Refiguring Chaucer In The Renaissance

Jane Griffiths

Refiguring Chaucer In The Renaissance:

Refiguring Chaucer in the Renaissance Theresa M. Krier, 1998 This collection of essays surveys the diverse receptions and workings of Chaucer from the early sixteenth to the early seventeenth century It emphasizes the many kinds of influence that Chaucer and his poems exerted on British letters and culture during these years and assesses how Chaucer poet works and representations by others became a cultural category that changed in Tudor and early Jacobean England as the Reformation and increasing distance from Middle English made Chaucer representative of a lost medieval past Rereading Chaucer and Spenser Rachel Stenner, Tamsin Badcoe, Gareth Griffith, 2019-05-10 Rereading Chaucer and Spenser Dan Geffrey with the New Poete offers dynamic new approaches to the relationship between the works of Geoffrey Chaucer and Edmund Spenser Contributors draw on current and emerging preoccupations in contemporary scholarship and offer new perspectives on poetic authority influence and intertextuality *Chaucer and Fame* Isabel Davis, Catherine Nall, 2015 Fame or fame is a central concern of late medieval literature Where fame came from who deserved it whether it was desirable how it was acquired and kept were significant inquiries for a culture that relied extensively on personal credit and reputation An interest in fame was not new being inherited from the classical world but was renewed and rethought within the vernacular revolutions of the later Middle Ages The work of Geoffrey Chaucer shows a preoccupation with ideas on the subject of fama not only those received from the classical world but also those of his near contemporaries via an engagement with their texts he aimed to negotiate a place for his own work in the literary canon establishing fame as the subject site at which literary theory was contested and writerly reputation won Chaucer's place in these negotiations was readily recognized in his aftermath as later writers adopted and reworked postures which Chaucer had struck in their own bids for literary place This volume considers the debates on fama which were past present and future to Chaucer using his work as a centre point to investigate canon formation in European literature from the late Middle Ages and into the Early Modern period Isabel Davis is Senior Lecturer in Medieval Literature at Birkbeck University of London Catherine Nall is Senior Lecturer in Medieval Literature at Royal Holloway University of London Contributors Joanna Bellis Alcuin Blamires Julia Boffey Isabel Davis Stephanie Downes A S G Edwards Jamie C Fumo Andrew Galloway Nick Havely Thomas A Prendergast Mike Rodman Jones William T Rossiter Elizaveta Strakhov **Twentieth-Century Chaucer Criticism** Dr Kathy Cawsey, 2013-05-28 Shifting ideas about Geoffrey Chaucer's audience have produced radically different readings of Chaucer's work over the course of the past century Kathy Cawsey in her book on the changing relationship among Chaucer critics and theories of audience draws on Michel Foucault's concept of the author function to propose the idea of an audience function which shows the ways critics' concepts of audience affect and condition their criticism Focusing on six trend setting Chaucerian scholars Cawsey identifies the assumptions about Chaucer's audience underpinning each critic's work arguing these ideas best explain the diversity of interpretation in Chaucer criticism Further Cawsey suggests few studies of Chaucer's own understanding of audience have

been done in part because Chaucer criticism has been conditioned by scholars' latent suppositions about Chaucer's own audience. In making sense of the confusing and conflicting mass of modern Chaucer criticism, Cawsey also provides insights into the development of twentieth-century literary criticism and theory.

Lost Property Jennifer Summit, 2000-07 The English literary canon is haunted by the figure of the lost woman writer. In our own age she has been a powerful stimulus for the rediscovery of works written by women. But as Jennifer Summit argues, the lost woman writer also served as an evocative symbol during the very formation of an English literary tradition from the fourteenth through the sixteenth centuries. *Lost Property* traces the representation of women writers from Margery Kempe and Christine de Pizan to Elizabeth I and Mary Queen of Scots, exploring how the woman writer became a focal point for emerging theories of literature and authorship in English precisely because of her perceived alienation from tradition. Through original archival research and readings of key literary texts, Summit writes a new history of the woman writer that reflects the impact of such developments as the introduction of printing, the Reformation, and the rise of the English court as a literary center. A major rethinking of the place of women writers in the histories of books, authorship, and canon formation, *Lost Property* demonstrates that rather than being an unimaginable anomaly, the idea of the woman writer played a key role in the invention of English literature.

Will & Love Darren Dyck, 2023-03-10 Will Love examines four of Shakespeare's love plays: *Romeo and Juliet*, *Troilus and Cressida*, *Twelfth Night*, and *Antony and Cleopatra*, in light of the Augustinian psychology at the heart of the theological romance tradition. This tradition, which Shakespeare inherits from medieval theologian-poets such as Boethius, Dante, Petrarch, and Chaucer, issues from the idea initially expressed by Augustine in his *Confessions* that love functions as volitional weight, as a kind of magnetism or almost gravitational force that moves the lover in mysterious ways yet without diminishing his or her agency. Will Love highlights Shakespeare's conception of love in terms of motion and explores the metaphysical, ethical, psychological, and dramatic implications of his doing so.

Ideas of Authorship in the English and Scottish Dream Vision Laurie Atkinson, 2024 An investigation of English and Scottish dream visions written on the cusp of the Renaissance, teasing out distinctive ideas of authorship which informed their design. The fifteenth and sixteenth centuries have long been acknowledged as a period of profound change in ideas of authorship, in which a transition from a medieval to a modern paradigm took place. In England and Scotland, changing approaches to Chaucer have rightly been considered as a catalyst for the elevation of English as a literary language and the birth of an English literary history. There is a tendency, however, when moving from Chaucer's self-professed poetic followers of this time to the philological approach associated with William Caxton and the 1532 *Works*, to pass over the literary careers of the English and Scots poets belonging to the intervening half-century: John Skelton, William Dunbar, Stephen Hawes, and Gavin Douglas. This volume redresses that neglect. Its close and comparative readings of these poets' stimulating but critically neglected dream visions and related first-person narratives reveal a spectrum of ideas of authorship, four distinct engagements with tradition and opportunity united by their utilisation.

of a particular form It regards authorship as a topic of invention a discourse for appropriation which is available to but not inevitable in late medieval and early modern writing Overall it facilitates newly focussed study of an often obscured literary historical period one with a heightened interest in the authors of the past Chaucer Lydgate Petrarch Virgil but also an increasingly acute perception of the conditions of authorship in the present **Shakespeare Studies, volume 45** James R. Siemon, Diana E. Henderson, 2017-12-31 Shakespeare Studies is an annual volume featuring the work of scholars critics and cultural historians from across the globe This issue includes a Forum on the drama of the 1580s from eleven contributors a Next Gen Plenary from four contributors three articles and reviews of sixteen books **The Poet and the Antiquaries** Megan L. Cook, 2019-04-12 Between 1532 and 1602 the works of Geoffrey Chaucer were published in no less than six folio editions These were in fact the largest books of poetry produced in sixteenth century England and they significantly shaped the perceptions of Chaucer that would hold sway for centuries to come But it is the stories behind these editions that are the focus of Megan L Cook s interest in *The Poet and the Antiquaries* She explores how antiquarians historians lexicographers religious polemicists and other readers with a professional but not necessarily literary interest in the English past played an indispensable role in making Chaucer a figure of lasting literary and cultural importance After establishing the antiquarian involvement in the publication of the folio editions Cook offers a series of case studies that discuss Chaucer and his works in relation to specific sixteenth century discourses about the past She turns to early accounts of Chaucer s biography to show how important they were in constructing the poet as a figure whose life and works could be known understood and valued by later readers She considers the claims made about Chaucer s religious views especially the assertions that he was a proto Protestant and the effects they had on shaping his canon Looking at early modern views on Chaucerian language she illustrates how complicated the relations between past and present forms of English were thought to be Finally she demonstrates the ways in which antiquarian readers applied knowledge from other areas of scholarship to their reading of Middle English texts Linking Chaucer s exceptional standing in the poetic canon with his role as a symbol of linguistic and national identity *The Poet and the Antiquaries* demonstrates how and why Chaucer became not only the first English author to become a subject of historical inquiry but also a crucial figure for conceptualizing the medieval in early modern England

Shakespeare and the Medieval World Helen Cooper, 2014-09-26 Helen Cooper s unique study examines how continuations of medieval culture into the early modern period forged Shakespeare s development as a dramatist and poet Medieval culture pervaded his life and work from his childhood spent within reach of the last performances of the Coventry Corpus Christi plays to his dramatisation of Chaucer in *The Two Noble Kinsmen* three years before his death The world he lived in was still largely a medieval one in its topography and its institutions The language he spoke had been forged over the centuries since the Norman Conquest The genres in which he wrote not least historical tragedy love comedy and romance were medieval inventions A high proportion of his plays have medieval origins and he kept returning to Chaucer

acknowledged as the greatest poet in the English language Above all he grew up with an English tradition of drama developed during the Middle Ages that assumed that it was possible to stage anything all time all space Shakespeare and the Medieval World provides a panoramic overview that opens up new vistas within his work and uncovers the richness of his inheritance

Birth Passages Theresa M. Krier,2001 Birth Passages offers a provocative and eloquent challenge to the nostalgia for the maternal sometimes influenced by classic Freudian theory which pervades many discourses Theresa M Krier suggests an alternative to the common characterizations of the maternal as a force inspiring both desire and dread a force that must be repressed if subjectivity and culture are to be established Instead drawing on the work of Melanie Klein D W Winnicott and Luce Irigaray Krier seeks to establish a new model of the relationship between mother and infant one in which birth is seen not as the tragic ending to the prenatal union but rather as the child s claiming both distance from and proximity to this parent Krier s insightful readings of poetic works from antiquity the Middle Ages and the Renaissance show these texts in opposition to their cultures insistent nostalgia for the maternal Their authors she maintains recognize such longing as a symptom of a glamorous but false and disabling fantasy In her analysis of the Song of Songs Lucretius s De rerum natura Chaucer s Parlement of Foules Spenser s Amoretti and Faerie Queene and Shakespeare s Love s Labor s Lost and The Winter s Tale Krier details how the writings represent the intersubjective nature of birth

Spenser in the Moment Paul J. Hecht,J. B. Lethbridge,2015-11-05 Spenser in the Moment collects specially commissioned essays critical of established readings each of which in surveying the state of the art attempts radically to unsettle our conception of the poetry of Edmund Spenser 1552 1599 The editors were drawn together by a shared restlessness with the canonical Spenser and a sense that attention especially to Spenser s musical qualities and the distinctiveness of his poetic style compared with that of his contemporaries could display exciting new paths forward Scholars from three continents contribute bracing reviews of Spenser s relationship with his classical sources with religious history and the history of the book Two essays consider Spenser and music both music in Spenser s works and Spenser s works in the music of his time Two working poets inaugurate the final group of essays on Spenser s poetry with original irreverent poetry reflecting and riffing on Spenser The essays argue for various versions of revolution one mixing aesthetics and sex another diagnosing widespread fallacies expressivist and dramatistic made in reading Spenser and the last arguing for a Spenser not of enormous interlocking networks but of the moment that the primary Spenserian structure is that of a moment of stillness in motion With so much change behind us already in this young century another series of changes emerges from recent work and a sense of expectation as of held breath seems to pervade the discipline that is the moment that this volume attempts to capture and nourish

Wyatt Abroad William T. Rossiter,2014 An examination of Wyatt s translations and adaptations of European poetry yields fresh insights into his work and poetic practice

Worlds Made Flesh Lauryn Mayer,2004-06 Lauryn Mayer examines chronicle histories that have been largely ignored by scholars bringing these neglected texts into dialogue

Tottel's Songes and Sonettes in Context Stephen Hamrick, 2016-02-24 Though printer Richard Tottel's *Songes and Sonettes* 1557 remains the most influential poetic collection printed in the sixteenth century the compilation has long been ignored or misunderstood by scholars of early modern English culture Embracing a broad range of critical and historical perspectives the eight essays within this volume offer the first sustained analysis of the many ways that consumers read and understood *Songes and Sonettes* as an anthology over the course of the early modern period Copied by a monarch set to music sung carried overseas studied appropriated rejected edited by consumers transferred to manuscript and gifted by Shakespeare this multi author verse anthology of 280 poems transformed sixteenth century English language and culture With at least eleven printings before the end of Elizabeth I's reign Tottel's ground breaking text greatly influenced the poetic publications that followed including individual and multi author miscellanies Contributors to this essay collection explore how in addition to offering a radically new kind of English verse Tottel's Miscellany engaged politics friendship religion sexuality gender morality and commerce in complex and at times contradictory ways

Diverting Authorities Jane Griffiths, 2014-12-11 *Diverting Authorities* examines the glossing of a variety of fifteenth and sixteenth century texts by authors including Lydgate Douglas Chalonier Baldwin Bullein Harington and Nashe It is concerned particularly with the use of glosses as a means for authors to reflect on the process of shaping a text and with the emergence of the gloss as a self consciously literary form One of the main questions it addresses is to what extent the advent of print affects glossing practices To this end it traces the transmission of a number of glossed texts in both manuscript and print but also examines glossing that is integral to texts written with print production in mind With the latter it focuses particularly on a little remarked but surprisingly common category of gloss glossing that is ostentatiously playful diverting rather than directing its readers Setting this in the context of emerging print conventions and concerns about the stability of print Jane Griffiths argues that like self glossing in manuscript such diverting glosses shape as well as reflect contemporary ideas of authorship and authority and are thus genuinely experimental The book reads across medieval renaissance and manuscript print boundaries in order to trace the emergence of the gloss as a genre and the way in which theories of authorship are affected by the material processes of writing and transmission

Storytelling: Critical and Creative Approaches J. Shaw, P. Kelly, L. Semler, 2013-11-27 This collection uses the concept of story to connect literary materials and methods of analysis to wider issues of social and political importance Drawing on a range of texts themes include post colonial literatures history in literature old stories in contemporary contexts and the relationship between creativity and criticism

Worldmaking
Spenser Patrick Cheney, Lauren Silberman, 2021-10-21 *Worldmaking Spenser* reexamines the role of Spenser's work in English history and highlights the richness and complexity of his understanding of place The volume centers on the idea that complex and allusive literary works such as *The Faerie Queene* must be read in the context of the cultural literary political economic and ideological forces at play in the highly allegorical poem The authors define Spenser as the maker of poetic

worlds of the Elizabethan world and of the modern world The essays look at Spenser from three distinct vantage points The contributors explore his literary origins in classical medieval and Renaissance continental writings and his influences on sixteenth century culture Spenser also had a great impact on later literary figures including Lady Mary Wroth and Aemilia Lanyer two of the seventeenth century s most important writers The authors address the full range of Spenser s work both long and short poetry as well as prose The essays unequivocally demonstrate that Spenser occupies a substantial place in a seminal era in English history and European culture

Chaucer's Squire's Tale, Franklin's Tale, and Physician's Tale Kenneth Bleeth, 2018-11-19 The latest volume in the Chaucer Bibliographies series meticulously assembled by Kenneth Bleeth is the most comprehensive record of scholarship on Chaucer s Squire s Tale Franklin s Tale and Physician s Tale

Shakespeare's Ovid and the Spectre of the Medieval Lindsay Ann Reid, 2018 A study of how the use of Ovid in Middle English texts affected Shakespeare s treatment of the poet The debt owed by Shakespeare to Ovid is a major and important topic in scholarship This book offers a fresh approach to the subject in aiming to account for the Middle English literary lenses through which Shakespeare and his contemporaries often approached Greco Roman mythology Drawing its principal examples from *The Two Gentlemen of Verona* *The Taming of the Shrew* *Romeo and Juliet* *Lucrece* and *Twelfth Night* it reinvestigates a selection of moments in Shakespeare s works that have been widely identified in previous criticism as Ovidian scrutinising their literary alchemy with an eye to uncovering how ostensibly classical references may be haunted by the under acknowledged spectral presences of medieval intertexts and traditions Its central concern is the mutual hauntings of Ovid Geoffrey Chaucer and John Gower in the early modern literary imagination it demonstrates that Ovidian allusions to mythological figures such as Ariadne Philomela or Narcissus in Shakespeare s dramatic and poetic works were sometimes simultaneously mediated by the hermeneutic and affective legacies of earlier vernacular texts including *The Legend of Good Women* *Troilus and Criseyde* and *the Confessio Amantis* LINDSAY ANN REID is a Lecturer in English at the National University of Ireland Galway

Whispering the Secrets of Language: An Psychological Quest through **Refiguring Chaucer In The Renaissance**

In a digitally-driven world wherever monitors reign great and immediate communication drowns out the subtleties of language, the profound techniques and emotional subtleties concealed within phrases usually get unheard. However, nestled within the pages of **Refiguring Chaucer In The Renaissance** a fascinating fictional prize pulsating with fresh feelings, lies a fantastic quest waiting to be undertaken. Refiguring Chaucer In The Renaissance Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Refiguring Chaucer In The Renaissance free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Refiguring Chaucer In The Renaissance free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for

instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Refiguring Chaucer In The Renaissance free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Refiguring Chaucer In The Renaissance. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Refiguring Chaucer In The Renaissance any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Refiguring Chaucer In The Renaissance Books

1. Where can I buy Refiguring Chaucer In The Renaissance books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Refiguring Chaucer In The Renaissance book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
