

A. FAMILY

Family for me is the most significant social institution that shapes an individual's social identity. Before a child becomes a citizen of the country, he/she will first become a member of a small community called family, where everything will start, where his/her first lessons will be taught, and his/her first roles will be portrayed. Majority of a person's identity is mold by this small community. That is why I believe that the actions and social behaviors of a person in the society reflect on the family he/she came from. However, it will always come to a time when each member, specifically the children, will leave the house, where this family lived and shared happy and sad moments, to look for opportunities, live by their own, and build their own family. But, are leaving house and living by their own also means forgetting the family and not minding anymore the values they taught?

Because no distance can break the relationship of a solid and a strong family. When the children of Mrs. Maniago left the house, was also the moment they brought with them the values of and the responsibility for their family. A family cannot only be defined as a group living in the same house or a group sharing the same surname rather a group of people sharing the same memories and sharing the
