Holy Word J. Arthur Baird, 2002-06-01 J Arthur Baird is the author of several important books in New Testament studies his best known perhaps being his *Audience Criticism and the Historical Jesus* At his untimely death he left a nearly complete manuscript now published here In this timely and relevant manuscript Baird offers first a critical introduction to the historical paradigm pointing out its limitations in terms of tracing the paradigm of New Testament formation He then traces this development himself beginning with the starting point of the Holy Word and noting its development through the context theological interpretation and application to its manifestation in the apostles schools and fathers He concludes with comments on its current implications This book represents the last and lasting final thoughts of a scholar who was very much devoted to the importance of the Holy Word The Gospel of Matthew and the Sayings Source Q Frans Neirynck, Joseph

Verheyden, R. Corstjens, 1998 The present Bibliography covers the research on the Gospel of Matthew and on the Gospel Source Q from 1950 to 1995 The new volume has adopted the model of the previously published The Gospel of Mark A Cumulative Bibliography 1950 1990 It contains about 15 000 entries and is arranged alphabetically by name of author the author's works are given in chronological order Each entry includes the complete bibliographical references information about reprints new editions and translations and summary indications of the content Gospel passage subject The companion volume furnishes detailed Indexes of Gospel Passages and Subject matters related to Mt and to Q All indexes are prepared by J Verheyden The Bibliography completes the series of Leuven repertories on the Gospels published in BETL 82 John 1988 88 Luke 1989 and 102 Mark 1992 *The Gospel of Mark* Watson E. Mills, 1994 **Reprint Expediting Service Bulletin**, 1990 **Elenchus of Biblica**, 1988 **The Kingdom of God** Christopher W. Morgan, Robert A. Peterson, 2012-11-30 The kingdom of God is a very large biblical category indeed Accordingly a comprehensive understanding of the kingdom would illuminate many aspects of theology With this in mind Bruce Waltke Robert Yarbrough Gerald Bray Clinton Arnold Gregg Allison Stephen Nichols and Anthony Bradley have collaborated to articulate a full view of the kingdom of God across multiple disciplines One of the most important books on the kingdom since G E Ladd this volume offers a robust theology and is corroborated by the very series in which it stands Fourth in the noted Theology in Community series The Kingdom of God establishes the significance of the kingdom from the perspectives of biblical theology systematic theology history pastoral application missiology and cultural analysis Part of the Theology in Community series **The Anchor Bible Dictionary: K-N**, 1992 **The Gospel of Mark**, 1992 **New Approaches to Jesus and the Gospels** Royce G. Gruenler, 2015-05-12 The approaches of contemporary New Testament scholarship to Jesus and the Gospels have been in Royce Gordon Gruenler's view inadequate Instead he offers some imaginative and well articulated reflections on several new and promising approaches These have meant a great deal to me over the past few years he writes since in fact I had a change of personal commitment from a former liberalism which had run dry to the rediscovery of the vitality of my earlier evangelical heritage This change was precipitated by the investigation of the data that this provocative volume details Gruenler employs a phenomenology of persons borrowed from Wittgenstein to highlight the fundamental claims of Jesus Though limiting himself to the core of sayings accepted by radical critics as authentic the author concludes that Jesus' concept of himself is so incredible on any human level that it becomes academic to insist on separating his implicit from his explicit christological claims The use of redaction criticism to distinguish the two therefore is misguided Marshaled in support are Lewis who urges attentiveness and obedience to the story Ramsey who points to the logically odd supernaturalism of the Gospels Polanyi the tacit dimension of trust Marcel Jesus creative fidelity Tolkien the spell of the story and Van Til the importance of presuppositions in Gospel research **The Greed Syndrome** Joseph Arthur Baird, 1989 **Reprint Bulletin**, 1990 **New Testament Abstracts**, 1984 Rediscovering the Kingdom Myles Munroe, 2004-07-28 When governments

collapse human philosophies fail and your life is crashing down around you Rediscovering the Kingdom will become your guide through the treacherous storms of the 21st century All of the past ideologies have failed humanism communism totalitarianism fascism socialism and even democracy This is a philosophy an ideology that will not fail for it was bore in the heart of God Himself As Dr Munroe unveils the reality and the power of the Kingdom of God you will be challenged to the core of your religious soul as you discover realities that few have seen let alone talked about Rediscovering the Kingdom will defy almost every concept you have about religion as it shifts the focus away from religion towards the ultimate issue the Kingdom of God In this book you will discover The keys that make the Kingdom function in your life Why religion cannot solve your problems Why governments and world leaders continue to fail us Why religion can never fulfill your deepest desire Why power is the pursuit of all mankind The present and future reality of the Kingdom among us The original message and purpose of Jesus Forthcoming Books Rose Arny,2003 Jesus and the Powers N. T. Wright,Michael F. Bird,2024-03-26

An urgent call for Christians everywhere to explore the nature of the kingdom amid the political upheaval of our day Should Christians be politically withdrawn avoiding participation in politics to maintain their prophetic voice and to keep from being used as political pawns Or should Christians be actively involved seeking to utilize political systems to control the levers of power In Jesus and the Powers N T Wright and Michael F Bird call Christians everywhere to discern the nature of Christian witness in fractured political environments In an age of ascending autocracies in a time of fear and fragmentation amid carnage and crises Jesus is king and Jesus s kingdom remains the object of the church s witness and work Part political theology part biblical overview and part church history this book argues that building for Jesus s kingdom requires confronting empire in all its forms This approach should orient Christians toward a form of political engagement that contributes to free democratic societies and vigorously opposes political schemes based on autocracy and nationalism Throughout Wright and Bird reflect on the relevance of this kingdom oriented approach to current events including the Russian Ukraine conflict the China Taiwan tension political turmoil in the USA UK and Australia and the problem of Christian nationalism
