

HOW TO IMPLEMENT AN EMPLOYEE ASSISTANCE PROGRAM?

To successfully implement an employee assistance program, you need to follow the steps -

Create a Budget Estimate

You need to decide the amount you can spend on employee assistance programs. For this, you can calculate the fee per employee.

Choose the Services Type

You need to decide the amount you can spend on employee assistance programs. For this, you can calculate the fee per employee.

Select the EAP Provider

Once you have decided the employee assistance services type, you need to choose an EAP service provider that matches your budget and requirement.

Conduct Internal Training

After the successful signing of the agreement, you need to train your internal team on the EAP program before launching it.

Launch the Program

Lastly, after the training, the program is launched successfully to address employees' issues and providing solutions to resolve them.

Readings On Employee Assistance Programs

Drug Abuse Curriculum for Employee Assistance Professionals ,1989 EMPLOYEE ASSISTANCE PROGRAMS:

Wellness/Enhancement Programming (4th Ed.) Michael A. Richard,William G. Emener,William S. Hutchison,2009 This landmark text discusses current issues and trends to help employee assistance and human resource professionals do their jobs better and help people live happier more productive lives by providing them with the resources to deal with personal problems The current spiraling and escalating rate of change within the business and working world fueled by other events and phenomena since September 11 2001 were the impetus and driving force behind the initiative and development of this new fourth edition This book contains 43 chapters a total of 21 are from the first two editions eleven were written specifically for the third edition and eleven new chapters were exclusively written for this new fourth edition While savoring the still pertinent meaningful and relevant to today materials from the previous editions there are nine new updates written by an all star team of experts in their respective areas The topics include history and philosophy structure and organization client services and characteristics program planning and evaluation professional and paraprofessional training and development special issues selected examples and future directions An excellent textbook for college and university courses and preparation source this book is a must for professionals wanting to be up to date on employee assistance programming for students in graduate courses and seminars for college and university courses and in service training and continuing education programs Strategies for Employee Assistance Programs William J. Sonnenstuhl,Harrison M. Trice,2018-05-31

This Key Issues report addresses questions often raised by employers and union leaders setting out to develop job based programs to help alcoholic and other troubled employees Following chapters on the historical development and key components of EAPs the authors discuss the importance of balance in program strategies and in corporate and union responsibilities The authors also present examples to show the role EAPs might play when the problems of alcoholic and other troubled employees lead to arbitration and workers compensation cases The focus in the concluding chapter is on the future of EAPs the need for more research and further development of educational programs for EAP practitioners

Employee Assistance Program ,1980 Evaluation of Employee Assistance Programs Marvin D Feit,Michael J

Holosko,2012-11-12 This timely book brings together for the first time critical information about the evaluation of employee assistance programs Although EAPs have existed for over 40 years the assessment of their value has been fragmented Contributors to this new volume blending practical and academic insights document concerns address the newer issues and developments in the field of EAPs and present case examples of actual evaluations The range and diversity of topics reflect EAPs in transition their growth patterns evaluation needs and evaluation methods Overall this important volume emphasizes that successful evaluations depend not only on methodological expertise but a consideration of much broader salient and societal issues **The Clinician's Guide to Managed Behavioral Care** William Winston,Norman Winegar,2014-02-04

Managed care is a revolution impacting the practice of clinicians throughout America. The Clinician's Guide to Managed Behavioral Care called a survival kit and must reading helps clinicians develop and market professional services attuned to the needs of managed care systems, manage the utilization process and reshape an office practice or hospital-based program to become more managed care friendly. It is newly referenced and updated for clinicians to continue to advocate for their patients and clients. The Clinician's Guide to Managed Behavioral Care addresses how clinicians can develop and market professional services attuned to the needs of managed care systems, how to best manage the utilization review process, how to reshape an office practice or hospital-based program to become more managed care friendly, and how to best advocate for patients and clients. Readers will understand the history and evolution of attempts to manage mental health care costs and services, as well as the emerging clinical, economic, and social trends that will continue to fuel changes in the mental health field in coming years. Importantly, this guide sensitizes readers to the perspectives about mental health care benefits and the treatment field held by the payor, community insurance carriers, HMOs, and self-insured employers. It allows readers to consider a payor's view of how professionals can play a crucial role in providing quality services while helping control spiraling mental health care costs, costs that have escalated much faster than other segments of health care. Who can benefit from this book? Practicing psychologists, social workers, psychiatrists, substance abuse counselors, marriage and family therapists, Employee Assistance Professionals, psychiatric nurses, professional counselors, program managers, hospital administrators, and health care marketing professionals will find *The Clinician's Guide to Managed Behavioral Care* an invaluable resource. It is often said that in the future, all in the treatment community will be involved in managing care, and that the most successful clinicians and practices will be those most adept at working with managed care systems on behalf of their patients and clients. This book helps you understand how. Important topics in *The Clinician's Guide to Managed Behavioral Care*: the changing marketplace for mental health, substance abuse treatment services, assessing market opportunities in light of managed care influences, clinical service needs of managed care systems, clinical innovations, examples, case studies, vignettes, strategies for managing utilization review, marketing strategies for office-based practitioners, hospital managed care partnerships, contemporary office management strategies to control costs, consumers and managed care directory of America's HMOs, directory of America's Managed Mental Health Care Companies, glossary of key terms.

Resources in Education, 1994. Serves as an index to ERIC reports microform. *The Journal of the Assembly During the ... Session of the Legislature of the State of California* California. Legislature. Assembly, *Thesaurus of ERIC Descriptors*, 1990. 4th, 7th eds. contain a special chapter on The role and function of the thesaurus in education by Frederick Goodman. *Public Employee Relations Library*, 1987. *The SAGE Encyclopedia of Industrial and Organizational Psychology* Steven G. Rogelberg, 2016-09-27.
