## **Rational Choice Social Exchange Themes In The Social Sciences Ser:**

*Rational Choice and Social Exchange* Anthony Francis Heath,1976      **American Book Publishing Record** ,1976

*Rational Choice and Social Exchange* Anthony Heath,1976-05-20 When this volume was first published in 1976 exchange theory had recently come into the fore in sociology as an attempt to develop systematic theories of social behaviour comparable to those which economics had developed In doing so it borrowed from many different intellectual traditions including economics and anthropology behavioural sociology and on the traditional concerns of sociologists and social psychologists Dr Heath provides a systematic exposition of the principle components of exchange theory and goes on to give a critique of these theories paying particular attention to the success of their empirical applications He concludes that exchange theory despite its limitations has an important part to play in the development of social science and is one of the most promising theories available *Rational Choice and Social Exchange* will be of interest to anyone concerned with the development of social science and in particular to students of sociology anthropology psychology and political science

*Bibliographie der Wirtschaftswissenschaften* ,1992      **Bibliographie der Staats-und Wirtschaftswissenschaften** ,1976      **Subject Guide to Books in Print** ,1993      *Sociological Abstracts* Leo P. Chall,2004 CSA Sociological Abstracts abstracts and indexes the international literature in sociology and related disciplines in the social and behavioral sciences The database provides abstracts of journal articles and citations to book reviews drawn from over 1 800 serials publications and also provides abstracts of books book chapters dissertations and conference papers      *Books in Print* ,1982

*Globalization, Liberalization and Policy Change* S. McDowell,1997-01-21 After the introduction of a new economic policy of 1991 India is increasingly portrayed as a big emerging market for consumer goods and for broadcasting and communications services Policies for telecommunications computer software and television broadcasting in India have also shifted fundamentally The book considers communications policies in light of the role of communications in social and economic development and global patterns of trade and investment in communications and services      Ludwig Wittgenstein Stuart Shanker,David Kilfoyle,2002 Wittgenstein scholarship has continued to grow at a pace few could have anticipated a testament both to the fertility of his thought and to the thriving state of contemporary philosophy In response to this ever growing interest in the field we are delighted to announce the publication of a second series of critical assessments on Wittgenstein emphasising both the breadth and depth of contemporary Wittgenstein research As well as papers on the nature and method of Wittgenstein s philosophy this second collection also relates to a broader range of topics including psychology politics art music and culture      **New Directions in Political Economy** M Barbara Leons,Frances Rothstein,1979-03-29

**Books in Print Supplement** ,1994      Annales Academiae Scientiarum Fennicae. Ser. B. ,1979      **Subject Catalog** Library of Congress,      **Library of Congress Catalogs** Library of Congress,1978      **Rational Choice Theory** James S. Coleman,Thomas J. Farraro,1992-07-28 Rational Choice Theory is one of the few general theories of how individuals groups

organizations and social structures behave its impact on sociological theorizing has been enormous In this volume advocates and critics present their views of the values and limitations of rational choice theory Whether supporter or sceptic sociologists and other social scientists will find themselves immersed in a creative discussion of the merits and difficulties of the model and its applicability to both macro and micro level social issues      **Social Sciences Index** ,1975      **Subject Catalog, 1976** Library of Congress,1976      **Encyclopedia of Social Networks** George A. Barnett,2011-09-07 Request a FREE 30 day online trial to this title at [www.sagepub.com/freetrial](http://www.sagepub.com/freetrial) This two volume encyclopedia provides a thorough introduction to the wide ranging fast developing field of social networking a much needed resource at a time when new social networks or communities seem to spring up on the internet every day Social networks or groupings of individuals tied by one or more specific types of interests or interdependencies ranging from likes and dislikes or disease transmission to the old boy network or overlapping circles of friends have been in existence for longer than services such as Facebook or YouTube analysis of these networks emphasizes the relationships within the network This reference resource offers comprehensive coverage of the theory and research within the social sciences that has sprung from the analysis of such groupings with accompanying definitions measures and research Featuring approximately 350 signed entries along with approximately 40 media clips organized alphabetically and offering cross references and suggestions for further readings this encyclopedia opens with a thematic Reader s Guide in the front that groups related entries by topics A Chronology offers the reader historical perspective on the study of social networks This two volume reference work is a must have resource for libraries serving researchers interested in the various fields related to social networks      **Directory of American Scholars** Jaques Cattell Press,1982
