure they will become emotionally secure young men Praise for *Decoding Boys* Comforting a common sensical and gently humorous exploration of male puberty's many trials Kirkus Reviews

How to Raise Boys Eva Delano, 2015-07-01 Parents always want what is best for their children However raising boys can be a daunting and exhausting task This is because unlike girls boys are more likely to drop out of school indulge in drug abuse commit suicide become part of crime gangs and commit numerous other vices These probabilities are worrying and serve to remind parents that the boy child is highly vulnerable Perhaps this is why most parents will agree that raising boys in the right way to help them mature and become strong clever and happy men is more demanding

Raising Boys to Be Good Men Aaron Gouveia, 2020-06-16 If you are the parent of a boy this is the book you need insightful enlightened practical Peggy Orenstein New York Times bestselling author of *Boys* it's vital if we want a generation of men who can express their emotions respect women and help nurse society back to a halfway healthy place We can reframe manhood From Aaron Gouveia who gained viral fame after tweeting his support for his son's painted fingernails and who knows toxic masculinity very well learn practical and actionable tips such as Don't accept different standards for moms and dads Teach boys that girl is not an insult and retire phrases like boys will be boys Show boys that expressing their emotions and being physical is a good thing Let boys pursue nontraditional interests and hobbies Talk to boys about consent and privilege Model healthy and respectful relationships for boys to emulate Penned with equal parts humor biting snark and lived advice *Raising Boys to Be Good Men* is the essential parenting guide for raising sons to realize their potential outside the box

Raising Boys Into Extraordinary Young Men Monica Hawkins Ph.D. M.P.H., 2018-05-13 For years numerous parents teachers and coaches asked what I was doing special to raise my son This book is my blueprint that I used to raise my son to be an articulate self-confident intelligent and extraordinary young man and leader I want to inspire other parents to raise their sons with similar attributes to my son who was taught to be extraordinary from the moment he was born Dr Hawkins author of Raising Boys Into Extraordinary Young Men and Raising Girls Into Extraordinary Young Women is interviewed by the AuthorHouse Author's Digest Dr Hawkins discussed raising extraordinary children and becoming phenomenal parents Read the interview here <https://www.authorhouse.net/author/blogs/dr-monica-hawkins-raising-extraordinary-children> Dr Hawkins author of Raising Boys Into Extraordinary Young Men and Raising Girls Into Extraordinary Young Women is interviewed by Stephanie Gaines Bryant on the Sisters4Fitness Wellness Show Dr Hawkins discussed parenting techniques that can help you raise successful sons and

daughters Watch the interview here <https://www.youtube.com/watch?v=eiC4yL7sTCM> **Speaking of Boys** Michael Thompson, PhD, Teresa Barker, 2009-04-23 My eight year old son is the only boy in his class who doesn't have a Gameboy I don't want him to be ostracized for not having one but I worry that it's addictive What do you think Our two sons are eleven and fourteen and they are fiercely competitive The tension around our house is awful How can we help them get along better We've worked very hard to keep our ten year old son in touch with his feelings Sometimes it seems as if we've put him at a disadvantage surrounded by tougher boys who can be pretty cruel with teasing How can we help him protect himself when other boys start to tease With his bestselling book *Raising Cain* Michael Thompson Ph.D. at last broke the silence surrounding the emotional life of boys and spearheaded an important national debate His warmth and humor quickly made him a popular and respected international speaker and consultant Now he directs his authority insight and eloquence to answering your questions about raising a son With candid questions and thoughtful detailed responses *Speaking of Boys* covers hot button topics such as peer pressure ADHD ADD and body image as well as traditional issues such as friendship divorce and college and career development This perceptive informative and passionate book will leave you not only with useful practical advice but also with the comforting knowledge that other parents share the same concerns you do when it comes to raising our boys into well adjusted responsible men *Raising Boys With ADHD* James W. Forgan, Mary Anne Richey, 2021-09-03 Written by two professionals who have been there and done that with their own sons with ADHD *Raising Boys With ADHD* empowers parents to help their sons with ADHD find success in school and beyond The book covers topics not often found in other parenting guides such as the preschool years and early diagnosis and strategies for teens transitioning to work and college Filled with practical knowledge resources and tools needed to help parents address the many strengths and challenges of boys with ADHD this book provides parents with encouragement and hope for the future **The Complete Idiot's Guide to Raising Boys** Laurie A. Helgoe, Barron M. Helgoe, 2008 Ever since the publication of *Raising Cain* Protecting the Emotional Life of Boys in hardcover in 1999 parents and the public have been aware that adolescent boys were at risk just as much as their sisters If Ophelia needed to be revived Hamlet also needed protection from the culture of cruelty in which young boys found themselves And as more care was taken to support the dreams and aspirations of young women we sometimes find that their brothers are floundering with recent statistics revealing that the so called disadvantaged girls are actually attending and graduating from colleges in greater numbers than boys *The Complete Idiot's Guide to Raising Boys* takes readers from the birth of their sons to the day they head off to college Raising sons isn't all bleak news in fact it can be joyous and exhilarating for both moms and dads and this book is as much an appreciation as it is a hands on parenting guide In warm wise words the husband and wife authors parents of two sons themselves explore all that is different and the same precious and at times irritating about the boys in their lives
