Contemporary Poets Harold Bloom, 2010 From the modernist explorations of the first half of the 20th century to the diverse styles and practitioners of the 21st century contemporary American poetry has forged a vital and enduring tradition This volume explores the genre's recent history and development as succeeding generations of poets have taken up the American idiom and molded it into their own unique modes of expression This new edition explores contemporary poetry through a selection of critical essays and also features an introductory essay by esteemed professor Harold Bloom Range of the Possible Tod Marshall, 2002 A collection of interviews between Tod Marshall and twenty contemporary poets all born within a few years of 1950 **Range of the Possible** Tod Marshall, 2002 A collection of interviews between Tod Marshall and twenty contemporary poets all born within a few years of 1950 **Breaking the Alabaster Jar** Li-Young Lee, 2015-06-20 In the foreword to Li Young Lee's first book *Rose* BOA Editions 1986 Gerald Stern wrote What characterizes Li Young Lee's poetry is a certain kind of humility a kind of cunning a love of plain speech a search for wisdom and understanding I think we are in the presence of a true spirit Poetry lovers agree *Rose* has gone on to sell more than eighty thousand copies and Li Young Lee has become one of the country's most beloved poets *Breaking the Alabaster Jar* Conversations with Li Young Lee is a collection of the best dozen interviews given by Li Young Lee over the past twenty years From a twenty nine year old poet prodigy to a seasoned veteran in high demand for readings and appearances across the United States and abroad these interviews capture Li Young Lee at various stages of his artistic development He not only discusses his family's flight from political oppression in China and Indonesia but how that journey affected his poetry and the engaging often painful insights being raised a cultural outsider in America afforded him Other topics include spirituality primarily Christianity and Buddhism and a wide range of aesthetic topics such as literary influences his own writing practices the role of formal and informal education in becoming a writer and his current life as a famous and highly sought after American poet *A Study Guide for Kim Addonizio's "Knowledge"* Gale, Cengage Learning, 2016 A Study Guide for Kim Addonizio's *Knowledge* excerpted from Gale's acclaimed *Poetry for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Poetry for Students* for all of your research needs *Cities, Borders and Spaces in Intercultural American Literature and Film* Ana Manzanás, Jesús Benito Sánchez, 2011-06-21 This book examines the spatial morphologies represented in a wide range of contemporary ethnic American literary and cinematic works Drawing from Henri Lefebvre's theorization of space as a living organism Edward Soja's writings on the postmetropolis Marc Augé's notion of the non place Manuel Castells' space of flows and Michel de Certeau's theories of walking as a practice the volume extends previous theorizations by examining how spatial uses appropriations strictures ruptures and reconfigurations function in literary texts and films that represent inhabitants of racial ethnic borderlands and migrational U S cities The authors argue for the

necessity of an alternative poetics of place that makes room for those who move beyond the spaces of traditional visibility displaced and homeless people undocumented workers hybrid and or marginalized populations rendered invisible by the cultural elite yet often disciplined by agents of surveillance Building upon Doreen Massey s conceptualization of liminal space as a sphere in which narratives intersect clash or cooperate this study recasts spatial paradigms to insert an array of emergent geographies of invisibility that the volume traverses via the analysis of works by Chuck Palahniuk Helena Viramontes Karen Tei Yamashita Gloria Anzald a Alejandro Morales and Li Young Lee among others and films such as Thomas McCarthy s *The Visitor* Steven Spielberg s *The Terminal* and Alejandro Gonzalez I rritu s *Babel* *Metaphysical Shadows* Sean H.
