Rape in the Republic, 1609-1725: Formulating Dutch

Identity Amanda C. Pipkin, 2013-08-15 This book reveals the fundamental role rape played in promoting Dutch solidarity from 1609 1725 Through the identification of particular enemies it directed attention away from competing regional religious and political loyalties Patriotic Protestant authors highlighted atrocities committed by the Spanish and lower class criminals They conversely cast Dutch men as protectors of their wives and daughters an appealing characterization that allowed the Dutch to take pride in a sense of moral superiority and justify the Dutch Revolt After the conclusion of peace with Spain in 1648 marginalized authors including Catholic priests and literary women employed depictions of rape to subtly advance their own agendas without undermining political stability Rape was thus essential in the development and preservation of a common identity that paved the way for the Dutch defeat of the mighty Spanish empire and their rise to economic pre eminence in Europe Incest, Raped and Battered Phyllis S. Edwards, 2002-03-11 Jesus Opened My Eyes Marino Kintaro, 2006-05 Kingdom Life Bible: Joining God's Mission to Save the World (NKJV) Thomas Nelson, 2025-05-06 God is building His Kingdom through you Every person is part of a culture Communities workplaces schools families and churches all have a culture one shaped by the values we celebrate and practice God's kingdom has a culture too one shaped by values and practices that He reveals in His Word The Kingdom Life Bible invites you to explore the part you have to play in building a healthy kingdom culture a calling that you live out as you live in the presence of Jesus our Lord and King Discover the kingdom s values as you read Scripture See how God s kingdom power was at work in the time of the Bible s writing and continues to work today And develop Holy Spirit led life giving strategies that create kingdom culture and disciple the nations Features include Book introductions that explore how God's kingdom building power is seen in each book in its time and context and continues to be at work today Commentary notes exploring kingdom themes throughout every book of the Bible Sidebars highlighting 14 Kingdom Values throughout Scripture Sidebars exploring six Kingdom Foundations found throughout Scripture More than 20 theological articles exploring key themes of kingdom living Cross references Line matched two column typesetting Clear and readable NKJV Comfort Print The City of God Against the Pagans Saint Augustine (of Hippo), 1998 Dyson has produced a complete accurate authoritative and fluent translation of The City of God edited together with full biographical notes a concise introduction bibliographical note and chronology of Augustine's life

Vindicating God Troy J. Edwards,2015-12-26 There are sincere worshippers of Christ who are quite ignorant of how to deal with difficult passages in the Bible that might be used by God's enemies to paint a false picture of Him Many remain confused as to how to deal with passages that seem to go against what they know by their experience is a loving God I believe that these daily devotions can assist believers in this endeavor When one meditates daily on the truth of God's character then they will not be easily swayed by those who speak against it They will see that there are better ways to understand the passages often presented by those who choose to denigrate God's character Augustine: The City of God against the Pagans Augustine, 1998-09-24 This is the first new rendition for a generation of The City of God the first

major intellectual achievement of Latin Christianity and one of the classic texts of Western civilisation Robert Dyson has produced a complete accurate authoritative and fluent translation of De civitate dei edited together with full biographical notes a concise introduction bibliography and chronology of Augustine's life The result is one of the most important single contributions to the Cambridge Texts series yet published of interest to students of ecclesiastical history the history of political thought theology philosophy and late antiquity **To Save America** John Hagee, 2024-08-01 The Ten Commandments are the foundation of the Judeo Christian worldview that has shaped civilization into a paramount of law and order that has stood for centuries In a world marked by constant change and moral ambiguity the timeless wisdom of the Ten Commandments serves as an unwavering beacon from Heaven to guide men back to the principles of God's Word Today America is at a moral crossroads It is a moment when the church must draw a line in the sand and choose on this day whom we will serve Will we turn our hearts to the God of Abraham Isaac and Jacob Or will we reject God and pursue the kingdom of this world Salvation for our hearts our homes and our nation can only be found in God Within the Ten Commandments we find God's roadmap to save America For in them is found an unshakeable compass to direct the hearts of men back to God Etched into the tablets of history they provide a divine path to live a life of purpose righteousness and hope Now is the time and today is the day to choose whom we will serve The Rape of Florida Albery Allson Whitman, 1884 God in Biblical Rape Narratives Leah Rediger Schulte, 2017-08-15 In this groundbreaking work to identify and address God's absence in three key rape narratives in the Hebrew Bible Leah Rediger Schulte finds a pattern that indicates a larger community crisis With a careful look at Genesis 34 Judges 19 and 2 Samuel 13 this study outlines God s absence a foreign presence and a persistent problem that is resolved incorrectly to highlight consequences of the Israelites breaking their covenant with God Using methodologies from literary criticism and gender studies and situating rape in its historical context this volume makes distinctions between modern constructs of rape and biblical rape Commentaries and studies on rape in the Bible often read a modern understanding of the victim and rapist back into the biblical text missing how it would have been understood in ancient Israel These biblical rape scenes are intimately connected to and assist in telling the story of Israel s history as a people and their covenantal relationship with their deity The Rape of the Lock Alexander God Dies by the Nile and Other Novels Nawal El Saadawi, 2015-10-15 God Dies by the Nile is Saadawi s Pope, 1921 attempt to square religion with a society in which women are respected as equals Searching expresses the poignancy of loss and doubt with the hypnotic intensity of a remembered dream while in The Circling Song Saadawi pursues the conflicts of sex class gender and military violence deep into the psyche God's Plan To Save America L. Nelson "Mac" McAlexander, 2013-11 In a dream I had back in 1977 thousands of people were shouting out in unison an unusual name that I had never heard before What I saw in that dream compelled me to try and find out if this name had any special meaning That same day a language professor at the University of Maryland told me the only word he knew of that sounded like the one I

heard in the dream was a Greek word He said the word had three possible definitions which changed when the accent over the e changed Those definitions are very significant and I write about them in the chapter on Dreams and Visions The definitions and an interpretation of the dream by a Rabbi three days after the dream led me to eventually believe that this unusual name could be the fulfillment of Revelations 2 17 and or 3 12 In subsequent dreams I was writing a book titled God s Plan to Save America and in one of those dreams a man was passing out white stones that had the name written on it that I heard in the dream It is important to note that I learned of these Biblical Scriptures after I had these unusual dreams Revelations 2 17 Let the one who has an ear hear what the spirit says to the congregations To him that conguers I will give some of the hidden manna and I will give him a white pebble and UPON THE PEBBLE A NEW NAME written which no one knows except the one receiving it Windows onto Jewish Legal Culture Volume 1 Hanina Ben-Menahem, Arye Edrei, Neil S. Hecht, 2019-10-10 This book opens windows onto Jewish legal culture by offering fourteen exploratory essays each of which focuses on an aspect of Jewish law broadly understood Each chapter is a self contained journey as it were into a feature of the Jewish legal landscape In other words rather than taking a structural approach and attempting to neatly circumscribe and define every element of Jewish law Windows onto Jewish Legal Culture takes a dynamic and holistic approach describing diverse manifestations of Jewish legal culture without seeking to fit them into a single structure Given this approach readers have a number of options they can focus on those chapters of particular interest to them read the chapters in whatever order appeals to them or go through the chapters in order Reading even a handful of chapters should provide the reader with a good sense of the mind set characteristic of Jewish legal thinking Jewish legal culture spans two millennia and evolved in geographic centers that were often very distant from one another both geographically and socio culturally It encompasses the Talmud and talmudic literature the law codes the rulings of rabbinical courts the responsa literature extra judicial decisions taken by judges and communal leaders study of the law in talmudic academies the local study hall and the home But Jewish legal culture reaches well beyond legal and quasi legal institutions it addresses and is reflected in every aspect of daily life from meals and attire to interpersonal and communal relations The book gives the reader a taste of the tremendous weight of Jewish legal culture within Jewish life Windows onto Jewish Legal Culture is divided into five sections The opening section presents two distinguishing features of Jewish legal culture namely its toleration and even encouragement of controversy and its preference for formalistic formulations These features are often misunderstood and been subjected to severe critique Indeed Jewish legal culture is often parodied as nit picking hair splitting argument for the sake of argument Exploring Jewish legal culture's partiality to controversy and formalism in its proper context however yields a very different picture The second section Law and Ethics gives readers a first hand look at the way Jewish legal culture relates to three moral issues of importance to any society equity charity and euthanasia The third section focuses on the judicial process a central topic in the general analysis of law and even more so in Jewish law where the judicial branch takes precedence over

the legislative The fourth section addresses questions pertaining to the role of the individual in the administration of justice self help and the individual s obligation to defend himself and others against a pursuer The closing section is devoted to private law exploring the interface between Jewish legal culture and free market competition unjust enrichment agency and labor law This book will appeal to students at the advanced level scholars and interested laypeople the primary target audience is academic It is suitable for use as a textbook An Anthropological Defense of God Lloyd E. Sandelands, 2017-09-08 Anthropology the study of man is unlike every other study because humans are its subject And because we are its subject we cannot manage the philosophic and emotional distance necessary to see clearly Unable to stand apart from ourselves to comprehend our own truth we are compelled to assume things about ourselves that we cannot prove In a word anthropology begins in faith Lloyd Sandelands approaches the anthropological guest for God by comparing the faiths of modern social science and of the Christian church Sandelands describes the social scientific faith articulated by Hume Kant Rousseau Schopenhauer among others as an imagined state of nature that sees the individual as solitary self sufficient and contented By contrast the Christian faith unites us as male and female persons in one flesh before God The challenge in the author's view is to decide which faith to build our lives upon Sandelands poses guestions about the basic terms of human study what is a person and what is society and how do the different metaphysics of science and Church lead to different anthropologies A worthwhile anthropology must address the questions of what constitutes human freedom desire and the nature of the good Comparing the answers given by science and by the church he finds that the one paradoxically denies freedom denies want and denies the good while the other affirms freedom affirms want and affirms the good Between these two anthropologies he finds there is but one true study of man A companion to Sandelands Man and Nature in God his most recent book An Anthropological Defense of God attempts to establish that an anthropology in God succeeds where an anthropology in science fails Such success is measured not only by its ideas and findings about man but even more by its wisdom in teaching us how to live
