comprehensive history of movies made in Montana heavily illustrated with B W photos *Devouring Time* Todd Goddard, 2025-11-04 Devouring Time is the definitive biography of Jim Harrison one of America s most beloved writers and a penetrating deep dive into the life of the talent behind Legends of the Fall Dalva and True North Jim Harrison 1937 2016 was widely considered one of the finest voices of his generation His twenty one books of fiction and fourteen books of poetry influenced a generation of writers Harrison helped to shape the course of contemporary American literature revitalizing in particular the novella form of which he was a recognized master Harrison s literary achievements were matched only by the literary persona that he cultivated during a fecund time in American letters and in the company of a remarkable cohort of friends writers actors and artists including Thomas McGuane Peter Matthiessen Jimmy Buffett and Jack Nicholson His articles for such magazines as Sports Illustrated Playboy Esquire and Outside in the 1970s won him a loyal readership who reveled in his high spirits and prodigious appetites For all his notoriety as a writer of prose however poetry remained his first and longest abiding love He cherished his geographic remoteness from what he called the dream coasts of New York City and Los Angeles preferring to hunt fish and drink in the backwoods bars of Michigan Arizona and Montana Based on more than one hundred original interviews and drawing upon Harrison s collected papers Devouring Time is the first and only literary biography of this beloved author whose playful irreverent and spiritual work continues to find and delight new readers

The Sagebrush Trail Richard Aquila, 2015-04-16 The Sagebrush Trail is a history of Western movies but also a history of twentieth century America Richard Aquila s fast paced narrative covers both the silent and sound eras and includes classic westerns such as Stagecoach A Fistful of Dollars and Unforgiven as well as B Westerns that starred film cowboys like Tom Mix Gene Autry and Hopalong Cassidy The book is divided into three parts Part 1 traces the birth and growth of Westerns from 1900 through the end of World War II Part 2 focuses on a transitional period in Western movie history during the two decades following World War II Finally part 3 shows how Western movies reflected the rapid political social and cultural changes that transformed America in the 1960s and the last decades of the twentieth century The Sagebrush Trail explains how Westerns evolved throughout the twentieth century in response to changing times and it provides new evidence and fresh interpretations about both Westerns and American history These films offer perspectives on the past that historians

might otherwise miss They reveal how Americans reacted to political and social movements war and cultural change The result is the definitive story of Western movies which contributes to our understanding of not just movie history but also the mythic West and American history Because of its subject matter and unique approach that blends movies and history The Sagebrush Trail should appeal to anyone interested in Western movies pop culture the American West and recent American history and culture The mythic West beckons but eludes Yet glimpses of its utopian potential can always be found even if just for a few hours in the realm of Western movies There on the silver screen the mythic West continues to ride tall in the saddle along a sagebrush trail that reveals valuable clues about American life and thought Dennis Schaefer, Larry Salvato, 1985-12-23 Fifteen top cinematographers discuss their approaches to filmmaking the films on which they have worked and the techniques they have used to solve specific problems *Montana Entertainers: Famous and Almost Forgotten* Brian D'Ambrosio, 2019 Treasure State stars Gary Cooper and Myrna Loy found unparalleled success during the Golden Age of Hollywood For more than a century Montana has supplied a rich vein of entertainment and personality from daredevils to dancers and even mimes Born in Miles City in 1895 comedian Gilbert Pee Wee Holmes played sidekick to such stars as Tom Mix One time Butte resident Julian Eltinge went on to become America's first famous female impersonator There was Taylor Gordon whose golden voice propelled the son of a slave from White Sulphur Springs to Harlem Renaissance fame From the little known Robyn Adair to the ever popular Michelle Williams author Brian D'Ambrosio marks Big Sky Country's long standing connections with America's performing arts **Warren Oates** Susan A. Compo, 2009-04-17 Though he never reached the lead actor status he labored so relentlessly to achieve Warren Oates 1928-1982 is one of the most memorable and skilled character actors of the 1970s With his rugged looks and measured demeanor Oates crafted complex characters who were at once brazen and thoughtful wild and subdued Friends remember the hard living hard drinking actor as kind and caring but also sometimes as mean as a blue eyed devil Married four times partial to road trips in his RV affectionately known as the Roach Coach and famous for performances for directors ranging from Sam Peckinpah to Steven Spielberg Warren Oates remained a Hollywood outsider perfectly suited to the 1960s and 1970s counterculture Born in the small town of Depoy in rural western Kentucky and reared in Louisville Oates began his career in the late 1950s with bit parts in television westerns Though hardly lucrative work it was during this time Oates met renegade director Sam Peckinpah establishing the creative relationship and destructive friendship that produced some of Oates's most unforgettable roles in *Ride the High Country* 1962 *Major Dundee* 1965 and *The Wild Bunch* 1969 as well as a leading part in *Bring Me the Head of Alfredo Garcia* 1974 Though Oates maintained a close association with Peckinpah he had a penchant for working with a variety of visionary directors who understood his approach and were eager to enlist the subtle talents of the consummate character actor With supporting roles in *In the Heat of the Night* 1967 *The Hired Hand* 1971 *Badlands* 1973 1941 1979 and *Stripes* 1981 Oates delivered solid performances for filmmakers as diverse and talented as Norman Jewison

Peter Fonda Terrence Malick Steven Spielberg and Ivan Reitman Oates's offscreen personality was just as complex as his onscreen persona Notorious for being a nightlife reveler he was as sensitive and introspective as he was outgoing and prone to periods of exuberant and at times illegal excess Though he never became a marquee name Warren Oates continues to influence actors like Billy Bob Thornton and Benicio Del Toro as well as directors such as Quentin Tarantino and Richard Linklater all of whom have cited Oates as a major inspiration In Warren Oates A Wild Life author Susan Compo skillfully captures the story of Oates's eventful life indulgent lifestyle and influential career *The Jimmy Buffett Scrapbook* Mark Humphrey,2000-09-01 This delightful colorful volume traces the hugely popular singer's life and career analyzing the Buffett phenomenon from the early days to the present Illustrations throughout *Catalog of Copyright Entries* Library of Congress. Copyright Office,1977 *In Search of Western Movie Sites* Carlo Gaberscek,Kenny Stier,2014 In Search of Western Movie Sites is a compilation of 64 articles written for the bi monthly newsletter Western Clippings by Carlo Gaberscek and Kenny Stier They are profoundly convinced of the fundamental importance of landscapes and natural exteriors in westerns These articles are listed regionally starting with the Southwestern states Arizona New Mexico Colorado Utah and Nevada progressing to California the Northwest Midwest and Southern states followed by Canada and finishing with Mexico They focus on the making of both A and B westerns in a single state or a specific area of a state and contain selected filmographies and detailed information on the locations They envision a vast atlas of western cinema a map of both real and imagined places constructed by Hollywood This book which includes over 200 stills and photos taken on location is a guide to thousands of western film locations *New York Magazine* ,1980-06-30 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *In a Fool's Paradise* L. Staunton Jr.,2013-01-29 The beautiful Hawaiian islands are the backdrop for this compelling true life story of a man trapped between the law and a life of drugs crime and murder The once hopeful heir to a family tradition of To Serve and Protect and how he spirals out of control His parents unconditional love used as a means to an end as they witness a son's gradual decline into the depths of hell This is an unflinching look at how an addict uses and abuses those around him ultimately destroying everything Staunton is a natural story teller and his authentic voice makes this dark tale bearable There is much to condemn here much to learn there is also redemption A brave look at the dark side the one we seldom let others see the one we can't bear to bring into the light of day
