

National Conference on Rape Law Reform

8 December 2018 | CIRDAP International Conference Centre | D

Justice for rape **without** delay or discrimination
#RapeLawReformNow

Rape Law Reform

**Jeanne Marsh, Alison A. Geist, Nathan
Caplan**

Rape Law Reform:

Rape Law Reform Cassia Spohn, Julie Horney, 2013-11-27 This book evolved from our interest in rape as feminists and as social scientists. As feminists we were concerned about the treatment of rape victims and the attrition in rape cases under traditional rape law and we welcomed legal reforms designed to improve the situation. As social scientists we wondered about the efficacy of legal changes aimed at an inherently resistant court system. We also were curious about the lack of studies examining the impact of these changes; we were particularly surprised to find that no one had attempted to analyze the impact of the reforms in more than one jurisdiction. Convinced that untangling the effects of the reforms from the effects of contextual factors required a multijurisdictional study, we decided to undertake the project. We quickly discovered that evaluating rape law reform in several jurisdictions would be no easy task. We had decided that such an evaluation would require monthly data on the outcome of rape cases before and after the reforms were implemented as well as qualitative data on the attitudes of criminal justice officials toward the reforms. Because states do not generate monthly data on case outcomes, we would have to collect the data ourselves from court records maintained by individual jurisdictions. To obtain an adequate number of cases for the time series analysis, we would have to select our sites from large urban jurisdictions scattered throughout the United States.

Federal Rape Law Reform United States. Congress. House. Committee on the Judiciary. Subcommittee on Criminal Justice, 1986

Rape and the Limits of Law Reform Jeanne Marsh, Alison A. Geist, Nathan Caplan, 1982

Up Against a Wall Rose Corrigan, 2013-01-07 Rape law reform has long been hailed as one of the most successful projects of second wave feminism. Yet forty years after the anti rape movement emerged, legal and medical institutions continue to resist implementing reforms intended to provide more just and compassionate legal and medical responses to victims of sexual violence. In *Up Against a Wall*, Rose Corrigan draws on interviews with over 150 local rape care advocates in communities across the United States to explore how and why mainstream systems continue to resist feminist reforms. In a series of richly detailed case studies, the book weaves together scholarship on law and social movements, feminist theory, policy formation and implementation, and criminal justice to show how the innovative legal strategies employed by anti rape advocates actually undermined some of their central claims. But even as its more radical elements were thwarted, pieces of the rape law reform project were seized upon by conservative policy makers and used to justify new initiatives that often prioritize the interests and rights of criminal justice actors or medical providers over the needs of victims.

Rethinking Rape Law Clare McGlynn, Vanessa E. Munro, 2010-07-12 *Rethinking Rape Law* provides a comprehensive and critical analysis of contemporary rape laws across a range of jurisdictions. In a context in which there has been considerable legal reform of sexual offences, *Rethinking Rape Law* engages with developments spanning national, regional, and international frameworks. It is only when we fully understand the differences between the law of rape in times of war and in times of peace, between common law and continental jurisdictions, between societies in transition and societies

long inured to feminist activism that we are able to understand and evaluate current practices with a view to change and a better future for victims of sexual crimes Written by leading authors from across the world this is the first authoritative text on rape law that crosses jurisdictions examines its conceptual and theoretical foundations and sets the law in its policy context It is destined to become the primary source for scholarly work and debate on sexual offences laws

Rape Law Reform Jocelyne A. Scutt,1980 **Addressing Rape Reform in Law and Practice** Susan Caringella,2009 The first comprehensive book on rape since Susan Brownmiller's *Against Our Will* and Susan Estrich's *Real Rape* this volume probes every aspect of rape law and the discrepancies between ideal law on the books and real law in action Susan Caringella canvasses the success and failure of reform in the United States as well as Australia Britain Canada and New Zealand and assesses alternative perspectives on rape reform making use of theoretical models court cases and statistical data She uniquely delineates a creative model for change while addressing the discretion that undermines efforts at change This includes charging the accused and plea bargaining confronting a lack of transparency and accountability in implementing law and acquiring funding for such changes *Rape Law Reform* Jennifer D'Ette St. Pierre,1997

Handbook of Justice Research in Law Joseph Sanders,V. Lee Hamilton,2007-05-08 Justice a word of great simplicity and almost frightening scope When we were invited to edit a volume on justice in law we joked about the small topic we had been assigned Often humor masks fear and this was certainly one of those times Throughout the project we found daunting the task of covering even a fraction of the topics that usually fall under the umbrella of justice research in law Ultimately the organization of the book emerged from the writing of it Our introductory chapter provides a road map to how the topics weave together but as is so often the case it was written last not first It was only when we had chapters in hand that we began to see how the many strands of justice research might be woven together Chapters 2-4 on the basic forms of justice procedural retributive and distributive are the lynchpin of the volume they provide the building blocks that permit us to think and write about each of the other substantive and applied chapters in terms of how they relate to the fundamental forms of justice In the large central section of the volume Chapters 5-9 the contributors address many ways in which the justice dimensions relate to one another Most important for law is the relationship of perceptions of procedural justice and the two types of substantive justice retributive and distributive

Criminal Law Reform and Transitional Justice Lutz Oette,2016-05-13 Sudan has been undergoing profound changes characterized by an uncertain transition from conflict to post conflict society and the separation of the country in the midst of ongoing human rights concerns This book examines the nature policy aspects and interrelationship of Sudanese criminal law and law reform in this context situating developments in the broader debate of international human rights rule of law and transitional justice For the first time Sudanese national regional and international experts and practitioners are brought together to share experiences combining a range of legal and policy perspectives The book provides valuable lessons on how relevant standards and experiences can be used to inform criminal law reform in

Sudan It also considers what broader lessons can be drawn for reform initiatives in other societies facing similar challenges This includes the type of violations that need to be addressed in reforms as a prerequisite for enhanced human rights protection challenges experienced in this regard and the contribution of civil society in this process

Solicitation for Research and Sexual Violence FY 2002 ,2001 **Solicitation** National Institute of Justice (U.S.),2001 Online

Anti-Rape Activism Rachel Loney-Howes,2020-08-17 The ebook edition of this title is Open Access thanks to Knowledge Unlatched funding and freely available to read online This book examines the nature use and scope of online spaces for anti rape activism offering a critical commentary on its limitations and potentials

Wrongful Conviction in Sexual Assault Matthew Barry Johnson,2021 Despite the increasing public and academic interest in exonerations Wrongful Conviction in Sexual Assault is the first book to examine the preponderance of sexual assault cases among US wrongful convictions The book presents compelling coverage of high profile wrongful conviction cases and also lesser known cases that reveal disturbing patterns and demand attention

Rape Law Reform Aubrey Lynne Jackson,2008 Abstract The decision to prosecute rape and the probability of successful prosecution depend on the strength of the laws that criminalize this act Rape law reform which began in the 1970s was not uniform across states or across time Using the Westlaw legal database changes to rape statutes between 1970 and 2002 across 47 of the U S states are identified These changes are analyzed using a cross sectional pooled time series design The results indicate that in addition to feminist strength race matters Minority threat as measured by the proportion of African Americans in a state produces harsher rape laws in the South But in the non South increased proportions lead to weaker rape laws This research implies that minority group presence affects criminal laws differently in various contexts The legacy of violent racial conflict continues to influence legislation in the South where greater proportions of African Americans elicit severe social control

Victimology Ann Burgess,Cheryl Regehr,Albert Roberts,2010 Victimology Theories and Applications introduces readers to the study of victimization crime typologies and the impact of crime on victims offenders and society at large Each chapter provides a typology of the offender to analyze motivation and includes an overview of the issues related to people who become victims of a wide variety of traditional and contemporary crimes such as child maltreatment intimate partner violence elder abuse cyber crime and hate crimes The history and theories of victimology are explored as well definitive laws and policies strategies for intervention and future research areas

The Legal Response to Violence Against Women Karen J. Maschke,1997 This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare s A Comedy of Errors Miola s edited work also features a comprehensive critical history coupled with a full bibliography and photographs of major productions of the play from around the world In the collection there are five previously unpublished essays The topics covered in these new essays are women in the play the play s debt to contemporary theater its critical and performance histories in Germany and Japan the metrical variety of the play and the distinctly modern perspective on the play as containing dark and disturbing

elements To compliment these new essays the collection features significant scholarship and commentary on The Comedy of Errors that is published in obscure and difficulty accessible journals newspapers and other sources This collection brings together these essays for the first time Yale Law Journal: Volume 125, Number 7 - May 2016 Yale Law Journal,2016-06-22 This issue of the Yale Law Journal include these contents Essay Fiduciary Political Theory A Critique by Ethan J Leib and Stephen R Galoob Note The Modification of Decrees in the Original Jurisdiction of the Supreme Court by James G Mandilk In addition the issue includes an extensive collection of Features by leading scholars entitled A Conversation on Title IX growing out of an event sponsored by the Journal Contributors include Michelle J Anderson Adele P Kimmel Catharine A MacKinnon Dana Bolger Zoe Ridolfi Starr and Alyssa Peterson Olivia Ortiz Subjects of these essays include institutional liability costs of liability and schools financial obligations transparency in campus reporting adjudicative processes and using Title IX for preventing the bullying of LGBT students This is the seventh issue of academic year 2015 2016 Quality formatting includes linked notes and an active Table of Contents including linked Contents for individual articles as well as active URLs in footnotes and proper Bluebook style **The American Court System** Marilyn McShane,2020-10-28 Depending on whom one talks to today s criminal courts are either the savior or the demon of our social order While everyone seems to have an answer about what needs to be done the solutions are neither simple nor within our current allocation of resources Media hype and political posturing emotionally dilute the reality of what motivates crime and what constitutes effective punishment The essays and research in this anthology give the reader a realistic view of complex problems affecting our juvenile and adult courts and consequently the rest of the criminal justice system Topics include sentencing disparity sentencing reform and wrongful convictions Some traditionally controversial issues are covered such as the insanity defense and the death penalty as well as the more recent three strikes and you re out movement and mandatory minimums This series will be of great utility to students scholars and others with interests in the literature of criminal justice and criminology

Understanding Victimology Peggy M Tobolowsky,2000-01-01 Understanding Victimology

This is likewise one of the factors by obtaining the soft documents of this **Rape Law Reform** by online. Rape Law Reform Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rape Law Reform has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rape Law Reform has opened up a world of possibilities. Downloading Rape Law Reform provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rape Law Reform has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rape Law Reform. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rape Law Reform. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Rape Law Reform, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software

installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rape Law Reform has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rape Law Reform Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rape Law Reform is one of the best book in our library for free trial. We provide copy of Rape Law Reform in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rape Law Reform. Where to download Rape Law Reform online for free? Are you looking for Rape Law Reform PDF? This is definitely going to save you time and cash in something you should think about.
