

Random Thoughts are stray thoughts. It is also called automatic semantic memories that may or may not hold a deep seated meaning.

Are you doing the right thing by doing nothing?

McDonalds have 'Happy meals'. Do they keep 'Sad meals' too?

You can call someone and tell them 'you cannot call now'

Life is not by chance and choice, rather it is by change

If you enjoy wasting time then it cannot be a 'wasted time'

We say noses run but they are fixed in one place. How is it possible?

The Church of the Free Mind Azazel Rama,2014-04-10 Azazel Rama is a poet and artist from the San Francisco Bay Area who has been tapped into the spirit realm for the past 20 years After dropping out of the Bay Area underground he has finally decided to share with the world his unique understanding of the astral plane and the curious inhabitants therein This large volume presents a poetic and lively take on magical theory and modern Occult philosophies while disclosing some of the authors more personal experiences with aliens and other denizens of the spirit world The text gets deep into the symbolisms of our collective unconscious revealing a truly interconnected understanding of natural morals while at the same time delivering tongue in cheek anti theist arguments sprinkled with a dark and sometimes satanic sense of humor In the spirit of Ragnar Redbeard s Might Is Right the legendary text aptly quoted in Anton LaVey s The Satanic Bible these encoded grimoires are a wild and winding map of a deeper conscious nature Sometimes ranting and often a bit mad were all a bit mad the information is sprinkled with esoteric poetry and symbolic illustrations building into a climax that might come as a bit of a surprise Chaos magician urban shaman synchromystic or perhaps a member of a secret orders or sect Azazel Rama remains a mystery to the modern spiritual community and a rebel against many popular and accepted ideals Come inside and join The Church Of The Free Mind where you will be taken on a wondrous ride through the multiverse of our collective lives

BACK COVER COPY Welcome to a world of subversive literature filled with magical wisdom and the decoding of the occult In this volume author Azazel Rama explores the ancient secrets of astral travel and reveals a doorway to the multiverse of endless potential He then reveals how the heretical views of science and nature can slay the dragon of religion with common sense This is not a self help seminar filled with happy sunshine nonsense codes and false rainbows this is a journey into the forbidden The Church of the Free Mind has opened its gates and within this Holy Temple no messiah shall be said to exist Written as a diatribe against words this is the true philosophy of a snake swallowing its own tail Behold the self consuming god that exists within the flesh and souls of all living beings Embark upon a spiritual exploration of a higher order of freedom as it relates to an unconsciously connected society of human animals and learn the moral codes of Mother Nature as she echoes a sense of natural law through the depths of our collective being This collection of essays proposes a way to enter a new cycle of human understanding

Suffering Is Optional Gail Brenner,2018-06-01 If you struggle with self defeating thoughts and feelings of inadequacy you are not alone We ve all felt inadequate believing that we re broken or otherwise unworthy But this doesn t have to be a life sentence Presenting four guiding principles and five core practices based in deep

spiritual wisdom *Suffering Is Optional* reveals how to liberate yourself from the prison of false self beliefs holding you back Millions of people feel that they are not good enough They may struggle every day seeing themselves as deficient pathetic or damaged and destined to fail They convince themselves they aren't worthy of love or respect and view themselves with self hatred When you believe and cling to painful self defeating thoughts like I can't do it It won't work or I'm a loser they become your personal reality and the more you repeat them the more you believe them until they come to define you Sadly these limiting self definitions lead to even more pain and suffering hidden shame problems in relationships opportunities lost and a life not fully lived In *Suffering Is Optional* clinical psychologist Gail Brenner offers practical ways to discover that you are not what your thoughts tell you you are Rather than showing you how to become a better version of yourself this book goes straight to the heart of the problem that you've mistakenly identified yourself as broken and undeserving to guide you out of these limiting thoughts and into an investigation of the nature of reality that ultimately liberates you from your suffering With these exercises experiments reflections practices and inspiring stories you'll have a spiritual solution to your personal problem of limitation and self sabotage Using the four guiding principles and five core practices presented in this book including turning toward direct experience grounding in aware presence losing interest in thoughts welcoming feelings and the sacred return to presence you'll be able to shed your false identity and wake up to the inherent peace and happiness that is available to you in any given moment
