Rape Plots A Feminist Cultural Study Of Genesis 34:

Rape Plots Susanne Scholz, 2000 *Rape Plots* documents the cultural significance of biblical scholarship and the Bible to the prevalence of rape in contemporary society Focused on Genesis 34 and informed by feminist scholarship this study examines ideas on rape reflected in nineteenth century German commentaries as well as interpretations from 1970 to 1997 Cross disciplinary references to forensic medicine and feminist theories place the views of biblical readers into cultural contexts Similar to other discourses biblical scholarship has minimized rape An exegesis restores this imbalance and reads Genesis 34 as Dinah s story *Sexual Violation in the Hebrew Bible* Mary Anna Bader, 2006 Mary Anna Bader considers the implications of these narratives in the current context citing patterns of student reactions to these texts and teaching opportunities *The Oxford Handbook of Feminist Approaches to the Hebrew Bible* Susanne Scholz, 2020-12-31 The Oxford Handbook of Feminist Approaches to the Hebrew Bible brings together 37 essential essays written by leading international scholars examining crucial points of analysis within the field of feminist Hebrew Bible studies Organized into four major areas globalization neoliberalism media and intersectionality the essays collectively provide vibrant relevant and innovative contributions to the field The topics of analysis focus heavily on gender and queer identity with essays touching on African Korean and European feminist hermeneutics womanist and interreligious readings ecofeminist and animal biblical studies migration biblical studies the role of gender binary voices in evangelical egalitarian approaches and the examination of scripture in light of trans women s voices The volume also includes essays examining the Old Testament as recited in music literature film and video games The Oxford Handbook of Feminist Approaches to the Hebrew Bible charts a culturally hermeneutically and exegetically cutting edge path for the ongoing development of biblical studies grounded in feminist womanist gender and queer perspectives *The End of Biblical Studies* Hector Avalos, 2010-08-05 In this radical critique of his own academic specialty biblical scholar Hector Avalos urges his colleagues to concentrate on educating the broader society to recognize the irrelevance and even violent effects of the Bible in modern life **Befreiung Am Ende? Am Ende Befreiung!** Europäische Gesellschaft für die Theologische Forschung von Frauen. Internationale Konferenz, Charlotte Methuen, Angela Berlis, 2002 This volume collects the key note addresses on feminist theology and feminist theory given at the international conference of the ESWTR held in Salzburg in August 2001 together with other papers given at that conference and relating to this theme It explores the interactions between liberation theology and feminist theory in European and other contexts considering particularly aspects crossing boundaries gender national disciplinary The papers are complemented by a comprehensive bibliography of relevant literature and by an extensive review section **Narrative Analogy in the David Story** Joanna G. Kline , 2024-11-18 Joanna G Kline explores the use of narrative analogy in the biblical story of King David 1 Samuel 16 1 Kings 2 and the narratives about Jacob Judah and Joseph Genesis 25 50 In her analysis the author demonstrates that parallels in plot structure language and motif function to develop characterization and to reinforce

significant themes in these texts including sibling rivalry and reconciliation measure for measure punishment and divine providence By examining the genetic relationship between Samuel and Genesis she provides evidence of mutual influence and shows that the analogical links between David and Jacob Judah and Joseph were strengthened as these texts were composed and transmitted over time

God Loves Diversity and Justice Susanne Scholz, 2013-05-16 Both personal and scholarly in tone this book encourages readers to think theologically ethically and politically about the statement that declares God loves diversity and justice The multi religious multi ethnic multi disciplinary and multi gendered identities of the eleven contributors and two respondents deepen the conversation It considers questions such as Do we affirm or challenge this theological statement Do we concentrate on God in our response or do we interrogate what diversity and justice mean in light of God s love for diversity and justice Alternatively do we prefer to ponder the verb to love and consider what it might mean for society if people really believed in a divinity loving diversity and justice Of course there are no easy and simple answers whether we consult the Sikh scriptures the Bible the Qur an the movies the Declaration of Human Rights or the transgender movement but the effort is worthwhile The result is a serious historical literary cultural and religious discourse that fends against intellectually rigid thought and simplistic belief systems across the religious spectrum In our world in which so much military unrest and violence economic inequities and religious strife prevail such a conversation nurtures theological ethical and political possibilities of inclusion and justice

The Bible as Political Artifact Susanne Sholza, 2017-10-15 Biblical studies and the teaching of biblical studies are clearly changing though it is less clear what the changes mean and how we should evaluate them Susanne Scholz casts a feminist eye on the politics of pedagogy higher education and wider society decrypting important developments in the architecture of educational power She also examines how the increasingly intercultural interreligious and diasporic dynamics in society inform the hermeneutical and methodological possibilities for biblical exegesis Taken as a whole the fourteen chapters demonstrate that the foregrounding of gender placed into its intersectional contexts offers intriguing and valuable alternative ways of seeing the world and the Bible s place in it

Menstruation and Childbirth in the Bible Tarja S. Philip, 2006 This book offers a careful study of biblical texts on menstruation and childbirth in the light of their ancient Near Eastern background Close reading of the biblical texts based on classical and feminist biblical interpretation and supported by comparative study of ancient Near Eastern sources and anthropology reveals a rich and varied picture of these female events Fertility and impurity are closely connected to menstruation and childbirth but their place and importance are different in priestly and nonpriestly writings of the Bible which are therefore separately dealt with This book contributes to a better understanding of physiological social cultural and religious aspects of menstruation and childbirth in the larger context of body and society and women and men

Jacob's Story as Christian Scripture Philip H. Kern, 2021-01-06 Jacob is all too often underappreciated in works on biblical theology He nevertheless stands squarely in the line of promise and is the man who becomes Israel His blessings come not because he is virtuous but because God remains faithful In this his story contributes to the themes of Genesis and of the Pentateuch as a whole and extends into the life of the church Jacob's Story as Christian Scripture begins with a reading of Genesis 25 to 35 and then moves beyond the boundaries of Genesis to track the words he pronounces over his twelve sons Jacob's blessings give shape to Balaam's oracles and ultimately to subsequent prophecies concerning the lion of the tribe of Judah Prophetic appropriation of Jacob's story presented here via a fresh investigation of OT passages from Jeremiah Obadiah Micah and others includes troubling elements of Jacob's character to indict the nation in the hope that God's people like the patriarch will stop being Jacob and become Israel

Unspeakable Things Unspoken Isabelle M. Hamley, 2019-01-30 The story of the raped and murdered woman of Judges 19 and the civil war and mass marriage that ensue in chapters 20 21 are hardly favorite tales of the Hebrew Bible The chapters have often been dismissed as little more than an anachronistic epilogue an awkward amalgamation of earlier stories or a text of terror proof of patriarchal oppression This book argues that far from being a clumsy collage Judges 19 21 is a carefully narrated tale that chronicles the descent of a nation into extreme individualism and fragmentation In dialogue with continental philosopher Luce Irigaray it will uncover the dynamics of identity formation and how differential constructions of identity of the One and

the Other yield patterns of victimization and justification of violence This literary philosophical reading will bring out silences and missed possibilities for the subjectivity of women whilst also shedding light on the victimization of men within the logic of totalitarian identity constructions The end of Judges therefore offers a theological conclusion to the book as a whole and opens up avenues for thought on theological anthropology understandings of identity and gender and a theological commentary on violence

Loving Yusuf Mieke Bal, 2008-09-15 When Mieke Bal reread the story of Joseph and Potiphar's wife as an adult she was struck by differences between her childhood memories of a moral tale and what she read today In *Loving Yusuf* Bal seeks to resolve this clash between memory and text using the same story in which Joseph spurns the advance of his master's wife who then falsely accuses him of rape as her point of departure She juxtaposes the Genesis tale to the rather different version told in the Qur'an and the depictions of it by Rembrandt and explores how Thomas Mann's great retelling in *Joseph and His Brothers* reworks these versions Through this inquiry she develops concepts for the analysis of texts that are both strange and overly familiar culturally remote yet constantly retold As she puts personal memories in dialogue with scholarly exegesis Bal asks how all of these different versions complicate her own and others' experience of the story and how the different truths of these texts in their respective traditions illuminate the process of canonization

Biblical studies is increasingly interdisciplinary and frequently focuses on how the Bible is read received and represented in the contemporary world including in politics news media and popular culture Rape Myths the Bible and MeToo illustrates this with particular and critical assessment of MeToo and its rapid and global impact Rape myths in particular the myth that rape victims are complicit in the violence they encounter which consequently renders sexual violence not so bad are examined both with regard to current backlash to MeToo and to biblical texts that undermine the violence perpetrated by rape This includes aggressive media attacks on the accusers of powerful men as well as depictions of biblical rape victims such as Dinah Genesis 34 Bathsheba and Tamar 2 Samuel 11 13 Biblical studies channels and expresses wider cultural and political manifestations This exemplifies that the influence of ancient texts is abiding and the study of the past cutting edge
