Summary of Aubrey Gordon's What We Don't Talk About When We Talk About Fat Everest

Media,2022-04-22T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 On a flight to Long Beach a woman was reassigned to a middle seat because her size 28 body took up too much space She had spent her life avoiding touching men s hot stoves of anger 2 I have found ways to minimize the likelihood of humiliation I don t fly often and when I do the experience remains punishing at every turn Still couples stare at me while I wait to board at the gate openly discussing my body and trying to sneak a picture 3 The physical world is not built for bodies like mine even as our numbers are growing I am constantly reminded of this by the people around me from the man on the plane to the staff at department stores 4 Airline seat sizes have been decreasing over the years and it s getting harder and harder to fit in them

What We Don't Talk About When We Talk About Fat Aubrey Gordon,2020-11-17 From the creator of Your Fat Friend and co host of the Maintenance Phase podcast an explosive indictment of the systemic and cultural bias facing plus size people Anti fatness is everywhere In What We Don t Talk About When We Talk About Fat Aubrey Gordon unearths the cultural attitudes and social systems that have led to people being denied basic needs because they are fat and calls for social justice movements to be inclusive of plus sized people s experiences Unlike the recent wave of memoirs and quasi self help books that encourage readers to love and accept themselves Gordon pushes the discussion further towards authentic fat activism which includes ending legal weight discrimination giving equal access to health care for large people increased access to public spaces and ending anti fat violence As she argues I did not come to body positivity for self esteem I came to it for social justice By sharing her experiences as well as those of others from smaller fat to very fat people she concludes that to be fat in our society is to be seen as an undeniable failure unlovable unforgivable and morally condemnable Fatness is an open invitation for others to express disgust fear and insidious concern To be fat is to be denied humanity and empathy Studies show that fat survivors of sexual assault are less likely to be believed and less likely than their thin counterparts to report various crimes 27% of very fat women and 13% of very fat men attempt suicide over 50% of doctors describe their fat patients as awkward unattractive ugly and noncompliant and in 48 states it s legal even routine to deny employment because of an applicant s size Advancing fat justice and changing prejudicial structures and attitudes will require work from all people What We Don t Talk About When We Talk About Fat is a crucial tool to create a tectonic shift in the way we see talk
