Woman of Worth Melanie Rigney, 2018-09-15. These days women are so busy about so many things that it's easy to lose sight of one's being in the midst of one's doing. Any woman wondering about her worth to her family to her colleagues to herself and to God will find much to rejoice in here. Each chapter takes a verse or two from Proverbs 31 and offers a personal story, a reflection on the verse, a portrait of a woman saint who exemplifies the verse, some questions designed for discussion or contemplation and a prayer. Read it from beginning to end or dip in here or there as a verse strikes you; there's no wrong way to read this book. The clear affirming message is that God loves you and you ARE a woman of worth no matter where you find yourself in life. Book jacket

Wide Open Spaces Carol Henderson, 2011-07-16. How does God call us? The answers are as different as we are. Sometimes God summons us through the Church and sometimes in spite of the Church. In the depths of loss and confusion God speaks to us, beckoning us to follow an unexplored path. While we are heading in one direction God surprises us with an undeniable invitation to go another way. *Wide Open Spaces* includes essays by women who have experienced and responded to God's call in all of these ways. The ministers and Christian educators whose stories fill this book testify to God's grace in the midst of their lives as single people in family-centered contexts as women whose callings also include parenthood and marriage and as those who the Church refuses to fully accept. Discrimination, harassment and homophobia pierce the narratives in this book. Yet this is not a book about defeat.

Muslim and Christian Women in Dialogue Kathleen McGarvey, 2009. Observations about dialogue and about the theology of religions are common enough these days but they are rarely grounded in the analysis of a particular reality and are therefore of little help to practitioners. This book on the other hand gives an exhaustive documentation of the background and the actual situation of Muslim-Christian relations in Northern Nigeria before proceeding to proposals for understanding the contribution of women's discourse in the development of dialogue and to a feminist theology of religions. Drawing from her empirical findings in Northern Nigeria as well as some feminist insights, the author suggests an approach to other religions grounded in people's lived experience and a shared commitment to justice, peace and transformed human relations. Recognizing the limitations of some pluralist theories, she suggests a feminist ethical approach to religious pluralism. The practicality and feasibility of such an approach are shown as she elaborates on its

possible application in the concrete context of Northern Nigeria **Quiet Time Reflections** MaryEllen Bream,2019-03-22 This journal to write in makes a beautiful Christian gift for women Inside you will find writing prompts for each morning and each evening along with weekly reflection pages to encourage you in your walk with God You can click the Look Inside icon to see the interior pages Size 8x10Design Floral Christian journalCover Matte finishPages 148This journal to write in can be used as a spiritual journal gratitude journal memory journal and prayer journal all in one There is also generous space for note taking Please visit MaryEllen Bream s author page for more Christian journals and notebooks **A Christian Guide for Reflection and Discussion** Corbin M.
