he would propose to her on the day of housewarming ceremony but just before the ceremony her dream turned into a heap of ashes On the other hand Shurpanakha considered her brother Ravana to be the murderer of her husband She was waiting to take revenge on him Then one day her eyes fell on Rama and a plan started forming in her mind But after her son Shambhu Kumara was killed at the hands of Lakshmana she changed her strategy She faked suicide and was saved by Sita Rama s family believed that she had made this attempt because of her son s grief Her son s death was an accident yet Rama s family blamed themselves Shurpanakha took advantage of this and entered their family When Ravana learned that his sister was madly in love with Rama he became happy He thought this was a golden opportunity to humiliate him But after Shurpanakha s nose was cut off the story took a new turn Ravana realized that this was a trap laid by the gods to provoke him and that Shurpanakha was just a pawn In such a situation if he had sat idle he would have been called a coward in the eyes of his sister and his dominance in the world would have ended The gods had devised this plan with great thought In the end Ravana used his ten intellects and made a move so brilliant that even the gods were left stunned
