## **Reel Baseball Essays And Interviews On The National Pastime Hollywood And American Culture:**

**Reel Baseball** Stephen C. Wood, J. David Pincus, 2003-01-16 Not only are movies and baseball two of America's favorite pastimes they are integral parts of our culture. Small wonder that the two frequently merge in Hollywood's use of baseball themes, jargon and icons. This work on baseball in the movies is organized into four sections examining different aspects of the cultural intersection between film and baseball. In the first three sections *Baseball in Baseball Films*, *Babe Ruth and the Silver Screen* and *Baseball in Non Baseball Films*, essays by scholars in various disciplines cover such topics as symbols, the role of family, baseball as a facilitator of violence and the American mythos. The fourth section consists of interviews with directors such as Ron Shelton and Penny Marshall, actors Kevin Costner, James Belushi and baseball personnel, broadcaster Vin Scully, coach Rod Dedeaux who have worked in baseball films. Instructors considering this book for use in a course may request an examination copy here.

**Hollywood Blockbusters** David Sutton, Peter Wogan, 2020-05-15 Why do *Jaws*, *Field of Dreams*, *The Big Lebowski* and *The Godfather* remain strikingly popular in this age of fragmented audiences and ever faster spin cycles? *Hollywood Blockbusters: The Anthropology of Popular Movies* argues that these films continue to captivate audiences because they play upon underlying tensions and problems in American culture much like the myths that anthropologists study in non-Western contexts. In making this argument, the authors employ and extend anthropological theories about ritual, kinship, gift giving, power, egalitarianism, literacy, metalinguistics, stereotypes and the mysteries of the Other. The results, original insights into modern film classics, American culture and anthropological theory will appeal to students of Film, Media, Anthropology, Sociology and Cultural Studies.

**Americanization of History** Kathleen McDonald, 2010-10-12 This collection of essays searches for how history and literature translate into filmic texts that then reflect the time and place of the translation. Major motion pictures as well as television movies and series are the sites of this exploration. The opening essay surveys what films tell us it means to be set in a medieval time while the second looks at one of the most powerful movie studios since the earliest days of movie making, Walt Disney Studios. The second section investigates classic Americana by delving specifically into the hegemonic power of Walt Disney Studios by considering the union between the American pastime of baseball and the great white way of Broadway and by discovering the constantly morphing relationship of the icons of the Wild West. Section three looks at characters living outside of roles considered socially appropriate in their world: vampire slayers, mobsters and those with multiple personalities. The fourth section studies how present-day mores of power and beauty control revisions of historically based stories through issues of vengeance, race, sexuality and the notion of beauty itself. The final section takes up the question of what it means to historicize the present moment and analyzes the current period via a very popular and long running show's depiction of sexuality as accepted or rejected within a paradigm that appears not merely to tolerate but actively to promote deviance. The last essay questions the very concepts of time and history themselves. The articles do not reach one conclusion regarding this topic but instead

provide a variety of perspectives which help to theorize the issue for the discerning reader      *Movies and the Church of Baseball* Jonathan Plummer,2024-12-25 Christian religious imagery and symbolism has a long history in American baseball cinema from *The Busher* 1919 to *Angels in the Outfield* 1994 and present day movies This book examines *The Natural* *Field of Dreams* *Bull Durham* and other films exploring the frequency of Christian imagery and themes in the American baseball movie From Babe Ruth s performance of a miracle to help a disabled boy walk again in *The Babe Ruth Story* to Shoeless Joe Jackson s question to Ray Kinsella Is this heaven in *Field of Dreams* Christian themes and American baseball film are inextricably linked This discussion encompasses symbolic imagery in mainstream film Christian baseball movies directed by Christian filmmakers promoting their faith messages and images of America as a prelapsarian paradise before The Fall

*The Baseball Film in Postwar America* Ron Briley, 2014-01-10 This work focuses

on the baseball movie genre in the years following World War II beginning with the 1948 biopic *The Babe Ruth Story* and ending with the 1962 Mickey Mantle Roger Maris vehicle *Safe at Home* when the consensus was that conflict should be limited in American society by emphasizing economic growth and a strong stand against Communism. This study of selected films indicates however that this strategy was not entirely effective while offering a certain amount of nostalgia these films could not provide shelter from the storm gathering in postwar America which challenged conventional ideas of race gender and class and broke in the 1960s.
