João Scognamiglio Clá Dias EP, 2016-06-27 New Insights on the Gospels Volume I is part of a collection that enables you to accompany Our Lord Jesus Christ throughout every Sunday of the liturgical year together with the founder of the Heralds of the Gospel Dr Scott Hahn Fr Scanlan Chair of Biblical Theology and New Evangelization at the Franciscan University of Steubenville OH comments What a remarkable movement is the Heralds I spent my time this afternoon at JFK airport and my flight back to Pittsburgh reading New Insights with great profit and excitement I am so impressed by Msgr Scognamiglio s profound insight into Scripture as well as the spiritual wisdom that he communicates so clearly The work New Insights on the Gospels beyond being exegetical and pastoral has the merit of making theology accessible to all readers regardless of social status or academic level To soar in the heights of Theology what is needed more than culture or intelligence is faith Faith enables us to penetrate truths and mysteries that lie beyond the reach of human understanding When it comes to believing higher learning or intellectual capacity is not of consequence what truly matters is having a soul

that is open to God's light. It is only in the Catholic Faith that today's world will find answers to the problems that perturb it. Perhaps this explains the growing interest among the faithful in deepening their knowledge of Catholic Doctrine. Could this be the reason for the successful publication of the first volumes of this collection? Published in four languages: English, Spanish, Italian, and Portuguese, its first edition quickly ran out, achieving a circulation of almost seventy thousand copies. Saving precious teachings of the Fathers and Doctors of the Church from falling into oblivion, it is a response to the worthy and emphatic recommendation of the Second Vatican Council of giving primacy to Thomism. cf. Optatum totius n. 16 in the study of the mysteries of salvation. The work has met wide acceptance among priests for whom it is mainly intended to serve as a resource in homily preparation. But it has met an equally warm reception among the lay faithful who are eager to broaden their religious knowledge. This may be a unique symptom of the spiritual condition of our age: the thirst for the divine. It is a thirst that increases as it is quenched, causing neither distress nor pain but only joy for those who seek to satisfy it in the crystalline springs of the Word of God.

My Life of Ministry, Writing, Teaching, and Traveling Mark G.

Boyer, 2021-02-04

In *My Life of Ministry, Writing, Teaching, and Traveling*, The Autobiography of an Old Mines Missionary, I present my life as a child growing up in a French village about sixty miles south of St. Louis in the middle of the twentieth century. After eighteen years of life in Old Mines, the oldest settlement in the state of Missouri, I moved to St. Louis for four years and then to St. Meinrad, Indiana, for four years where education opened my eyes to a world very much larger than my village of origin. Life continued for me after ordination as a priest in the Roman Catholic Church in Springfield and Joplin, Missouri. Because my life is the thread stitching together this book, I have made it manageable by dividing it into four categories: ministry, writing, teaching, and travel. These categories contain the stories of others whose life threads of seventy

years are woven into my lifetime tapestry This is my autobiography one of a missionary from Old Mines to the thirty nine counties forming the southern third of the state of Missouri composed during my seventieth year of life
