doing with their lives and how each has changed from what they were then before the letters and what they are now after the letters

**Topical Bible Studies** David Lendway, 2019-08-20 This book is Volume 3 of three volumes and contains a different collection of Bible topics than each of the other two volumes These topics like the previous topics in the other two volumes will also allow the reader to easily identify and with little or no effort on their part to commit to memory exactly what God expects of them from within HIS written Word Although this will not necessarily bring about the reader's ability to remember precisely where each of these topics appears in the Bible's book chapter and verse it will after reading enough of these topics make their daily Bible reading much easier and so much more enjoyable due to their new found understanding The reader will also discover when studying topic by topic they will remember the subject matter much better than when these particular subjects flew by them at lightning speed while reading along in their Bible These self contained Bible studies work for everyone It doesn't matter where one stands in their faith or how much they know about the Bible these studies will work For those who are well rooted in the Word these studies will work for them as a review those who own an average understanding of God's Word will be able to use these studies not only as a review but also for learning something that God has said and they had previously missed Those who know very little about the Word of God will be able to learn a great deal from these topical studies since they are self contained and require no explanation because all commentary is backed up with book chapter and verse from the inspired Word of God Those who know nothing about the Word and are seeking to learn about God the Father God the Son God the Holy Spirit their salvation and the existence of this spiritual world they have heard so much about will now be able to learn straight from His Word right in the comfort of their living room whatever it is they want to know

**Awake, Awake** Dvora Lederman-Daniely, 2022-09-14 Awake Awake uncovers the subversive rebellious and powerful voice of the women of the Jewish tradition Yael and Deborah Hannah Ruth Miriam Tzipora Sarah and the heroine of Song of Songs earthly and

divine women creators midwives warriors priestesses and prophetesses all are women whose voices have been silenced erased and distorted in the traditional canonic stories and interpretations The book exposes a covert and encrypted level of teeming subversive female voices which have outlived the processes of blurring and deletion The presence of this subversive stance in the stories of our ancestral mothers is like a knock on an inner door that evokes a deep ancient and vital memory Once we meet the stories again and experience the intensity of the fury and protest of our mothers as well as their passionate desire and fiery boldness we realize how much they can serve as a liberating anchor and a basis of power for the female readers who encounter the ancient stories of their religion with a renewed reading When we dare to wake up to challenge and undermine the exclusivity of the patriarchal ancestral heritage we find again in the depths of its womb the gifts and treasures of the maternal heritage

on a higher plane their journey usually took them into the lower valley The lower valley was different in terrain and people but every bit as beautiful as the tranquil high places to which Dadisi was accustomed His youth and vigor naively gives him a false sense of security that allows his curiosity to rule He is unaware that the people of the lower valley are used to seeing the runaway rams and that most do not return to the higher plane They are fully aware of what prevents them but they cannot interfere He s unaware of the predators who await him and look forward to his coming due to his curiosity in the lower valley He s also unaware that from the moment he left the higher plane he was observed and followed by a higher source Dadisi like all the others is unaware that their decision to run away to the lower valley was one of life and death About the Author Floyd Jackson was born in the Charity Hospital in New Orleans Louisiana in 1955 the oldest of six children To him his life has been anything but successful but he knows as he looks back he s had all the opportunities to be successful Jackson acknowledges and takes full responsibility for his past and likewise for his future He has envisioned himself as a writer since he was a child but he never did the things to make his vision come true Dadisi The Young Ram Illustrated is a reflection of himself and he plans to use this small book as a springboard to tell all children about the glowing berry bush that he depicts in my book Yes Jackson fell victim to drugs the glowing berry bush and he feels special to have survived but not without many losses and he feels compelled to fight against recreational drugs So Dadisi The Young Ram Illustrated was created and it will be the vessel in which he uses to write about many other subjects It s the beginning of Jackson s passion to write Jackson is a person who accidentally fell off a horse and consciously chose to remount and ride successfully to his destination of success     *Every Man's Bible NIV, Deluxe Journeyman Edition* Tyndale,2018-05-08 The Bible for every battle every man faces This is a man s type of Bible straight talk about the challenges of life Every Man s Bible has thousands of notes on topics from work sex and competition to integrity and more and trusted advice from the pros just for men Every Man s Bible is written by the best selling author of the Every Man s series Steve Arterburn Features New International Version text Book introductions and 44 charts Study Notes Help you gain a better perspective on a particular verse or passage Men Women and God This feature focuses on two of the most important relationships in every man s life his relationship with God and his relationships with women Someone You Should Know Profiles of men in the Bible and what their lives can teach us about the importance of faith in our own lives What the Bible Says About Gives insight into the Bible s vital message on all kinds of topics for daily living Perspectives Glean bits of information from great men who have lived through many of the same issues and struggles that you face Personal Gold Sound advice from the pros Henry Blackaby Stuart Briscoe Tony Evans David Jeremiah Gordon MacDonald Bill McCartney J I Packer Joseph Stowell and Chuck Swindoll
