Stahl,2005-03-23 Originating in a recent CIERA conference held at the University of Michigan this book brings together the nation's most distinguished researchers to examine how readers understand text and how comprehension is assessed The first part provides both national and historical contexts for the study of reading comprehension The second part examines how vocabulary motivation and expertise influence comprehension and it includes analyses of the developmental course and correlates of comprehension Chapters in the third part consider how schools focus on comprehension for instruction and assessment The fourth part includes chapters on large scale assessment that analyze how test formats and psychometric characteristics influence measures of reading comprehension At the end of each part is a commentary written by an expert that reviews the chapters critiques the main points and synthesizes critical issues Key features of this outstanding new book include Integration of Research and Practice provides a bridge between conceptual issues studied by researchers concerned with reading comprehension theories and practical issues addressed by educators concerned with classroom instruction and assessment Comprehension Focus provides a thorough history and rigorous research based analyses of reading comprehension Assessment Focus provides innovative approaches to comprehension assessment that include the influences of vocabulary decoding and motivation Synthetic Commentaries provides periodic summaries that analyze and synthesize research practices and issues discussed in each part Expertise contributing authors and commentators are highly respected authorities on reading comprehension see table of contents This text is appropriate for educational and psychological researchers reading educators and graduate students in education and psychology It is part of the CIERA series which includes the following volumes Taylor and Pearson Teaching Reading Effective Schools Accomplished Teachers 2002 Van Kleeck Stahl and Bauer On Reading Books to Children Parents and Teachers 2003 Hoffman and Schallert The Texts in Elementary Classrooms 2005 *Paperbound Books in Print* ,1983 **Encyclopedia of Educational Reform and Dissent** Thomas C. Hunt,2010-01-20 The history of American education is replete with educational reform and to a lesser extent educational dissent Consider the present you have various forms of privatization school choice the No Child Left Behind act home schooling value added accountability alternative teacher preparation programs on line instruction etc This range of activity is not exceptional For instance consider the past progressive education open education the junior high school the

middle school Life Adjustment education career education vocational education the comprehensive high school school to work year round schooling behavioral objectives proficiency exams high stakes testing whole language learning packages and self paced instruction modular scheduling site based management all presented as the way to reform American schools at least in part Then you have the reformers themselves such as John Dewey George Counts Herbert Kohl John Holt Charles Silberman Admiral Hyman Rickover James Bryant Conant all the way back to Horace Mann himself Dissenters and dissenting movements while not as numerous and certainly not as well known in educational circles count the various faith based schools and individuals such as Archbishop Hughes of New York Clearly this is an area rich in ideas rife with controversy and vital in its outcome for individuals and the nation as a whole And yet strangely enough there exists no major encyclopedia bringing the varied strands together in one place as a ready reference for scholars teachers school administrators and students studying to enter the educational profession This two volume work is intended to be that authoritative resource Key themes and topics include biographies of reformers and dissenters theoretical and ideological perspectives key programs and legislation judicial verdicts impacting educational change in America the politics and processes of educational reform and policy making dissent and resistance to reform technology s impact on educational reform A Reader s Guide in the front matter groups entries around such themes to help readers find related entries more easily
