Homan Potterton,2022-05-03 Set in 1950s rural Ireland Rathcormick is the engaging and beautifully written tale of a large and happy Protestant farming family a stern and domineering Papa a warm and practical Mama their two daughters and six sons For Homan the youngest life is a free spirited awakening in a world of old fashioned virtue and frugality But no boyhood lasts forever and an abrupt turn of events signals an end to the idyll Exploring the values and mores of an almost lost part of Irish society Rathcormick is an unforgettable memoir funny compelling and original A History of Irish Autobiography

Liam Harte,2018-03-01 A History of Irish Autobiography is the first ever critical survey of autobiographical self representation in Ireland from its recoverable beginnings to the twenty first century The book draws on a wealth of original scholarship by leading experts to provide an authoritative examination of autobiographical writing in the English and Irish languages Beginning with a comprehensive overview of autobiography theory and criticism in Ireland the History guides the reader through seventeen centuries of Irish achievement in autobiography a category that incorporates diverse literary forms from religious tracts and travelogues to letters diaries and online journals This ambitious book is rich in insight Chapters are structured around key subgenres themes texts and practitioners each featuring a guide to recommended further reading The volume s extensive coverage is complemented by a detailed chronology of Irish autobiography from the fifth century to the contemporary era the first of its kind to be published *The Minority Voice* Robert Tobin,2012-01-05 How do such people with brilliant members and dull ones fare when they pass from being a dominant minority to being a powerless one So asked the Kilkenny man of letters Hubert Butler 1900 1991 when considering the fate of Southern Protestants after Irish Independence As both a product and critic of this culture Butler posed the question repeatedly refusing to accept as inevitable the marginalization of his community within the newly established state Inspired by the example of the Revivalist generation he challenged his compatriots to approach modern Irish identity in terms complementary rather than exclusivist In the process of doing so he produced a corpus of literary essays European in stature informed by extensive travel deep reading and an active engagement with the political and social upheavals of his age His insistence on the necessity of Protestant participation in Irish life coupled with his challenges to received Catholic opinion made him a contentious figure on both sides of the sectarian divide This study addresses not only Butler s remarkable personal career but also some of the larger themes to which he consistently drew attention the need to balance Irish cosmopolitanism with local relationships to address the compromises of the Second World War and the hypocrisies of the Cold War to promote a society in which constructive dissent might not just be tolerated but valued As a result by the end of his life Butler came to be recognised as a forerunner of the more tolerant and expansive Ireland of today *The Fethard-on-Sea Boycott* Tim Fanning,2010-03-03 In 1957 Sheila Cloney Protestant wife of a Catholic farmer fled from her home near the Wexford village of Fethard on Sea with

her young daughters after refusing to bow to the demands of the local Catholic clergy to educate them as Catholics In response the priests launched a boycott of Fethard s Protestant shopkeepers and farmers Tim Fanning tells the story of one of the ugliest sectarian episodes to occur in the Republic and examines how the Catholic Church s Ne Temere decree on mixed marriages resulted in one small rural community tearing itself apart

Aristocracy and the Modern World Ellis Wasson,2017-09-16 Ellis Wasson offers one of the first comprehensive studies of the European ruling class during the 19th and 20th centuries Distilling a wealth of recent research Wasson analyses the role of aristocracy in modern times focusing on the tensions that exist between egalitarian values and the way elites shape society Wasson explodes myths and jettisons stereotypes in sweeping coverage that takes the story from the Congress of Vienna to Stalingrad The study recounts the change from the genteel world of court balls to Caf Society and finally on to Eurotrash It also contrasts the paradox of continued aristocratic social power and cultural leadership with the gradual decline in their political authority Aristocracy and the Modern World covers key topics such as The fabulous wealth of the great magnates The relationship between servants and masters Interaction with the middle classes Concepts of honour Culture recreation and gender Local authority and national power Lively and authoritative the book reviews developments in Scandinavia the Austro Hungarian Empire France Italy and Spain as well as in Britain Germany and Russia It is essential reading for all those with an interest in modern European history

The Boycott at Fethard-on-Sea, 1957 Eugene Broderick,2011-07-12 This book examines the boycott of the Protestant community of Fethard on Sea County Wexford Ireland by local Catholics because of a dispute over a mixed marriage Sheila Cloney a member of the Church of Ireland refused to have her two children educated in the local Catholic National School in accordance with promises she had made before she married her Catholic husband Sean Cloney Rather than submit to pressure being put on her by the local Catholic clergy she took her children to Belfast and then to Scotland It was alleged that local Protestants had assisted her and as a result a boycott of local Protestant businesses was instituted to secure the return of the children The boycott began in May 1957 and lasted until September of the same year The drama which combined personal religious and political elements was to be played out in the law courts of Belfast the pulpits of the land in the Dail and Senate but especially in the boycotted shops and Protestant school of Fethard The incident attracted a great deal of attention in Northern Ireland and was furiously debated in the Stormont Parliament and on the Orange fields of the Twelfth International interest was also considerable with Time magazine suggesting a new word for the English language fethardism meaning to practise boycott along religious lines The great figures of the 1950s in Church and State became involved as a local incident attracted attention at home and abroad This book recounts the events of the Fethard boycott situating them in the broader context of Catholic Protestant relations since the foundation of the state This is more than a dramatic human tale this story highlights how the independent Irish state treated a religious minority and how that minority responded to the crisis

The Murderer and the Taoiseach Harry McGee, 2023-05-18. An incredible and compelling story. MATT COOPER. Gripping, unpretentious, brilliant and unputdownable. BUSINESS POST. A Murderer, A Leader, The Scandal of an Era. In the summer of 1982, Irish aristocrat Malcolm MacArthur embarked on a brutal killing spree in a doomed plan to remedy his financial woes. Two weeks later, in a sensational turn of events, he was arrested in the home of Attorney General Patrick Connolly. The scandal attracted worldwide headlines and resulted in untold damage to then Taoiseach Charles Haughey. The words he used to describe the dark events: grotesque, unbelievable, bizarre and unprecedented, coined the era-defining phrase GUBU. Here, award-winning political journalist Harry McGee retraces the happenings of that long, hot summer and beyond. From the cat and mouse game to track down an unpredictable killer to MacArthur's extraordinary capture, he considers both the life and psyche of a murderer and that of the leading political figure of the time, a man similarly driven by greed, status and a sense of himself as existing above the law. Including previously unknown aspects of the trial and interaction with Malcolm MacArthur himself, *The Murderer and the Taoiseach* is a compulsive journey through tragedy and scandal. Brisk, illuminating, crackling with detail. TONY CONNELLY. A brilliant account of shocking crimes and the dramatic political crisis they caused. DAVID McCULLAGH
