A Red-Rose Chain Seanan McGuire, 2015-09-01 New York Times bestselling October Daye series Hugo Award winning author Seanan McGuire Top of my urban paranormal series list Felicia Day Things are looking up For the first time in what feels like years October Toby Daye has been able to pause long enough to take a breath and look at her life and she likes what she sees She has friends She has allies She has a squire to train and a King of Cats to love and maybe just maybe she can let her guard down for a change Or not When Queen Windermere s seneschal is elf shot and thrown into an enchanted sleep by agents from the neighboring Kingdom of Silences Toby finds herself in a role she never expected to play that of a diplomat She must travel to Portland Oregon to convince King Rhys of Silences not to go to war against the Mists But nothing is that simple and what October finds in Silences is worse than she would ever have imagined How far will Toby go when lives are on the line and when allies both old and new are threatened by a force she had never expected to face again How much is October willing to give up and how much is she willing to change In Faerie what s past is never really gone It s just waiting for an opportunity to pounce Red-rose Chain Jeffrey Moore, 2003 It is by no means clear how much control Yorkshireman Jeremy Davenant has over his own destiny For one he s convinced that the blueprint of his future already exists on a page ripped from a random book an encyclopedia it transpires Romantic fatalist quixotic he blithely teaches with forged credentials at a Montreal university until a single glimpse of a dark lady sends his life spinning into chaotic mishap and obsession **Prisoner in a Red-rose Chain** Jeffrey Moore, 2002 Romantic comedy meets giddy satire in this debut novel about a young English professor convinced that his destiny is mapped out on a page he once ripped from a book
