Rare Lovely Dolls Two Centuries Of Beautiful Dolls:

Rare & Lovely John Noble,2000 Viewing rare and lovely dolls through John Darcy Noble s eyes is to enter a fantasyland of enchantment Whether he is discussing the exquisite religious figures that are precursors of play dolls telling stories about 18thg century aristocrats toys or explaining about early 19th century commercially made dolls John Darcy Noble s vision brings that era and society to life Rare & Lovely John Noble,2000 **Rejuvenile** Christopher Noxon,2006-06-20 Once upon a time boys and girls grew up and set aside childish things Nowadays moms and dads skateboard alongside their kids and download the latest pop song ringtones Captains of industry pose for the cover of BusinessWeek holding Super Soakers The average age of video game players is twenty nine and rising Top chefs develop recipes for Easy Bake Ovens Disney World is the world s top adult vacation destination that s adults without kids And young people delay marriage and childbirth longer than ever in part to keep family obligations from interfering with their fun fun fun Christopher Noxon has coined a word for this new breed of grown up rejuveniles And as a self confessed rejuvenile he s a sympathetic yet critical guide to this bright and shiny world of people who see growing up as winding down exchanging a life of playful flexibility for anxious days tending lawns and mutual funds In Rejuvenile Noxon explores the historical roots of today s rejuveniles hint all roads lead to Peter Pan the toyification of practical devices car cuteness is at an all time high and the new gospel of play He talks to parents who love cartoons more than their children do twenty somethings who live happily with their parents and grown ups who evangelize on behalf of all ages tag and Legos And he takes on the Harrumphing Codgers who see the rejuvenile as a threat to the social order Noxon tempers stories of his and others rejuvenile tendencies with cautionary notes about lost souls whose taste for childish things is creepy at best Exhibit A Michael Jackson On balance though he sees rejuveniles as optimists and capital R Romantics people driven by a desire to hold on to the part of ourselves that feels the most genuinely human We believe in play in make believe in learning in naps And in a time of deep uncertainty we trust that this deeper more adaptable part of ourselves is our best tool of survival Fresh and delightfully contrarian Rejuvenile makes hilarious sense of this seismic culture change It s essential reading not only for grown ups who refuse to act their age but for those who wish they would just grow up **The Fashion Doll** Juliette Peers,2004-06 Feminists have argued that the Barbie doll perpetuates unrealistic standards of feminine beauty and undermines the credibility of women Yet for every mother who disapproves of Barbie there is a young daughter who adores her Barbie has enjoyed a prosperous and important history in Western culture but she is simply the most high profile of a series of iconic dolls produced in the past 150 years For the first time this history is explored to reveal how intimately connected dolls have been to fashion and culture from their early history right up to the present day The prominence of haute couture in popular culture suggests that the link between fashion marketing and dolls should be an obvious one Yet to date this connection has not been adequately interrogated Peers original and shrewd analysis fills a major gap in cultural studies by examining the doll s associations with concepts of
