Youth: Reflection of Universe Pankaj Jagannath Jayswal, 2020-05-23
All over the world, majority of youths now a day are confused, stressed, frustrated, addicted on drugs, directionless, depressed, suffering anxiety, violent, and never the less full of negative energies. You must have noticed these traits among different people in society. I am not stating that everyone has such problem, but it's commonly noticeable in today's generation. The question is: Are they bad? Don't they have competence to live a good, eloquent, and joyful life? Answer to all such undesirable questions is big NO. In USA, a well-known university conducted a survey among successful students in various fields to find out the causes behind their success. It was surprising to note that whatever they have achieved academically—Doctor, Engineer, Lawyer, science graduate, Chartered accountants, MBA, or any other degree—contributed just 13%, and the remaining 87% was Life Management.

Islamic Feminism Mulki Al-Sharmani, 2024-10-17. Mulki Al-Sharmani undertakes a close textual analysis of the hermeneutics of selected Islamic feminism scholars as they engage with the Qur'an, Hadith, and different textual genres in Islamic interpretive tradition. She focuses on the relevant works of nine prominent scholars located in North America, Egypt, Morocco, and South Africa, bringing their works into conversation with one another. Islamic Feminism critically examines the epistemological and methodological contributions and challenges of these scholars. Al-Sharmani shows how these scholars' engagements with the question of gender also yields new insights into the interplay between Islamic theology, ethics, and law. Drawing on extensive multi-sited ethnographic research, Al-Sharmani examines the societal significance and limits of the studied scholarship and how it informs and is informed by multidimensional Muslim gender activism in both global and local contexts. Towards the latter aim, Al-Sharmani focuses on two case studies: the global movement Musawah and Egyptian Islamic feminism in the aftermath of the 2011 Revolution.
