Original **Chasing Picasso** C. Joan Baker, 2023-04-01 No one remembers the daytime heist at the Saint Louis Art Museum. A rare Picasso arrived at the museum cloaked in mystery in 1934 then disappeared without a trace in 1973. Today the painting could be worth millions that is if it could be recovered. Join the author as she shares the backstory of the stolen Picasso and how it became the least told story of art theft from a highly regarded art museum. Someone might have it without knowing it was lifted from a big city collection fifty years ago. Recognizing the painting could be the first step in getting it home. [The love Sailing Boat](#) Kwabena Osei, 2015-02-06 Let us talk about love. Love is the universal language. Love is

freedom of expression. The unconditional acceptance of a neighbour for mutual understanding and respect is through the power of love. Love is the ultimate power and the source of the universal energy. Love is life. Love beautifies life. The living hell into which humanity has been condemned can be transformed into an absolute paradise through the power of love. This lovely book *The love Sailing Boat* is meant to highlight mankind's short coming regardless of the causes and the effects of the deceptions in life, marriage, love, and sex relationships. It creates awareness. It guides us to avoid repetition of our mistakes in life, marriage, love, and sex relationships. Making choices in the state of unawareness always lead us to regrettable moments in the end. We design our own path of suffering through wrong choices which are mainly engineered and driven by the Ego and the Mind. Our miseries and agonies are the attribute of engaging in marriage, love, and sex relationships with the mind. The mind promises much but delivers nothing. Our success or failure depends on those with whom we confide in life, marriage, love, and sex relationships. Let this lovely book *The Love Sailing Boat* be your guide and amour. Let unconditional love reign supreme in your marriage, love, and sex relationships and you will always find pleasure in love. The power of Divine Love will guide you to discover the Sacred Island of Love for Romances whereby only unconditional lovers are welcomed. Love conquers all. Peace and Love.

The Way to Be Barbara T. Smith, 2023-03-14 A firsthand account of the life and work of Barbara T. Smith, one of the most important yet underrecognized performance artists in the United States. For over fifty years, Barbara T. Smith has been at the forefront of artistic movements in California. Her work across many mediums explores concepts that strike at the core of human nature, including sexuality, physical and spiritual sustenance, technology, and death. In this memoir, Smith weaves together descriptive accounts of her pioneering performances with an intimate narrative of her life. *The Way to Be* covers the years 1931 to 1981, up to the artist's fiftieth birthday, resulting in an exhaustive catalogue of her early work. It reveals the personal stories and events behind her pieces and the challenges she faced in an art world dominated by sexism and machismo. Drawing on Smith's archive at the Getty Research Institute, this enthralling book

presents previously unpublished notes documents photographs and firsthand accounts of her life and practice as well as her more recent reflections on the past *The Way to Be* demonstrates Smith's lasting contributions to the field of contemporary art and provides an engaging commentary on a recent period of great cultural and political change This volume is published to accompany an exhibition on view at the Getty Research Institute at the Getty Center from February 28 to July 16 2023

compiled by curator Susan Davidson which provides the most comprehensive documentation of the artist's work ever assembled. Ten years in the making, *Master of the Two Left Feet* presents Hirshfield's unlikely career as a painter not only as a missing episode in the history of twentieth-century art but as a case study of the ways in which artists go missing from historical knowledge and public memory. By looking closely at Hirshfield and his milieu in 1940s Brooklyn, Meyer demonstrates how much we have yet to learn and to see of the visual past. *Fiction, 1876-1983: Titles* R.R. Bowker Company. The Players Ball David Kushner, 2020-04-21 An engrossing microcosm of the internet's Wild West years. Kirkus Reviews award-winning journalist David Kushner tells the incredible battle between the founder of Match.com and the con man who swindled him out of the website Sex.com, resulting in an all-out war for control for what still powers the internet today: love and sex. In 1994, visionary entrepreneur Gary Kremen used a \$2,500 loan to create the first online dating service, Match.com. Only five percent of Americans were using the internet at the time, and even fewer were looking online for love. He quickly bought the Sex.com domain, betting the combination of love and sex would help propel the internet into the mainstream. Imagine Kremen's surprise when he learned that someone named Stephen Michael Cohen had stolen the rights to Sex.com and was already making millions that Kremen would never see. Thus follows the wild, true story of Kremen's and Cohen's decade-long battle for control. In *The Players Ball*, author and journalist David Kushner provides a front seat to these must-read Wild West years online when innovators and outlaws battled for power and money. This cat-and-mouse game between a genius and a con man changed the way people connect forever and is key to understanding the rise and future of the online world. Kushner delivers a fast-paced, raunchy tale of sex, drugs, and dial-up. Publishers Weekly
