Necessary Madness Gregg Camfield,1997 Turning next to literary case studies powerfully revealing of this contact Camfield in part II pairs male and female humorists Washington Irving and Fanny Fern Harriet Beecher Stowe and Herman Melville Mark Twain and Marietta Holley and George Washington Harris and Mary Wilkins Freeman not only to demonstrate the way these influential writers approach domesticity with genial humor but also to support his claim that gender difference does not always correlate to differences in viewpoint and practice within this common style *Featherless Chickens, Laughing Women, and Serious Stories* Jeannie B. Precious Perversions Tison Pugh,2016-03-21 The tragic sentiment of Southern literature and its heteronormative perspective are foundational attributes generally accepted by both popular and scholarly audiences Yet a pantheon of great authors ranging from like Tennessee Williams Carson McCullers and Truman Capote to present day voices of Alice Walker John Waters and David Sedaris collectively attest to both the vibrancy of queer experience and the prevalence of humor found in this rich regional cannon In *Precious Perversions* Humor Homosexuality and the Southern Literary Canon Tison Pugh challenges the premises that elevate William Faulkner and diminish Florence King that esteem Walker Percy yet marginalize David Sedaris by arguing for the inclusion of gay comic authors as long standing defining voices in the field By redefining the tenets of Southern literature Pugh reveals long overlooked or discounted aspects of gay humor within the South s literary realm Noting for example that Tennessee Williams is revered as a dramatist who probes the heart of the human condition rather than for his submerged camp humor and Truman Capote s comic cinema and literature never eclipsed serious works Pugh establishes a history of mainstream and academic critique that ignored queer humor Likewise Florence King and Rita Mae Brown wrote defining narratives of Southern lesbian experience in respectively *Confessions of a Failed Southern Lady* and *Rubyfruit Jungle* yet according to Pugh they are almost entirely neglected in accounts of the

literary South More recently the author shows the critical reception of Dorothy Allison's *Bastard Out of Carolina* testifies to an overarching interest in the traumatic aspects of her poetry and fiction rather than in her humor and its cathartic power Pugh also asserts that David Sedaris as a writer of the post Southern South who appears to fall beyond the parameters of regional literature for many readers creates a new humorous vision of the region that recognizes both its pained history and its grudging accession to modernity Drawing from works of key southern writers Pugh sets forth a new vision of Southern literature emerges one illuminated by the humor of gay voices no longer at the margins **Shaping Our Mothers' World**

Reading Reconstruction Kathryn B. McKee, 2019-01-08 Kathryn B McKee's *Reading Reconstruction* situates Mississippi writer Katharine Sherwood Bonner McDowell 1849-1883 as an astute cultural observer throughout the 1870s and 1880s who portrayed the discord and uneasiness of the Reconstruction era in her fiction and nonfiction works McKee reveals conflicts in Bonner's writing as her newfound feminism clashes with her resurgent racism two forces widely prevalent and persistently oppositional throughout the late nineteenth century *Reading Reconstruction* begins by tracing the historical contexts that defined Bonner's life in postwar Holly Springs McKee explores how questions of race gender and national citizenship permeated Bonner's social milieu and provided subject matter for her literary works Examining Bonner's writing across multiple genres McKee finds that the author's wry but dark humor satirizes the foibles and inconsistencies of southern culture Bonner's travel letters first from Boston and then from the capitals of Europe show her both embracing and performing her role as a southern woman before coming to see herself as simply American when abroad Like *unto Like* the single novel she published in her lifetime directly engages with Mississippi's postbellum political life especially its racial violence and the rise of Lost Cause ideology Her two short story collections including the raucously comic pieces in *Dialect Tales* and the more nostalgic *Suwanee River Tales* indicate her consistent absorption in the debates of her time as she ponders shifting definitions of citizenship questions the evolving rhetoric of postwar reconciliation and readily employs humor to disrupt conventional domestic scenarios and gender roles In the end Bonner's writing offers a telling index of the paradoxes and irresolution of the period advocating for a feminist reinterpretation of traditional gender hierarchies but verging only reluctantly on the questions of racial equality that nonetheless unsettle her plots By challenging traditional readings of postbellum southern literature McKee offers a long overdue reassessment of Sherwood Bonner's place in American literary history

On Anthologies Jeffrey R. Di Leo, 2004-01-01 Over the course of the past twenty five years anthologies have shifted from playing a relatively minor role in academic culture to a position of dominance The essays in this collection explore the significant intellectual economic political pedagogical and creative resonance of anthologies through all levels of academic life They

show that anthologies have consequences and are grounded in commitments Striving to articulate these consequences and commitments is a priority in higher education today Most of the contributors to this volume are editors of anthologies and they draw on personal experiences to provide a rare glimpse into the economics and logic of anthology publication Their essays illustrate the ways in which editing an anthology involves negotiation and compromise between intellectual ideal and realistic practice On Anthologies includes discussion of a wide range of anthologies used and produced by teachers and scholars Though the emphasis is on literature and theory anthologies the insights in this volume speak to professionals in all areas of academic life Collectively these essays establish the foundation for continuing critical analysis of anthology production and consumption in all disciplines

Mark Twain, American Humorist Tracy Wuster, 2017-12-01 Mark Twain American Humorist examines the ways that Mark Twain's reputation developed at home and abroad in the period between 1865 and 1882 years in which he went from a regional humorist to national and international fame In the late 1860s Mark Twain became the exemplar of a school of humor that was thought to be uniquely American As he moved into more respectable venues in the 1870s especially through the promotion of William Dean Howells in the Atlantic Monthly Mark Twain muddled the hierarchical distinctions between class appropriate leisure and burgeoning forms of mass entertainment between uplifting humor and debased laughter and between the literature of high culture and the passing whim of the merely popular

New York Women of Wit in the Twentieth Century Sabrina Fuchs Abrams, 2023-12-05 Seen as too smart too sassy too sexy and too strident female humorists have been resisted and overlooked New York Women of Wit in the Twentieth Century corrects this tendency focusing on the foremothers of women's humor in modern America who used satire irony and wit as indirect forms of social protest This book focuses on the women who stood on the periphery of predominantly male New York intellectual circles in the twentieth century Sabrina Fuchs Abrams argues that the advent of modernism the women's suffrage movement the emergence of the New Woman and the New Negro Woman and the growth of urban centers in the 1920s and 30s gave rise to a new voice of women's humor one that was at once defiant and conflicted in defining female identity and the underlying assumptions about gender roles in American society Her study gives special attention to the contributions of the satirists Edna St Vincent Millay pseudonym Nancy Boyd Tess Slesinger Dorothy Parker Jessie Redmon Fauset Dawn Powell and Mary McCarthy Grounded in theories of humor feminist and critical race theory and urban studies this book will find an audience among scholars and students interested in women writers feminist humor modern American literature and African American studies
