of venture creation and management from writing a business plan to financing people management marketing and social impact measurement Social Entrepreneurship uses real life examples and sources to expose students to contemporary developments in the field encouraging them to think critically about the issues faced by social ventures across the globe and experiential exercises and assignments are included to provide students with hands on experience in creating and managing their own social ventures Also containing review and application questions illustrative cases definitions of key terms and a comprehensive companion website Social Entrepreneurship is the essential guide to this rapidly emerging field Visit the companion website at [www.routledge.com/cw/beugre](http://www.routledge.com/cw/beugre) to find For Instructors PowerPoint slides Multiple choice questions For Students Extra illustrative cases Web links Links to video

*Saving the American Dream* Louis Hernandez Jr.,2012-03-12

*Saving the American Dream* is a provocative and thoughtful account of how our nations ideals of equality and the pursuit of happiness emerged as an inspiration and a beacon of hope for the entire world and how politicians Wall Street and our own sense of entitlement have gradually eroded this Dream to the point of endangering Americas preeminence In this fascinating and informative book Louis Hernandez Jr explores the origins evolution and economic underpinnings of the American Dream detailing how key government policies over facilitated the Dreams attainment weakened the will of the American people and drove us inexorably toward the 2007 financial crisis He shows how policies put in place after the crisis not only failed to address the core problems America faces but created a growing disconnect between Wall Street and Main Street that has made things far worse The book examines how our myopic political focus on Too Big to Fail institutions has threatened the most crucial pillars of the American Dream our small businesses and the community banks and credit unions that support them and sabotaged their ability to support job growth and responsible financial services for families and local communities
