a Jew Avi Sagi,2011-03-17 To Be a Jew deals with the question of the meaning and rationale that the writer Joseph Chayim Brenner attributes to Jewish existence Many of Brenner s readers assumed that Brenner completely negated Jewish existence and sought to form a new way of life completely disconnected from the traditional Jewish existence In contrast to this perception Avi Sagi proves that not only did Brenner not reject the value of the Jewish existence but the core of his creation was written out of a deep Jewish commitment Brenner s greatest innovation is found in his new conception of Jewish existence To be a Jew according to Brenner involves the willingness to discover solidarity with actual Jews to participate in a society in which Jews can live a free life and to fashion their culture as they wish Sagi presents the idea that Brenner s is not a Utopian but a realistic conception of Jewish existence Thus this unique conception of Jewish existence is founded on an infrastructure of existential thought *Graham Greene: Political Writer* Michael G. Brennan,2016-03-23 Graham Greene remarked that politics are in the air we breathe like the presence or absence of a God The Other Man This study is the first to provide a detailed consideration of the impact of his political thought and involvements on his writings both fictional and factual It also offers the first detailed consideration of Greene s involvements in espionage and British intelligence from the

1920s until the late 1980s It incorporates material not only from his major fictions but also from his prolific journalism letters to the press private correspondence diaries and working manuscripts and typescripts as well as consideration of the diverse political involvements and writings of his extended family network It shows how the full range of Greene s writings was inspired and underpinned by his fascination with the essential human duality of political action and religious belief coupled with an insistent need as a writer to keep the political personal Soul of the Writer Bradley Kirkland,2000-02 What motivates someone to write What kind of people are writers Is writing a job or a passion or both Writing isn t only about putting words onto the page It is about the expression of ideas the sharing of feelings and a journey into the soul of who you are Informative and inspiring Soul of the Writer is a book for every writer Whether published or just beginning to find your muse this book can aid you in your journey Although filled with advice and helpful ideas from many writers this book is not a manual or a how to book on writing Nor is it a book on how to become a writer If you re a writer you know it already Instead Soul of the Writer is an exploration into what it means to be a writer At least from this writer s point of view Reflections in a Glass Door Marvin Marcus,2009-07-15 Much has been written about Natsume Soseki 1867 1916 one of Japan s most celebrated writers Known primarily for his novels he also published a large and diverse body of short personal writings shohin that have long lived in the shadow of his fictional works The essays which appeared in the Asahi shinbun between 1907 and 1915 comprise a fascinating autobiographical mosaic while capturing the spirit of the Meiji era and the birth of modern Japan In Reflections in a Glass Door Marvin Marcus introduces readers to a rich sampling of Soseki s shohin The writer revisits his Tokyo childhood recalling family friends and colleagues and musing wistfully on the transformation of his city and its old neighborhoods He painfully recounts his two years in London where he immersed himself in literary research even as he struggled with severe depression A chronic stomach ailment causes Soseki to reflect on his own mortality and what he saw as the spiritual afflictions of modern Japanese rampant egocentrism and materialism Throughout he adopts a number of narrative voices and poses the peevish husband the harried novelist the convalescent the seeker of wisdom Marcus identifies memory and melancholy as key themes in Soseki s personal writings and highlights their relevance in his fiction He balances Soseki s account of his Tokyo household with that of his wife Natsume Kyoko who left a straightforward record of life with her celebrated husband Soseki crafted a moving and convincing voice in his shohin which can now be pondered and enjoyed for their penetrating observation and honesty as well as the fresh perspective they offer on one of Japan s literary giants Writer and Critic Arthur David Kahn,2005 In the fall of 1960 during a three month visit to Hungary Arthur Kahn unsuccessfully asked his hosts to arrange a meeting with Gyorgy Lukacs a persona non grata to the Communist regime Kahn arranged to meet Lukacs on his own and proposed translating some Lukacs essays never before appearing in English During the three years Kahn worked on the translations he and Lukacs engaged in a voluminous correspondence investigating Marxism as it applied to contemporary events like the Vietnam war Extracts from this correspondence will be

included in a forthcoming volume of Kahns autobiography *The Education of a 20th Century Political Animal* **Rosenfeld's Lives** Steven J. Zipperstein, 2009-04-01 Born in Chicago in 1918 the prodigiously gifted and erudite Isaac Rosenfeld was anointed a genius upon the publication of his luminescent novel *Passage from Home* and was expected to surpass even his closest friend and rival Saul Bellow Yet when felled by a heart attack at the age of thirty eight Rosenfeld had published relatively little his life reduced to a metaphor for literary failure In this deeply contemplative book Steven J Zipperstein seeks to reclaim Rosenfeld s legacy by opening up his work Zipperstein examines for the first time the small mountain of unfinished manuscripts the writer left behind as well as his fiercely candid journals and letters In the process Zipperstein unearths a turbulent life that was obsessively grounded in a profound commitment to the ideals of the writing life Rosenfeld's *Lives* is a fascinating exploration of literary genius and aspiration and the paradoxical power of literature to elevate and to enslave It illuminates the cultural and political tensions of post war America Jewish intellectual life of the era and most poignantly the struggle at the heart of any writers life Reflection in Learning and Professional Development Jennifer A. Moon, 2013-09-05 Reflection is a technique for aiding and reinforcing learning used in education and professional development This volume offers practitioners and students guidance that cuts across theoretical approaches enabling them to understand and use reflection to enhance learning in practice **When Writers Drive the Workshop** Brian Kissel, 2023-10-10 With increasing school mandates and pressure to perform well on standardized tests writing instruction has shifted to more accountability taking the focus away from the writer In his engaging book *When Writers Drive the Workshop Honoring Young Voices and Bold Choices* author Brian Kissel asks teachers to go back to the roots of the writing workshop and let the students lead the conference What happens when students not tests determine what they learned through reflection and self evaluation In *When Writers Drive the Workshop* you ll find practical ideas guiding beliefs FAQs and Digital Diversions to help visualize digital possibilities in the classroom Written in an engaging teacher to teacher style this book focuses on four key components of writing workshop Student led conferring sessions where the teachers are the listeners The Author s Chair where students set the agenda and gather feedback Structured reflection time for students to set goals and expectations for themselves Mini lessons that allow for detours based on students needs not teacher or curricula goals All students have the powerful shared need to be heard when they choose their writing topics they can see their lives unfold on the page Teachers are educated by the bold choices of these young voices The Writers Directory 2008 Michelle Kazensky, 2007-06 Features bibliographical biographical and contact information for living authors worldwide who have at least one English publication Entries include name pseudonyms addresses citizenship birth date specialization career information and a bibliography
