## **Randy Starr After An Air Prize:**

*Randy Starr After an Air Prize* Eugene Martin (House name),1931      Flying Adventurers David K. Vaughan,2023-05-29  
Aviation books were a unique and prolific subgenre of American juvenile literature from the early to mid 20th century drawing upon the nation's intensifying interest. The first books of this type Harry L Saylor's series *Airship Boys* appeared shortly after the Wright brothers' first successful flight in 1909. Following Charles Lindbergh's solo flight across the Atlantic popular series like *Ted Scott* and *Andy Lane* established the golden age of juvenile aviation literature. This work examines the 375 juvenile aviation series titles published between 1909 and 1964. It weaves together several thematic threads including the placement of aviation narratives within the context of major historical events, the technical accuracy in depictions of flying machines, and the ways in which characters reflected the culture of their eras. Three appendices provide publication data for each series, a list of referenced aircraft, and an annotated bibliography; there is a full index.      **Boys' Books, Boys' Dreams, and the Mystique of Flight** Fred Erisman,2006  
Setting the stage: technology and the series book *Birdmen and boys* 1905-1915; Aces and combat World War I and after 1915-1935; Interlude: Charles A. Lindbergh and Atlantic flight 1927-1929; The golden age I: the Lindbergh progeny 1927-1939; The golden age II: the air-minded society 1930-1939; World War II and modern aviation 1939-1945; Aftermath: a bomb, rockets, and space flight 1945-1950.      **Randy Starr After an Air Prize** Eugene Martin (novelist.),1931      *Catalog of Copyright Entries. New Series* Library of Congress. Copyright Office,1932  
The Dime Novel in Children's Literature Vicki Anderson,2014-10-16  
With their rakish characters, sensationalist plots, improbable adventures, and objectionable language like "swell" and "golly," dime novels in their heyday were widely considered a threat to the morals of impressionable youth. Roundly criticized by church leaders and educators of the time, these short, quick-moving, pocket-sized publications were also inevitably wildly popular with readers of all ages. This work looks at the evolution of the dime novel and at the authors, publishers, illustrators, and subject matter of the genre. Also discussed are related types of children's literature such as story papers, chapbooks, broadsides, serial books, pulp magazines, comic books, and today's paperback books. The author shows how these works reveal much about early American life and thought and how they reflect cultural nationalism through their ideological teachings in personal morality and ethics, humanitarian reform, and political thought. Overall, this book is a thoughtful consideration of the dime novel's contribution to the genre of children's literature. Eight appendices provide a wealth of information, offering an annotated bibliography of dime novels and listing series books, story paper periodicals, characters, authors, and their pseudonyms, and more. A reference section, index, and illustrations are all included.      **Catalogue of Copyright Entries** Library of Congress. Copyright Office,1931      Catalog of Copyright Entries.
