**Redcoats and Petticoats** Katherine Kirkpatrick, 2018-08-10 When the American Revolution arrives in Thomas Strong's sleepy Long Island village his life is turned upside down His church becomes a fort for the British and a company of Redcoats are quartered in his family's home But worst of all his father is arrested as a traitor and taken away It's no wonder that Thomas's mother seems to have been affected in the head She washes and rewashes handkerchiefs and petticoats so that her clothesline is continually full of laundry The errands on which she sends Thomas are not only peculiar but dangerous since they take him right past a Redcoat encampment At first Thomas doesn't know what to make of his mother's behavior but as he keeps his eyes and ears open he begins to suspect that things are not necessarily as they seem Katherine Kirkpatrick's captivating story is based on the Culper Spy Ring which operated on Long Island and in Connecticut from 1778-1783 Its purpose was to send messages to General George Washington about the activities of the British Army in New York City Ronald Himler's dramatic watercolor illustrations bring this pivotal period of U.S. history to life for contemporary readers Katherine Kirkpatrick grew up near Setauket in Stony Brook New York She first learned of Anna Nancy Strong's role in the Culper Spy Ring from Strong's great-great-granddaughter Kate Strong whom she interviewed for a fourth-grade project Kirkpatrick has published eight books for children and young adults both fiction and nonfiction She lives in Seattle Washington Visit her at <http://katherinekirkpatrick.com> Ronald Himler has illustrated over a hundred books for children His paintings also appear in art galleries throughout the Southwest where he is highly acclaimed for his portraits of the Plains Indians He lives in Tucson Arizona To find out more about his work visit <http://www.ronhimler.com> *Strategies that Work* Stephanie Harvey, Anne Goudvis, 2007 Describes strategies teachers can use to promote reading comprehension in students from kindergarten through eighth grade and includes examples of student work illustrations and other reference tools
