Rational As Reasonable A Treatise On Legal Justification:

The Rational as Reasonable Aulis Aarnio, 2012-01-28 During the last half of the twentieth century legal philosophy or legal theory or jurisprudence has grown significantly It is no longer the domain of a few isolated scholars in law and philosophy Hundreds of scholars from diverse fields attend international meetings on the subject In some universities large lecture courses of five hundred students or more study it The primary aim of the Law and Philosophy Library is to present some of the best original work on legal philosophy from both the Anglo American and European traditions Not only does it help make some of the best work available to an international audience but it also encourages increased awareness of and interaction between the two major traditions The primary focus is on full length scholarly monographs although some edited volumes of original papers are also included The Library editors are assisted by an Editorial Advisory Board of internationally renowned scholars Legal philosophy should not be considered a narrowly circumscribed field Insights into law and legal institutions can come from diverse disciplines on a wide range of topics Among the relevant disciplines or perspectives contributing to legal philosophy besides law and philosophy are anthropology economics political science and sociology Among the topics included in legal philosophy are theories of law the concepts of law and legal institutions legal reasoning and adjudication epistemological issues of evidence and procedure law and justice economics politics or morality legal ethics and theories of legal fields such as criminal law contracts and property

The Rational as Reasonable Aulis Aarnio, 2012-12-06 During the last half of the twentieth century legal philosophy or legal theory or jurisprudence has grown significantly It is no longer the domain of a few isolated scholars in law and philosophy Hundreds of scholars from diverse fields attend international meetings on the subject In some universities large lecture courses of five hundred students or more study it The primary aim of the Law and Philosophy Library is to present some of the best original work on legal philosophy from both the Anglo American and European traditions Not only does it help make some of the best work available to an international audience but it also encourages increased awareness of and interaction between the two major traditions The primary focus is on full length scholarly monographs although some edited volumes of original papers are also included The Library editors are assisted by an Editorial Advisory Board of internationally renowned scholars Legal philosophy should not be considered a narrowly circumscribed field Insights into law and legal institutions can come from diverse disciplines on a wide range of topics Among the relevant disciplines or perspectives contributing to legal philosophy besides law and philosophy are anthropology economics political science and sociology Among the topics included in legal philosophy are theories of law the concepts of law and legal institutions legal reasoning and adjudication epistemological issues of evidence and procedure law and justice economics politics or morality legal ethics and theories of legal fields such as criminal law contracts and property

The Reasonable As Rational? Werner Krawietz, Robert S. Summers, Ota Weinberger, Georg Henrik von Wright, 2016 In the course of the last few decades Aulis Aarnio has made a major contribution to the process of laying of new foundations for

the theory of practical legal argumentation and modern jurisprudence legal theory philosophy of law He was influenced by the modern philosophy of language and by the late works of Ludwig Wittgenstein as well as being inspired by the analytical hermeneutic philosophy of his teacher Georg Henrik von Wright With his original and widely acknowledged research in law and legal systems and the rationality of the resulting scholarly interpretation which have been crowned and honoured with the Alexander von Humboldt Research Award in the field of the Humanities he has changed the face of modern legal science above all that of juridical or legal method the methodology of law and the social sciences and of legal and social theory the latter in his capacity as editor in chief of *Associations* a new periodical from the same publisher The *Festschrift* was presented to him on his 60th birthday in the name of his friends and colleagues from all over the world in a specially handrafted copy This book is a kind of handbook to his discipline and contains very profound and sophisticated responses to his magnum opus *The Rational as Reasonable A Treatise on Legal Justification* which has determined and significantly advanced contemporary research in the field of legal and scholarly interpretation and argumentation It deals with nearly all the central issues in the application of law and its justification **The Reasonable as Rational?** Werner Krawietz, 2000

Approaches to Legal Rationality Dov M. Gabbay, Patrice Canivez, Shahid Rahman, Alexandre Thiercelin, 2010-10-04 Legal theory political sciences sociology philosophy logic artificial intelligence there are many approaches to legal argumentation Each of them provides specific insights into highly complex phenomena Different disciplines but also different traditions in disciplines e.g. analytical and continental traditions in philosophy find here a rare occasion to meet The present book contains contributions both historical and thematic from leading researchers in several of the most important approaches to legal rationality One of the main issues is the relation between logic and law the way logic is actually used in law but also the way logic can make law explicit An outstanding group of philosophers logicians and jurists try to meet this issue The book is more than a collection of papers However different their respective conceptual tools may be the authors share a common conception legal argumentation is a specific argumentation context The Rule of Law History, Theory and Criticism Pietro Costa, Danilo Zolo, 2007-05-06 Authors Costa and Zolo share the conviction that a proper understanding of the rule of law today requires reference to a global problematic horizon This book offers some relevant guides for orienting the reader through a political and legal debate where the rule of law and the doctrine of human rights is a concept both controversial and significant at the national and international levels Finnish Yearbook of International Law, Volume 25, 2015 Tuomas Tiittala, 2019-10-03 The Finnish Yearbook of International Law aspires to honour and strengthen the Finnish tradition in international legal scholarship Open to contributions from all over the world and from all persuasions the Finnish Yearbook stands out as a forum for theoretically informed high quality publications on all aspects of public international law including the international relations law of the European Union The Finnish Yearbook publishes in depth articles and shorter notes commentaries on current developments book reviews and relevant overviews of Finland's state practice While firmly

grounded in traditional legal scholarship it is open for new approaches to international law and for work of an interdisciplinary nature The Finnish Yearbook is published for the Finnish Society of International Law by Hart Publishing Earlier volumes may be obtained from Martinus Nijhoff an imprint of Brill Publishers Mutual Expectations Govert Hartogh, 2002-05-31 The law persists because people have reasons to comply with its rules What characterizes those reasons is their interdependence each of us only has a reason to comply because he or she expects the others to comply for the same reasons The rules may help us to solve coordination problems but the interaction patterns regulated by them also include Prisoner's Dilemma games Division problems and Assurance problems In these games the rules can only persist if people can be expected to be moved by considerations of fidelity and fairness not only of prudence This book takes a fresh look at the perennial problems of legal philosophy the source of obligation to obey the law the nature of authority the relationship between law and morality and the nature of legal argument from the perspective of this conventionalist understanding of social rules It argues that since the resilience of such rules depends on cooperative dispositions conventionalism properly understood does not imply positivism

Reasoning in Ethics and Law Albert W. Musschenga, Wim J. van der Steen, 2017-03-02 Legal and moral reasoning share much methodology and they address similar problems This volume charts two shared problems the relation between theory principles and particular judgments and the role of facts and factual assertions in normative settings The relation between theory and practice and between principle and particular judgment has become the subject of much debate in moral philosophy In the ongoing debate some moral philosophers refer to legal philosophy for a support of their views on the primacy of practice over theory According to them legal philosophy should have a more balanced view in that relation In the contributions to Part One this claim is critically analysed The role of the facts is underestimated in discussions on legal reasoning and legal theory as well as moral reasoning and ethical theory Factual statements enter into moral and legal discussions not only because they link the conclusion with a rule They also play a role as background assumptions in supporting a theory Its focus on the role of facts in normative reasoning makes this book of special interest to scholars of legal and moral argumentation

A Theory of Precedent Raimo Siltala, 2000-11-25 In this study the author identifies six types of judicial precedent ideology and are tests them against judicial experiences in various countries

Justifying Taxes Agustín José Menéndez, 2013-03-14 Justifying Taxes offers readers some of the elements of a democratic tax law considered within its political and philosophical context in order to determine the extent of legitimate tax obligations The objective is to revisit some of the issues in the dogmatics of tax law from the viewpoint of a critical citizen always ready to ask questions about the justification underlying her obligations and especially about her paramount burden viz the payment of certain amounts of money Within this purview special attention is paid to the general principles of taxation The argument is complemented by a detailed reconstruction of constitutional reasoning in tax matters close attention being paid to the jurisprudence of the Spanish Tribunal Constitucional Readership Legal scholars political scientists

and philosophers Especially recommended to graduate and undergraduate students of Tax Law Constitutional Law Jurisprudence Philosophy of Law and Political Theory **Group Rights as Human Rights** Neus Torbisco

Casals,2006-06-30 Liberal theories have long insisted that cultural diversity in democratic societies can be accommodated through classical liberal tools in particular through individual rights and they have often rejected the claims of cultural minorities for group rights as illiberal Group Rights as Human Rights argues that such a rejection is misguided Based on a thorough analysis of the concept of group rights it proposes to overcome the dominant dichotomy between individual human rights and collective group rights by recognizing that group rights also serve individual interests It also challenges the claim that group rights so understood conflict with the liberal principle of neutrality on the contrary these rights help realize the neutrality ideal as they counter cultural biases that exist in Western states Group rights deserve to be classified as human rights because they respond to fundamental and morally important human interests Reading the theories of Will Kymlicka and Charles Taylor as complementary rather than opposed Group Rights as Human Rights sees group rights as anchored both in the value of cultural belonging for the development of individual autonomy and in each person s need for a recognition of her identity This double foundation has important consequences for the scope of group rights it highlights their potential not only in dealing with national minorities but also with immigrant groups and it allows to determine how far such rights should also benefit illiberal groups Participation not intervention should here be the guiding principle if group rights are to realize the liberal promise **Political Friendship and the Good Life** Gianfrancesco Zanetti,2002-07-31 The

main subject of this book is the rather fascinating link between an acceptable concept of political whole and its legal and moral implications When we face this problem we find that widespread categories like happiness and friendship are at the same time necessary and dangerous crucial and elusive In order to make the case against the so called Legal Enforcement of Morals and to grasp the complex relationship between law and morality from a liberal point of view it is not enough to reject a pattern of happiness or of human flourishing from which to draw normative instructions for men and women it must be recognized that integration of individuals in the comprehensive groups as well as in the political whole itself is not the only valuable option The fragile value of a relative lack of integration a right to unhappiness turns out to be eventually what makes the weak but decisive moral primacy of liberal societies *Justice to Future Generations and the Environment* H.P.

Visser 't Hooft,2013-03-09 The analysis of justice between generations proposed in this book is based first of all on a critical reading of Rawls theory of justice but it also pays attention to the existential and cultural context of our intuitions about intergenerational equity Although the desire for justice supplies an independent reason for action the unprecedented character of the context in which that reason must operate necessarily raises the question of its psychological support we want justice for future people but what interest do we have in their welfare in the first place I have tried to capture this double orientation by making use of Thomas Nagel s conceptual dichotomy between the objective detached point of view and

the subjective in our case the culturally and historically situated perspective There is on the one hand a desire for justice that tends towards the definition of transhistorical standards detached from the particular values of the time and place there is on the other hand a motivational background that is tied to our present position in history and nourished by the values we presently believe in I have attempted to bridge the gap between the one and the other dimension by different conceptual avenues the principal one being a time related interpretation of Rawls concept of equal liberty justice wants us to maintain the worth of liberty over time by perpetuating the conditions of its meaningful exercise

Constitutional Justice, East and West Wojciech Sadurski, 2002-12-31 How can the power of constitutional judges to overturn parliamentary choices on the basis of their own reading of the constitution be reconciled with fundamental democratic principles which assign the supreme role in the political system to parliaments This time honoured question acquired a new significance when the post communist countries of Central and Eastern Europe without exception adopted constitutional models in which constitutional courts play a very significant role at least in theory Can we learn something about the relationship between democracy and constitutionalism in general from the meteoric rise of constitutional tribunals in the post communist countries Can the discussions and controversies relating to constitutional review which have been going on for decades in more established democracies illuminate the sources of the strength of constitutional courts in Central and Eastern Europe These questions lie at the center of this book which focuses on the question of constitutional review in postcommunist states from a theoretical and comparative perspective The chapters contained in the book outline the conceptual framework for analyzing the sources the role and the legitimacy of constitutional justice in a system of political democracy From this perspective it assesses the experience of constitutional justice in the West where the model originated and in Central and Eastern Europe where the model has been implanted after the fall of Communism

Influence and Power Ruth Zimmerling, 2005-07-19 Exact but not exacting this is a fine work of overview and analysis it makes an excellent contribution to the literature on power and freedom Philip Pettit William Nelson Cromwell Professor of Politics Princeton University In this work the author assumes the task of a logical clean up an extremely valuable contribution to the promotion of scientific rigour and clarity in political scholarship This book gives the reader orientation in a conceptual jungle It is an excellent analysis of the relationships between normative and social power Ernesto Garzón Valdés Prof em

Judicial Applications of Artificial Intelligence Giovanni Sartor, L. Karl Branting, 2013-04-17 The judiciary is in the early stages of a transformation in which AI Artificial Intelligence technology will help to make the judicial process faster cheaper and more predictable without compromising the integrity of judges discretionary reasoning Judicial decision making is an area of daunting complexity where highly sophisticated legal expertise merges with cognitive and emotional competence How can AI contribute to a process that encompasses such a wide range of knowledge judgment and experience Rather than aiming at the impossible dream or nightmare of building an automatic judge AI research has had two more practical goals producing tools to support judicial

activities including programs for intelligent document assembly case retrieval and support for discretionary decision making and developing new analytical tools for understanding and modeling the judicial process such as case based reasoning and formal models of dialectics argumentation and negotiation Judges squeezed between tightening budgets and increasing demands for justice are desperately trying to maintain the quality of their decision making process while coping with time and resource limitations Flexible AI tools for decision support may promote uniformity and efficiency in judicial practice while supporting rational judicial discretion Similarly AI may promote flexibility efficiency and accuracy in other judicial tasks such as drafting various judicial documents The contributions in this volume exemplify some of the directions that the AI transformation of the judiciary will take

The Scepter of Reason R. Gargarella, 2012-12-06 It is not unusual that formal and informal discussions about the political system its virtues and its many defects conclude in a discussion about impartiality In fact we all discuss impartiality when we talk about the best way to equally consider all viewpoints We show our concerns with impartiality when facing a particular problem we try to figure out the best solution for all of us given our conflicting interests Thus the quest for impartiality tends to be a common objective for most of us although we normally disagree on its particular contents Generally these formal and informal discussions about impartiality conclude in a dispute between different epistemic conceptions That is to say simply that in these situations we begin to disagree about best procedure to define the more neutral impartial solution for all of us Basically trying to answer this question we tend to fluctuate between two opposite positions According to some the best way to know which is the more impartial solution is to resort to a process of collective reflection in those situations we have to consider the opinions of all those who are possibly affected

The Law in Philosophical Perspectives Luc J. Wintgens, 2013-04-17 In this age of collections that is ours many volumes of collections are published They contain contributions of several well known authors and their aim is to present a selective overview of a relevant field of study This book has the same purpose Its aim is to introduce students scholars and all those interested in current problems of legal theory and legal philosophy to the work of the leading scholars in this field The large number of publications both books and articles that have been produced over recent decades makes it quite difficult however for those who are making their first steps in this domain to find firm guidelines The book is new in its genre because of its method The choice was made not to reprint an example of contributors earlier basic articles or a part of one of their books This would only give a partial view of the rich texture of their work Rather the authors were asked to make an original synthesis of their own contributions to the field of legal theory and legal philosophy Brought together in this volume they constitute a truly author ised view of their work This book is also new in that each essay is complemented with bibliographical information in order to encourage further research on the author s self selected work This will help the reader rapidly to become familiar with the whole of the published work of the contributors

The Paradoxes of Action
Daniel González Lagier, 2013-03-09 Through the combined effects of certain natural facts connected with the passage of time

institutional acts performed at various points within the university system and bonds of friendship forged over quite a number of years of academic life I have lately become an occasional writer of forewords It is certainly not a kind of work that displeases me but it would be too much to say that I have learned to do it with ease Quite to the contrary Writing a foreword is it seems to me an example of a rather complex action although of course much less complex than writing the book it accompanies In fact it is not even an action it is rather an activity carried out over a more or less prolonged period of time and typically including something like the following stages deciding to write the foreword carefully reading the book taking notes thinking about what would be appropriate aspects to be mentioned sketching an outline writing a first draft by hand writing several corrected versions typing the last of them into the computer distributing it to several colleagues to see how they like it correcting the text once more sending it to the author of the book delivering it to the publisher In each of these actions leaving aside for a moment purely mental actions such as thinking we can in turn distinguish several components These are basically bodily movements intentions and intentionally or unintentionally produced changes in the world

This is likewise one of the factors by obtaining the soft documents of this **Rational As Reasonable A Treatise On Legal Justification** by online. You might not require more mature to spend to go to the books instigation as without difficulty as search for them. In some cases, you likewise do not discover the revelation Rational As Reasonable A Treatise On Legal Justification that you are looking for. It will no question squander the time.

However below, past you visit this web page, it will be fittingly no question easy to get as skillfully as download lead Rational As Reasonable A Treatise On Legal Justification

It will not undertake many become old as we run by before. You can get it even if faint something else at house and even in your workplace. suitably easy! So, are you question? Rational As Reasonable A Treatise On Legal Justification Introduction

In the digital age, access to information has become easier than ever before. The ability to download Rational As Reasonable A Treatise On Legal Justification has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Rational As Reasonable A Treatise On Legal Justification has opened up a world of possibilities. Downloading Rational As Reasonable A Treatise On Legal Justification provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Rational As Reasonable A Treatise On Legal Justification has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Rational As Reasonable A Treatise On Legal Justification. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Rational As Reasonable A Treatise On Legal Justification. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that

prioritize the legal distribution of content. When downloading Rational As Reasonable A Treatise On Legal Justification, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Rational As Reasonable A Treatise On Legal Justification has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Rational As Reasonable A Treatise On Legal Justification Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rational As Reasonable A Treatise On Legal Justification is one of the best book in our library for free trial. We provide copy of Rational As Reasonable A Treatise On Legal Justification in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rational As Reasonable A Treatise On Legal Justification. Where to download Rational As Reasonable A Treatise On Legal Justification online for free? Are you looking for Rational As Reasonable A Treatise On Legal Justification PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Rational As Reasonable A Treatise On Legal Justification. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should

consider finding to assist you try this. Several of Rational As Reasonable A Treatise On Legal Justification are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Rational As Reasonable A Treatise On Legal Justification. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Rational As Reasonable A Treatise On Legal Justification To get started finding Rational As Reasonable A Treatise On Legal Justification, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Rational As Reasonable A Treatise On Legal Justification So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Rational As Reasonable A Treatise On Legal Justification. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Rational As Reasonable A Treatise On Legal Justification, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Rational As Reasonable A Treatise On Legal Justification is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Rational As Reasonable A Treatise On Legal Justification is universally compatible with any devices to read.
