I did not do so because I had been treated unkindly at home. On the contrary, I left behind me a fond and indulgent father, a kind and gentle mother, sisters and brothers who loved me and who lamented for me long after I was gone. But no one had more cause to regret this act of filial disobedience than I myself. I soon repented of what I had done and often in after life did it give me pain when I reflected upon the pain which I had caused to my kindred and friends. From my earliest years I had a longing for the sea, perhaps not so much to be a sailor as to travel over the great ocean and behold its wonders. This longing seemed to be part of my nature for my parents gave no encouragement to such a disposition. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Captain Reid wrote many adventure novels akin to those written by Frederick Marryat and Robert Louis Stevenson. These novels contain action that takes place primarily in untamed settings: the American West, Mexico, South Africa, the Himalayas, and Jamaica. Reid had his first poem published in Godey's Lady's Book under the pseudonym A Poor Scholar. Books such as *The Young Voyagers* (1853) had great popularity, especially with boys. He was also very popular around the world; his tales of the American West captivated children everywhere, including Europe and Russia. Among his books, many of which were popular in translation in Poland and Russia, were *The Rifle Rangers* (1850), *Scalp Hunters* (1851), *Boy Hunters* (1853), and *War Trail*.
