Randall House Bible Commentary James 1 and 2 Peter Randall House Bible Commentary:

James, 1, 2 Peter, Jude Paul V. Harrison, Robert E. Picirilli, 1992 **A Youth Worker's Commentary on James** David P. Nystrom, Les Christie, 2013-09-24 Christians wrestling to apply the teachings of Jesus to their everyday lives Communities plagued by divisiveness and hypocrisy with an emphasis on wealth and status That s the book of James and the story of our modern lives A Youth Worker s Commentary on James has the entire NIV Biblical text printed alongside a deeply rich yet readable look into the meaning of this marvelous book The book includes dozens of word studies with fascinating historical accounts and personal stories followed by a large section of thought provoking questions to get your students thinking and talking Written for youth workers ministry volunteers and everyday people who want to probe deeper into the Book of James youth workers will find it an invaluable aid for message and lesson preparation Using this book to achieve a solid understanding of James including its historical context rationale and meaning youth workers will then apply this pertinent wisdom to the needs and issues they and their youth groups are working through A Youth Worker s Commentary on James also includes bonus material and activities that make the passages come to life Grace, Faith, Free Will Robert E. Picirilli, 2002 Robert E Picirilli in *Grace Faith Free Will* renews the discussion of issues that have divided Calvinism and Arminianism since the Reformation Jacobus Arminius a Dutch theologian of the 16th century contested the dominant theological ideas advanced by the well known Protestant reformer John Calvin and his disciples Historically Arminius has been frequently misunderstood and often interpreted by friend and foe alike Even today one who calls himself Arminian does so with considerable risk as the name means different things to different people and comes in various flavors Many automatically think of Arminians as liberal differing little from Universalists at least holding to salvation by works and possibly espousing heretical views of the Trinity or the goodness of man In truth some Arminians have held and even now hold such beliefs No so of Arminius himself his original followers or able contemporary theologians such as Picirilli Though he presents both classics Calvinism and Arminianism in order to help readers intelligently decide for themselves Dr Picirilli unashamedly advocates a very specific form of Arminianism as the best resolution of the tensions between the two doctrinal positions *Contact* , 2003 American Book Publishing Record , 1999 *1 Peter* Paul J. Achtemeier, 1996 One of the general or catholic epistles near the end of the New Testament this letter traditionally attributed to the apostle Peter contains important ideas and reveals a fascinating relationship to the surrounding literary world The book shows what problems Christians faced at the time the epistle was written and how the author addressed them The commentary discusses the Greek original with translation verse by verse **Regaining Balance** Randy Sawyer, 2005 This small group study is written as a devotional journal designed to guide its readers through a season of spiritual renewal Each day of the 91 day journal encourages involvement in a handful of spiritual disciplines in order to help the reader regain focus and balance in every aspect of life It is perfect for individual or group study *Galatians Through Colossians* Thomas Marberry, Robert E.

Picirilli, Daryl Ellis, 1988 **THE 1946 PROJECT** Edward D. Andrews, 2021-10-28 The claim is that in 1946 theology history culture and politics led to a biblical mistranslation of catastrophic proportions. Supposedly the 1946 movie is a revolutionary documentary that chronicles how the misuse of a single word in 1 Corinthians 6:9 changed the course of modern history. The 1946 Movie says that their research was a journey which unveils the mystery of how theology history culture and politics led to a Biblical mistranslation, the man who tried to stop it, and the impassioned academic crusade of the LGBTQIA Christian community driven to discover the truth. More than 45,000 churches today still preach that homosexuality is a sin, citing biblical references that condemn homosexuals. The 1946 Movie asks: What would change if churches discovered the truth: the word homosexual was added to the Bible in 1946 by mistake? Was it added by mistake? Andrews, author of 170 books, in **THE 1946 PROJECT** will investigate this claim and see if the filmmakers discovered the truth or created their own truth.

APPLYING GOD'S WORD MORE FULLY Edward D. Andrews, 2016-10-06 **Jude on the Attack** Alexandra Robinson, 2017-12-14 Alexandra Robinson examines the letter of Jude in the light of repeated scholarly references to this source as an invective, a polemic, and an attack speech with a dependence on both Jewish and Greco-Roman sources. Moving beyond the Hellenism/Judaism divide, Robinson specifies what these elements are and how they relate to the harsh nature of the discourse. This study shows how and why Jude borrows from these contemporary genres with a detailed survey of Greco-Roman invectives and Jewish judgement oracles, comparing and contrasting them to the epistle of Jude with consideration of structure, aims, themes, and style. Robinson argues that Jude has constructed a Jewish invective and that his epistle is a polemical text which takes the form, structure, aims, and style of a typical Greco-Roman invective but is filled with Jewish content, themes, and allusions drawing on Israel's heritage for the benefit of his primarily Jewish Christian audience.

Life in the Son Robert Shank, 2024-06-18 A deep study on the doctrine of eternal security: Does one moment of faith secure a person's eternal destiny with God even if that person later stops following and trusting in Jesus? Or does a person have to keep on trusting and following Jesus to remain in a saving relationship with God? Now expanded with new chapters and research, this landmark book continues to offer one of the most penetrating studies on the controversial doctrine of eternal security, perseverance, and apostasy in the New Testament. Calling into question the popular, once-saved-always-saved belief, internationally respected pastor and scholar Dr. Robert Shank reveals that the question we should be asking is not: Is the believer secure? but rather: What does it mean to be a believer? Straightforward, thorough, and grounded in biblical understanding, this book warns Christians about dangers that could potentially lead a believer to become an unbeliever, falling away from faith and share in the unbeliever's eternal condemnation. *On the Writing of New Testament Commentaries* Stanley E. Porter, Eckhard J. Schnabel, 2012-09-28 The essays in *On the Writing of New Testament Commentaries* survey relevant questions related to the writing of commentaries on the books of the New Testament. *A Multi-Intentioned View of the Extent of the Atonement* Gary L. Shultz, 2014-01-07 Christians strongly disagree about the

extent of the atonement Some believe that the atonement only extends to the elect those whom God chose to save before the foundation of the world Others believe the atonement is unlimited that Jesus died for all people whether they ever believe in him or not Despite the differences in these two traditional understandings they share one thing in common both believe that Jesus died for a single intended purpose But what if God s intentions in the atonement are multiple not single The Bible teaches exactly this that Jesus died both to pay for the sins of all people and to secure the salvation of those God chose to believe in him before time began This book explains and defends a multi intentioned view of the extent of the atonement asserting that this view does the best job of understanding all of what the Bible says about the extent of the atonement is more theologically comprehensive than the traditional views and has the best potential for consensus on who exactly Jesus Christ died for when he was crucified for our sins **Forthcoming Books** Rose Army,1989-09 *Biblical Grandparenting (Grandparenting Matters)* Dr. Josh Mulvihill,2018-12-04 Many powerful voices are influencing our grandchildren from those at home and in their schools to those in the world of entertainment and media What can you as a grandparent do to speak wisdom and godliness into their lives Biblical Grandparenting is a full length leadership book that places grandparenting ministry on a firm scriptural foundation It is ideal for pastors and church leaders as well as for use in the classroom at seminaries **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff,R R Bowker Publishing,1996-09

The Secularization of Baptism Mark G. McKim,2025-01-31 Does God actually do anything in baptism Is it more than just a symbol Most early Baptists would have answered yes Most Baptists today would answer no How and why did this change happen and does it matter Providing thorough documentation of the changing understandings of baptism among American Canadian and English Baptists from the 1600s to the present day The Secularization of Baptism demonstrates that four factors led to the symbolic only position becoming dominant These were suspicion in reaction to Roman Catholicism of the idea of God revealing himself through the physical the influence of the Enlightenment and embarrassment with claims that God could be acting in the world today reaction against the Oxford Movement and reaction against the understanding of baptism advocated by the Disciples of Christ Campbellites The now dominant symbolic only position so focuses attention on what the believer is doing in baptism that God is seen as largely absent from and doing nothing through the rite in effect believers baptism has been secularized A carefully reasoned biblical and theological argument is made for a return to the Regular Particular Baptist view that God is both profoundly spiritually present and active in baptism while at the same time rejecting the sacramentalist position advocated by a small number of mid twentieth and twenty first century Baptists such as H Wheeler Robinson George Beasley Murray Stanley K Fowler and Anthony R Cross **Subject Guide to Books in Print ,1997** The Popular Bible Prophecy Commentary Tim F. LaHaye,Edward E. Hindson,2007-02-01 Offering clear and informative explanations from notable prophecy experts a user friendly guide sheds light on a wide range of issues in Bible prophecy including the signs preceding Jesus s Second Coming Daniel s prophecies about the Antichrist Tribulation and the
