Public School and Lyceum Library,1858 Dictionary Catalogue ... Illinois State Library,1894 *The Dixie Frontier* Everett Dick,1993-03-01 The Dixie frontier was one of the most romantic and heroic of the entire North American continent This engaging social history of the everyday life of the first settlers and pioneers has earned readers praise over two generations **Catalogue of the Illinois State Library** Illinois State Library,1894 **Catalogue of the Books in the Circulating Library ...** Toronto Public Libraries,1889 Bibliotheca Londinensis ,1848 **Politics in the Age of Peel** Norman Gash,2013-04-18 Politics in the Age of Peel first published in 1953 is concerned with the ordinary working world of politicians in England during the stormy period between 1830 and 1850 the age of the railway the Chartists the Anti Corn Law League and the Irish famine Even in the wake of the Great Reform Act of 1832 many corrupt aspects of the old unreformed system of democratic election survived and politicians had to meet national problems in the teeth of newly clamorous public opinion while remaining hostage to the representative structure that defined and limited their powers Norman Gash made his professional reputation with this brilliant work hailed in an unsigned TLS review which was known to have been written by Sir Lewis Namier as worthy of the warmest acclamation *A Classified Catalogue of the Mercantile Library of San Francisco* Mercantile Library Association (San Francisco, Calif.),Horace H. Moore,1861 The Rise of the Victorian Actor Michael Baker,2015-07-24 Originally published in 1978 Between 1830 and 1890 the English theatre became recognisably modern Standards of acting and presentation improved immeasurably new playwrights emerged theatres became more comfortable and more intimate and playgoing became a national pastime with all classes The actor s status rose accordingly In 1830 he had been little better than a social outcast by 1880 he had become a member of a skilled relatively well paid and respected profession which was attracting new recruits in unprecedented numbers This is a social history of Victorian actors which seeks to show how wider social attitudes and developments affected the changing status of acting as a profession Thus the stage s relationship with the professional world and the other arts is dealt with and is followed by an assessment of the moral and religious background which played so decisive a part in contemporary attitudes to actors The position of actresses in particular is given special consideration Many non theatrical sources are used here and there is a survey of salaries and working conditions in the theatre to show how the rising social status of the actor was matched by changes in his theatrical standing A novel area of study is covered in tracing the changing social composition of the acting profession over the period and in exploring the case histories of three generations of performers **Finding List ...** Buffalo Library,1885 **Investigation,**
