Raskolnikov's Rebirth Psychology And The Understanding Of Good And Evil:

Raskolnikov's Rebirth İlham Dilman,2000 Author İlham Dilman explains why a thoughtful psychology encompassing the varied modes of being experienced by humans is the best tool for investigating the nature of good and evil To illustrate he employs Raskolnikov Dostoyevsky's axe murdering protagonist in Crime and Punishment following his alienation from goodness his return to it and finally his ethical rebirth

Sense and Reality John Edelman,2013-05-02 This book is a collection of essays each of which discusses the work of one of eight individuals Rush Rhees Peter Winch R F Holland J R Jones H O Mounce D Z Phillips İlham Dilman and R W Beardsmore who taught philosophy at the University of Wales Swansea for some time from the 1950s through to the 1990s and so contributed to what in some circles came to be known as the Swansea School These eight essays are in turn followed by a ninth that drawing on the previous eight offers something of a critical overview of philosophy at Swansea during that same period The essays are not primarily historical in character Instead they aim at both the critical assessment and the continuation of the sort of philosophical work that during those years came to be especially associated with philosophy at Swansea work that is deeply indebted to the philosophy of Ludwig Wittgenstein but also distinctively sensitive to the relevance of literary works to philosophical reflection

Psychoanalytic Knowledge M. Chung,C. Feltham,2003-11-04 Psychoanalytic Knowledge presents cutting edge thinking on some fundamental ideas in psychoanalysis by important international scholars in the field of the philosophy of psychoanalysis It explores the nature of psychoanalytic knowledge in the light of contemporary philosophical views or critiques of a diversity of topics relevant to psychoanalysis the philosophy of mind the notion of changing oneself religion the notion of interdisciplinary links with psychoanalytic knowledge post Freudian psychoanalytic knowledge and challenges to psychoanalytic methodology

Materials for an Anatomy of Personality in Late Imperial China Paolo Santangelo,2010-01-11 How was the concept of personality perceived in late imperial China Re constructing the main features describing the individual this volume firmly based in textual sources is a reflection on personality and its attributes in China It discusses terms that express the propensity inclinations predispositions and temperament of subjects departing from the descriptions that represent one's and the other's self as well as terms that describe or label a person's main qualities or defects As judgments contribute to formulate the image of ourselves and others when talking of personality not only individual characters biological traits cultural basis innate and acquired traits and habits are looked into but also social values and collective mentality as well as individual and group subjectivity

Philosophy as Criticism İlham Dilman,2011-03-17 In this his final book noted philosopher İlham Dilman offers sharp critiques of his major contemporaries İlham Dilman 1930 2003 was Professor Emeritus and Honorary Fellow Department of Philosophy University of Wales Swansea He was perhaps most well known for his contributions to moral philosophy and psychology and in particular on the works of Wittgenstein and Freud His publications include Wittgenstein's Copernican Revolution Palgrave 2002 Free Will A Historical and Philosophical

Introduction Routledge 1999 Existential Critiques of Cartesianism Macmillan 1993 and Freud and Human Nature Blackwell 1983 **Self Love and Christian Ethics** Darlene Fozard Weaver, 2002-10-17 Publisher Description *Dictionary of Twentieth-Century British Philosophers* Stuart Brown, 2005-06-01 This is a two volume work with entries on individuals who made some contribution to philosophy in the period 1900 to 1960 or soon after The entries deal with the whole philosophical work of an individual or in the case of philosophers still living their whole work to date Typically the individuals included have been born by 1935 and by now have made their main contributions Contributions to the subject typically take the form of books or journal articles but influential teachers and people otherwise important in the world of philosophy may also be included The dictionary includes amateurs as well as professional philosophers and where appropriate thinkers whose main discipline was outside philosophy There are special problems about the term British in the twentieth century partly because of human migration partly because of decolonialization and the changing denotation of the term The intention has been to include not only those who were British subjects at least for a significant part of their lives even if they mostly lived outside what is now the U K but also people who spent a significant part of their lives in Britain itself irrespective of their nationality or country of origin In the first category are included for instance a number of people who were born and educated in Britain but who subsequently taught in universities abroad In the second category are included those who were born elsewhere but who came to Britain and contributed to its philosophical culture Judgment and Action Vivasvan Soni, Thomas Pfau, 2017-12-15 Written by theologians literary scholars political theorists classicists and philosophers the essays in Judgment and Action address the growing sense that certain key concepts in humanistic scholarship have become suspect if not downright unintelligible amid the current plethora of critical methods These essays aim to reassert the normative force of judgment and action two concepts at the very core of literary analysis systematic theology philosophy ethics aesthetics and other disciplines Interpretation is essential to every humanistic discipline and every interpretation is an act of judgment Yet the work of interpretation and judgment has been called into question by contemporary methods in the humanities which incline either toward contextual determination of meaning or toward the suspension of judgment altogether Action is closely related to judgment and interpretation and like them it has been rendered questionable An action is not simply the performance of a deed but requires the deed's intelligibility which can be secured only through interpretation and judgment Organized into four broad themes interiority contemplation ethics politics community and aesthetics image the aim of this broad ranging and insightful collection is to illuminate the histories of judgment and action identify critical sites from which rethinking them may begin clarify how they came to be challenged and relocate them within a broader intellectual historical trajectory that renders them intelligible Dostoevsky Studies , 2005 *The Review of Metaphysics* , 1999 Bibliografisch repertorium van de wijsbegeerte , 2000 **American Catholic Philosophical Quarterly** , 2000 *International Philosophical Quarterly* , 1961 **Contemporary Authors** Scot Peacock, 2002-12 Your students and users
