The Gift Kirk Douglas,2009-11-29 Patricia Dennison s life is a chain of melodramatic events on the disastrous scale of the Titanic Terrorists have executed her father on a passenger plane She has inherited a multibillion dollar empire that she doesn t want whose directors are plotting against her The philanthropic doctor to whom she is engaged turns out to be gay So she falls instead for a Portuguese bullfighter who has just killed the husband of his last unfaithful lover And so with grandiose implausibility the successive episodes crash one upon the next

The Everything Horse Book Karen Leigh Davis,2008-10-17 The horse is a majestic animal that needs the utmost in care and love Luckily for horse owners and appreciators this fully revised and updated second edition is a detailed introduction to horse companionship and care This handy guide features all you need to know about horses including information on Anatomy and physiology Feeding and grooming Traditional and alternative treatments for health problems Dressage jumping and other types of horsemanship Careers with horses And more This edition also includes completely new material on horse colors and markings parasite control training philosophies entering horse shows and more The Everything Horse Book is an ideal gift for anyone who has ever been interested in our equestrian friends

Dressage in the Fourth Dimension Sherry Ackerman,2010-09-07 Dressage is often seen as the most formal and controlled of the equine sports following an ancient standardized training progression For philosopher and dressage instructor Dr Sherry Ackerman dressage is much more It along with riding in general can be a transformational art and an avenue for reflection exploration and self knowledge through which a rider can experience liberation from the individual egoistic self This second revised edition of Dressage in the Fourth Dimension is a pioneer work in awakening dressage consciousness Drawing on such diverse sources as sacred geometry ancient Western and Eastern philosophies and esoteric spirituality Ackerman seeks to heal humanity s alienation

from nature through riding She points us toward the liberation from societal conditioning and normative thinking and ultimately from our own egos Her concept of the fourth dimension requires us to leave the analytic objective mind behind and enter into the mystery of inspiration A short unique thought provoking work that has enjoyed a word of mouth reputation among horse people for years Dressage in the Fourth Dimension will challenge riders assumptions about their horses and themselves

Horse Makeovers Patti Dammier PhD, 2014-08-27 Horses are beautiful creatures who respond favorably to humans because we have the ability to create a positive relationship with them But how do we create a positive learning environment that will obtain desirable behavior from horses In her guidebook a professional educator and Grand Prix dressage horse trainer shares step by step lessons and powerful tools of behavior modification that will help horse trainers and riders create successful horse performance Dr Patti Dammier relies on over twenty five years of experience in horse training and professional research and education to offer an innovative approach that uses scientific evidence to teach basic principles of behavior change Through her methods case studies and key points riders and horse trainers will learn how to Establish goals and objectives specifically tailored for each horse Create reasonable and achievable lessons Develop rider aids and cues that reward behavior Decrease undesirable behavior without unnecessary force Manage risk and ensure a safe learning environment Horse Makeovers is a guidebook for anyone eager to learn an educated approach to training horses that utilizes proven scientific research resources of learning theory and techniques of positive motivation to achieve results

Riding in Release Kate Sandel, 2022-03-28 Riding in Release considers the relationship between two significant traditions of riding and horse training The French Classical School and horsemanship born out of the Vaquero and Buckeroo lineage Both traditions are founded on the development of a partnership with a horse which enables lightness of foot and thought This book provides useful insights for riders of all levels whether you want to hack out in harmony or improve your half pass with clear practical step by step instructions and advice Topics covered include consideration of the similarities of the traditions and why this is useful for modern riders to understand how horses move think and feel and how this knowledge is useful to us foundational handling up to high school common themes the human side of the partnership how to make sense to our horse and be someone he wants to learn from and how to help our horse develop a greater ease of movement without the use of gadgets or force There are detailed explanations of straightness balance and dynamic posture along with step by step guidance on teaching the language of the aids tapping into your horse s amazing capacity to learn Finally the development of good feeling between you and your horse through logical application that respects a horse s emotional life as well as his physical body is covered
