Kenton Beshore,2013-10-04 The Rapture is a controversial subject among believers in Jesus Christ The timing of the Rapture is the aspect that produces great fervor in virtually every believer who cares about the Rapture This book does not deal with that aspect of the Rapture Instead Dr Beshore explains how every believer can be Rapture ready by learning what the Rapture warning signs are by becoming a disciple of Jesus Christ and by living a holy life Being Rapture ready does not mean one must read dozens of books on Bible prophecy go to every prophecy conference that comes to town watch every prophecy teacher on TV Learning what the Rapture warning signs are and watching for them to be fulfilled is important but being a dedicated disciple of Jesus and living a holy life is more important If you want to be Rapture ready 24 7 study this book carefully with your Bible in hand and then dedicate your life to Jesus and live for Him daily
