*Green Eyes, Black Heart* R.W. Doyen, 2013-01-16 The road of Sandra Miller's life is strewn with the corpses of those who loved her or simply got in her way. She was born in a small town in Maine on a stormy night with thunder and lightning sent by the devil himself. She was born to be bad and yet her evil is hidden well beneath bright green eyes and a sexual presence no man can resist. She focuses on the so-called stronger sex weaving a web of seduction until she catches her prey and the road of her life has been strewn with the corpses of those who loved her and those simply got in her way. She continues on her hellish path even entering into a miserable marriage and having a child of her own. Lust takes control however when she meets husband and father Joel Bemis. Joel reminds her of a man she killed years before a fact that makes him all the more attractive. She must possess Joel at any cost and yet for once a man sees beyond her green eyes to the darkness within. Sandra resorts to shameless stalking and soon her behavior turns dangerous. Will Joel become another of her many victims or will Sandra finally get what she deserves?
