The Larder John T. Edge, Elizabeth S. D. Engelhardt, Ted Ownby, 2013 This edited collection presents articles in southern food studies by a range of writers from established scholars like Psyche Williams Forson to emerging scholars like Rien Fertel All are chosen for a combination of accessible writing and solid scholarship and offer stories and historical details that add to our understanding of the complexities of southern food and foodways The editors have chosen to organize the collection by methodology in part in order to escape what reader Belasco calls the tradition inventing nostalgic approach of so many books about regional foodways They also aim to advance the field by presenting articles that represent a range of tools and methodologies from disciplines such as history geography social sciences American studies gender studies literary theory visual and aural studies cultural studies and technology studies that make up the amazingly multifaceted world of academic food studies in hopes that this structure can help further a conversation about best practices

The American Century Cookbook Jean Anderson, 1997 For the past ten years Jean Anderson has been on a quest to search out the most popular recipes of the 20th century and to chronicle 100 years of culinary change in America The result is a rich and fascinating look at where we've been at the recipes our mothers and grandmothers loved and at how our own tastes have evolved The more than 500 cherished recipes in these pages are mainstays of American home cooking the recipes that have remained favorites year after year For the smallest sampling California dip Buffalo chicken wings vichyssoise tuna noodle casserole Swiss steak frosted meat loaf tamale pie corn dogs lobster rolls classic green bean bake perfection salad green goddess salad frozen fruit salad chiffon cake brownies chocolate chip cookies chocolate decadence Beyond this collection is Jean's exploration of the diversity of our nation's cuisine and our adoption of such foreign dishes as pizza gazpacho lasagne moussaka and tarte tatin Her painstakingly researched text includes extensive headnotes thumbnail profiles of important people and products from Fannie Farmer to James Beard and from electric refrigerators to the microwave and a timeline of major 20th century food firsts In recording popular recipes that might have been lost in setting them in richly detailed historical context Jean Anderson has written her masterwork The American Century Cookbook may well be the most important new cookbook of the decade it is certainly the book America will love

Taste the State Kevin Mitchell, David S. Shields, 2021-10-12 Bitter Southerner 2022 Summer Reading pick Garden historical receipts and modern recipes including Chef Mitchell's distillation of traditions in Hoppin John fritters okra and crab stew and more Because Carolina cookery combines ingredients and cooking techniques of three greatly divergent cultural traditions there is more than a little novelty and variety in the food In Taste the State Mitchell and Shields celebrate the contributions of Native Americans hominy grits squashes and beans the Gullah Geechee field peas okra guinea squash rice and sorghum and European settlers garden vegetables grains pigs and cattle in the mixture of ingredients and techniques that would become Carolina cooking They also explore the specialties of every region the famous rice and seafood

dishes of the lowcountry the Pee Dee s catfish and pinebark stews the smothered cabbage pumpkin chips and mustard based barbecue of the Dutch Fork and Orangeburg the red chicken stew of the midlands and the chestnuts chinquapins and corn bread recipes of mountain upstate Taste the State presents the cultural histories of native ingredients and showcases the evolution of the dishes and the variety of preparations that have emerged Here you will find true Carolina cooking in all of its cultural depth historical vividness and sumptuous splendor from the plain home cooking of sweet potato pone to Lady Baltimore cake worthy of a Charleston society banquet

Resources in Education ,1991 [Boardinghouse Women](#) Elizabeth S. D. Engelhardt,2023-11-14 In this innovative and insightful book Elizabeth Engelhardt argues that modern American food business caretaking politics sex travel writing and restaurants all owe a debt to boardinghouse women in the South From the eighteenth century well into the twentieth entrepreneurial women ran boardinghouses throughout the South some also carried the institution to far flung places like California New York and London Owned and operated by Black Jewish Native American and white women rich and poor immigrant and native born these lodgings were often hubs of business innovation and engines of financial independence for their owners Within their walls boardinghouse residents and owners developed the region s earliest printed cookbooks created space for making music and writing literary works formed ad hoc communities of support tested boundaries of race and sexuality and more Engelhardt draws on a vast archive to recover boardinghouse women s stories revealing what happened in the kitchens bedrooms hallways back stairs and front porches as well as behind closed doors legacies still with us today
