Redneckin' Kathryn Jensen, 1983 **From Yeoman to Redneck in the South Carolina Upcountry, 1850-1915** Stephen A. West, 2008 In *From Yeoman to Redneck in the South Carolina Upcountry* Stephen A. West revises understandings of the American South by offering a new perspective on two iconic figures in the region's social landscape Yeoman a term of praise for the small landowning farmer was commonly used during the antebellum era but ultimately eclipsed by redneck an epithet that emerged at the end of the nineteenth century In popular use each served less as a precise class label than as a means to celebrate or denigrate the moral and civic worth of broad groups of white men Viewing these richly evocative figures as ideological inventions rather than sociological realities West examines the divisions they obscured and the conflicts that gave them such force The setting for this impressively detailed study is the Upper Piedmont of South Carolina the sort of upcountry region typically associated with the white plain folk West shows how the yeoman ideal played a vital role in proslavery discourse before the Civil War but poorly captured the realities of life with important implications for how historians understand the politics of slavery and the drive for secession After the Civil War the South Carolina upcountry was convulsed by the economic transformations and political conflicts out of which the redneck was born West reinterprets key developments in the history of the New South such as the politics of lynching and the phenomenon of the Southern demagogue and uncovers the historical roots of a stereotype that continues to loom large in popular understandings of the American South Drawing together periods and topics often treated separately West combines economic social and political history in an original and compelling account **Why the South Lost the War** Bo Whaley, 1992 The author of the bestseller *The Official Redneck Handbook* tries to explain how insurance companies work how one becomes a senior citizen how to hook up a VCR why hospitals that charge hundreds of dollars a day provide you with a gown that doesn't cover you why today's neckties cost so much and more Illustrated *Gun Racks and Six Packs* Bo Whaley, 1998-03 A best of collection of Southern humor from Bo Whaley author of *The Official Redneck Handbook* and *A Field Guide to Southern Women* Bo Whaley's Field Guide to Southern Women Bo Whaley, 1990 **Cataloging Concepts** Matthew Edward Gildea, 2002 **The News-letter of the Society for the Study of Southern Literature** Society for the Study of Southern Literature, 1987
