Rape Within Marriage A Moral Analysis Delayed:

Sex and the Marriage Covenant John Kippley, 2014-01-23 The thesis of this book is that God intends that sexual intercourse should be at least implicitly a renewal of the marriage covenant From this it follows that the marriage covenant provides the criterion to evaluate the morality of every sexual act Thus the title *Sex and the Marriage Covenant* is an appropriate description of the book's contents Marriage comes into being by a couple unreservedly entering God's covenant of marriage contraceptive intercourse contradicts the very essence of the marriage covenant From these considerations Kippley developed the covenant theology of sexuality described in this book

Rape Within Marriage Edward J. Bayer, 2003-05-28 The Holy Father's teaching seeks to make clear that without a fundamental mutual respect and devotion any sexual act between a husband and wife is a counterfeit of the real thing Such an evil act is not what the Lord of Life wants human beings to contribute to the creation of a new life A woman who has no way to escape such abuse is morally justified in resorting to effective non abortifacient but medically effective means to avoid being impregnated

Battle-scarred: Justice Can Be Elusive John F. Kippley, 2011-03-23 John F. Kippley shared various life experiences some of which he hopes are unique

Violence Against Women and Children Carol J. Adams, Marie Fortune, 1995-11-01 Violence against women and children has reached epidemic proportions It cuts across all economic strata and is found in our urban centers and the farthest corners of the nation This is the only sourcebook on domestic violence for clergy and counselors

Religion and Sexual Health: R.M. Green, 2013-03-14 Religious beliefs and attitudes have long been recognized as playing an important role in sexual functioning but the relationship between religion and sexual behavior has rarely been studied in a comprehensive way The essays in this volume bring the views of sex counsellors therapists theologians and bioethicists to bear on the relationship between religion and sexuality A

major theme emerging from these essays is that religion and counselling need to learn from one another Religious traditions at the popular or theological levels are often marked by ignorance and misinformation about sexuality and can benefit by the insights of those who work closely with patients in medical and counselling settings Counsellors in turn need to develop a sensitivity to past and present religious attitudes toward sexuality in order to assist their patients achieve sexual health

Sex, Violence, and Justice Aline H. Kalbian, 2014-04-03 Kalbian outlines the Church's position against artificial contraception as principally rooted in three biblical commandments Her deeper investigation into these issues helps show how discourses about sexuality both in the Church and in culture more broadly are often tied to discourses of violence harm and social injustice
